

You Need More Than A Laxative

To correct constipation, all organs of digestion and elimination should be helped. Try NR and see how much better you feel.

NR Today—Keeps the Doctor Away

To live and be healthy, your body mechanism must properly digest your food, extract all the nourishment from it and promptly throw off the waste that is left. This is accomplished by the processes of digestion, assimilation and elimination—the work of the stomach, liver, kidneys and bowels.

Nature's Remedy (NR Tablets) is not harsh; it is mild, easy, pleasant in action; no gripping or pain ever follows its use; but it is thorough and sure. By its action on the digestive organs it promotes assimilation, which means extraction of full nourishment from your food, and thereby gives you new strength, energy, better blood, better appetite.

By toning, not stirring your lazy liver, NR sends encouraging more vigorous bowel and kidney action. NR drives poisonous impurities out of and cleans up your body.

Now if you are used to taking so-called laxative pills, oil, purges and the like, you know mighty well you've got to be taking them all the time. Moreover, if you stick to any one laxative, you've got to be increasing the dose all the time. That can do you a lot of harm.

Try Nature's Remedy (NR Tablets) and just see how much better you feel in every way. Get a 25c box today and take one each night for a week. You'll say you never felt better in your life. NR is sold, guaranteed and recommended by your druggist.

HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well.

"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARIE BOYD, 1421 5th St., N. E., Canton, Ohio.
