**SAVE THE CHILDREN**  
**Insure Them Good Health.**  
Ninety per cent. of children, under twelve years of age, are being poisoned and parents don't realize it.

Irregular bowels are the chief cause. You parents know that your bowels should move every day. You know you must be as regular as clock-work or the blood will become tainted. Don't you realize that the children must be as orderly in getting rid of the waste matter of their system?

Then, if you find that any of the little ones go two or three days without action of the bowels, don't run to castor oil, senna tea, calomel, cascara or harsh "liver pills." Those simply purge the child—strain the bowels.

"Fruit-a-tives" are the ideal medicine for children. They are fruit juices and tonics in the form of a pleasant tasting tablet. "Fruit-a-tives" stimulate the liver, causing more bile to flow. It is the bile, given up by the liver, which moves the bowels. "Fruit-a-tives" regulate the liver and bowels, and thus completely cure constipation. They sweeten the stomach, and are the finest tonic in the world to build up the system and make children plump and rosy. 50c a box-six for \$2.50. Sent on receipt of price if your dealer does not handle them. "Fruit-a-tives" Limited, Ottawa, Ont.

**Cleanliness is Next to Godliness**

If you want your home thoroughly clean and healthy, have it done scientifically. Ordinary disinfectants give only a false sense of security. Microbes and bacteria lurk beyond the reach of the most particular housewife. I use only the latest approved method which is a perfect germicide and endorsed by all Boards of Health and Health Officers.

Charges moderate.

—Miss Maude Craig formerly of Poplar Grove, now in Southport, Sask., in writing to a friend says of the school in which she teaches "The school is about as big as East Bideford, has three windows on one side a hardwood floor and woodwork up the wall. It has ten beautiful seats, a good desk, three chairs, a nice blackboard and four lovely maps in a frame. Then there is a nice entry, with hooks for their raps, shelves for their lunches. They are going to get window shades, two brooms, a dust pan, a basin, towels and soap and a larger crock for the drinking water. I have eleven pupils, five have never been in school before and the other six are on fairly well. The dinner hour is one and half hours."

—The half yearly examinations of Hamilton School took place Monday afternoon June twenty-ninth. The school room was tastefully decorated for the occasion by the scholars. The pupils were examined by their teachers—Miss Saddle A. McNeill, and by their ready answers of the various questions, showed that they had been carefully and delicately taught. Quite a number of the parents were present showing the keen interest they have in the education of their children. Speeches were delivered by several of the rate payers, who all expressed themselves well pleased with the work done in the school, and complimented the teacher on the good order which prevailed. At the close the teacher was presented with a handsome gift by her scholars as a token of their esteem.

Besides they are extremely dressy in appearance, and are equally appropriate for rain or shine. Just the ideal coat for ladies driving to and from the beach in summer, or for a light dressy wrap or evenings or cool days.

**Heatherbloom Taffeta Petticoats**

We have just sent in a repeat order on these popular garments which bid fair to altogether supplant silk as they possess the wondrous beauty and sheen with the same swish and rustle of the finest silk taffeta at one half their cost, and three times their wearing qualities.

These beautiful garments come in black white and all the leading shades, are not effected by washing and can be had at a variety of prices from \$3.15 and up. The quality of the material is the same in all the difference in price being due to the style and finish of the garments, many of which are most elaborate.

**Heatherbloom Taffeta by the yard**

We have the same charming and widely known fabric by the piece also which is shown for the first time in this City on our counters, and to be had exclusively here. It is superior to silk for petticoats waist or coat linings, or as a lining for sheer fabrics, such as Voile, Grenadine etc, no matter how elegant you desire them to be, and is by far the most satisfactory both in appearance and wear at one third its cost. It is 36 in wide, in black and all the popular shades and costs 50 cts a yard.

It has just the soft finish and rustle that style demands, together with the soft silky finish that appeals to cultivated tastes. So there are inferior imitations, safeguard yourself by insisting on seeing the trade mark "Heatherbloom" stamped on every yard.
