

# Nervous Women

**Lydia E. Pinkham's Vegetable Compound.**

Will not the volumes of letters from women made strong by Lydia E. Pinkham's Vegetable Compound convince all women of its virtues? Surely you cannot wish to remain sick and weak and discouraged, exhausted each day, when you can as easily be cured as the two women whose genuine letters follow, and thousands of others.

**"DEAR MRS. PINKHAM:**—Words cannot tell what I suffered before taking your medicine. I am 28 years old and the mother of four children, the last two being only 18 months apart. I was all run down, had fainting spells, palpitation of the heart, and was so bad with womb trouble that I could not be on my feet but a short time before I would have to lie down. Also was troubled with leucorrhoea. I was nervous and could not sleep, and at times wished I could die.

"A friend insisted on my giving your medicine a fair trial, which I did. I began to feel better before the first bottle was half gone, and after using five bottles of Lydia E. Pinkham's Vegetable Compound and three packages of Sanative Wash, I was a different woman. I owe my good health to-day to you, and I will never suffer again while you make such good medicine. I will always speak a good word for your remedies. My little girl was troubled with her kidneys, and one bottle of your Vegetable Compound has entirely cured her."—**Mrs. KITTIE B. PETERSON, Jenison, Mich.**

**"DEAR MRS. PINKHAM:**—I want to thank you for the good your medicine has done me. When I wrote you last July I was so weak and nervous that I could not endure the sight of work. I was in a terrible condition, so nervous that I took all my strength of will to keep from convulsions. The doctors did me no good. My heart troubled me, would have spells of skipping beats and I would flutter. I had such a feeling of dread and fear about me all the time I was afraid to go anywhere.

"I commenced taking your remedies as you advised me, and in one week I felt better than I had in a whole year before, and the gain was steady. Day by day the bad symptoms disappeared. My appetite returned and I was able to go to bed at night and sleep like a child. In all I took nine bottles of your Vegetable Compound and seven of your Blood Purifier, and would say to all suffering women, do not stop at a few bottles, but keep on. In three months I was able to return home, and have since done the housework for a family of six. It does not seem possible that I am the same person that suffered so a year ago."—**Mrs. T. J. FAUROT, Leado, Michigan.**

**\$5000** FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness.
