MORE SHELVES

Most of us accumulate things more rapidly than we accumulate places to put them. To those who live in flats and apartments and others in bungalows or cottages the old time attic is a thing of the past; hence the endless quest for convenient places to put things.

One thing is certain and that is that it is well nigh impossible to keep the house in order where things must be kept in close quarters and that unless there is a place to spare for everything it is impossible to keep everything in its place. Here shelves come to the rescue. If there is a man in your family with any sort of knowledge of carpenter work or if you are somewhat of a dabber at hammer and nails yourself you need not pay more for your shelves than the bare cost of the boards and the braces, screws and paint used to finish them.

The bones, the muscles, and all the organs of the body depend for their strength and tone and healthy action on pure blood. Hood's Sarsaparilla makes pure blood. It is positively unequalled in the treatment of scrofula, eczema, rheumatism, dyspepsia, loss of appetite, that tired feeling. There is no other medicine like it. Be sure to get Hood's and get it today. It is sold by all druggists.

TAKE "CASCARETS" IF HEADACHY, BILIOUS AND CONSTIPATED. Best for liver and bowels, bad breath, bad colds, sour stomach. Get a 10-cent box. Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver, delayed, fermenting food in the bowels or sour, gassy stomach. Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache. Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels. A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.
