

Due to the number of our drivers being diverted by the Selective Service for the purpose of assisting farmers in their haying operations, it is impossible for us to maintain our full service for the next two weeks. We shall do our utmost to take care of our customers, who, we know, will understand the circumstances under which we are obliged to operate for this period.

'Riding High' Great Funfilm

A fun-for-all Western set to grand music is Paramount's latest contribution to the nation's morale. It is the Technicolor "Riding High," which opens today at the Prince Edward Theatre.
