Howlan

The big road scraper passed through Howlan on Friday again bringing all the stones to the top of the roads.

Mrs. Dominick Arseneault of Summerside visited her aunt, Mrs. Peter Poirier, of Howlan, on Friday the 21st.

On Friday night there was a chicken raffle at the home of Ben L. Arseneault with a good crowd in attendance.

Friends of Mr. Joseph Poirier Mill Road, were very sorry to learn he was in the Western Hospital, suffering from pneumonia, and sincerely hope that he is well again and back home.

The weather in general has been very disagreeable for the past two weeks although not much rain has fallen, it's just enough to be dirty with a little snow on Thursday.

Congratulations to Mr. John MacFarlane, Alberton, on being the lucky winner of a beautiful team of matched horses in a lottery put on by the parish priest, Father Monaghan.

Residents often wonder why it is that they haven't a dentist in O'Leary, as it seems it should be a good location. As it is, the nearest dentists are in Alberton and Summerside.

The schools in the vicinity had a half holiday on Thursday, Nov. 20th, in honor of Princess Elizabeth, and Duke Philip Mountbatten's wedding, much to the pleasure of the children, especially as it was the first snow of the season.

Friends of John A. Gallant Woodstock, are pleased that he is much improved in health in Prince County Hospital, Summerside. His sons, Fred of New York and Oscar and Mrs. Oscar of Norway, Me., arrived home this week, having been called by the illness of their father.

The wedding of Winnifred Rosetta, oldest daughter of Mr. and Mrs. Edward McKenna of Elmston, parish priest, and Mr. George Gallant, adopted son of Mr. and Mrs. Joseph Gallant of Piusville, was solemnized in the Sacred Heart Church, Alberton, on Monday, Nov. 10th at 8 A.M. by the Rev. W. E. Monaghan, parish priest. The happy young couple were attended by Mrs. Ellen Ellsworth and Mr. Bobbe O'Brien. Following their marriage the bridal party motored to the home of the bride where a large number of friends and relatives partook of a very sumptuous wedding breakfast. In the evening they motored to Piusville to the beautiful and spacious home of Mrs. Angelina Blanchard, daughter of George's foster parents, where a delicious supper awaited them, the tables groaning under the abundance of delicacies, and all good things done up in Mrs. Blanchard's usual good style. The remainder of the evening was spent in music and dancing. At a very late hour everyone went back to their homes proud to have spent such an enjoyable evening. Previous to her wedding the bride was tendered a miscellaneous shower, again at the home of Mrs. Blanchard. The beautiful and costly gifts show the high esteem in which both the bride and groom are held, the groom having served for three years in the Canadian Army. The happy young couple will reside in Piusville.

Petersham-Where Vancouver Is Buried

(Continued from Page 4)

In those days Mortlake was noted for its tapestry works which have since been closed. But the most historic room is that where the Cabal Cabinet met to plot against their Sovereign, Charles II; the word "Cabal" came from the initials of its members—Clifford, Arlington, Buckingham, Ashley Cooper and Lauderdale — and has now passed into common use as meaning a group of people united in secret State intrigue.

Stately Georgian Houses

Petersham is noted for its stately Georgian houses and in the grounds of Petersham Lodge is a summerhouse where John Gay of "Beggar's Opera" fame, worked successfully, and in the next century Dickens, the novelist, came to live in "Elm Lodge", a small black and white house, where he wrote "Nicholas Nickleby". In the churchyard of Petersham Church, rebuilt in Georgian days, is buried the famous explorer, George Vancouver who, after his travels had ended, settled in Petersham to write the story of his famous voyage. By his grave grows an arbutus tree sent to Petersham from the Canadian island that bears his name. Petersham Church has another

claim to distinction—here were married the late Earl and Countess of Strathmore, the parents of Queen Elizabeth.

COMMON BUT DANGEROUS

Measles, although a fairly common complaint in children, is dangerous if the child is undernourished, sometimes affecting eyes and ears and in school-age children can lead to tuberculosis.

RAREFIED ATMOSPHERE

At least 80 per cent of the people in Bolivia live at an altitude exceeding 10,000 feet.

COUNTRY OF FENCES

Australia has put millions of dollars into fences, the longest of which is 1,100 miles, to barricade rabbits and dingoes.

In the ancient Roman theatre, actors wore symbolic colors: old men, white; young men, purple; parasites, grey; courtesans, yellow.

BURLINGTON & VICINITY

Mrs. A. H. Campbell entertained the members of Irish Town Women's Institute at the annual meeting in November. Routine business was transacted and after some discussion it was decided to hold a social evening and auction sale, and Mrs. Cecil Campbell kindly offered her home for the entertainment. Mrs. Borden Campbell, Mrs. John E. MacLeod, and Mrs. Archie Paynter were appointed to prepare a program. Mrs. J. E. MacLeod invited the members
