DAILY CRYPTOQUOTE—Here's how to work it:

A X Y D L B A X X
is L O N G F E L L O W

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation
T H J C T D V X P N S L V W X P N J V Q C J S
A L V A J P N F R V P E X P N J E J T V W S C D
X P N J P S W—H R C N A N D.
