Livestock

MONTREAL, Nov. 7.—(CP)—Veal calves were stronger while other classes remained steady on Montreal livestock markets today. Receipts: cattle 232; sheep and lambs 137; hogs 1139; calves 207. The cattle offered were practically all common to plain quality cows and bulls. Common cows were from \$3.50 to \$4. Canners and outers \$2.50 to \$3.25 mostly \$3. Common bulls \$3.50 to \$4.25. Veal calves were in good demand. Good veals made \$10 with an odd top at \$10.50 and medium kinds from \$9 to \$9.50. Grassers were mostly \$4.50. Good ewes and wethers were \$9.75. Heavy lambs \$8.75. Culls and bucks \$7.75. Sheep were \$3 to \$5 averaging around \$4.50. Hogs were \$9 fed and watered and \$9.25 off trucks. Selects drew \$1 per hog premium, with the regular cut on off grades. Sows were \$6.25 to \$7. Hogs sold on rail grade brought \$12 hot weight.

GRAIN

CHICAGO, Nov. 7.—(AP)—Reports that Belgium and the Netherlands had decided on a new effort to restore European peace caused an abrupt about-face in the wheat market today after prices had advanced to the best levels since Sept. 7. Wheat closed unchanged to 1-2 lower compared with yesterday's finish, Dec 88-87 7-8, May 86 3-4-5-8; Corn 1-8-3-8 down, Dec 50 3-8-1-2, May 52 7-8-33; Oats 1-4 off to 1-8 higher. WINNIPEG, Nov. 7.—(CP)—A strong display at Chicago combined with offerings to boost wheat futures prices about 5-8 cent at top levels on the Winnipeg grain exchange today. Gains were not held, however, and quotations weakened near the close to finish 1-4 cent higher to 1-8 lower, Nov. at 69 1-8, Dec 70, May 74 7-8-75 and July 76 5-8 cents. Most grades of cash wheat attracted support from exporters and mills but few actual deals were completed as offerings held tight. Coarse grain trading was quiet, apart from minor purchases of oats, barley and rye by export houses. Prices were slightly better.

WAR!

The Red Cross swings into action

1. HOSPITALS AND HOSPITAL EQUIPMENT

2. AMBULANCES

3. FOOD AND COMFORTS

4. SURGICAL SUPPLIES AND DRESSINGS

5. WAR RELIEF

Hundreds of thousands of Polish refugees in countries adjacent to Poland are in dire need. Through the International Red Cross Society at Geneva, help is being sent to these unfortunate people. Your contribution will help to provide food and clothing during the coming winter.

Hospitals must be built and equipped in England and France to care for the sick and wounded. During the last war the Canadian Red Cross built and equipped (wholly or in part) hospitals at Taplow, Bushey Park, Ramsgate, Bexhill, and Buxton in England; built and equipped one of the largest military hospitals in France; and established a depot in Boulogne for Canadian hospitals.

From 1914 to 1918 the Canadian Red Cross provided scores of ambulances to convey the sick and wounded in France and England. Now the need for ambulances faces us again. It seems likely that the demand will be greater than during the last war.

Again the Red Cross wishes to be able to send socks, cigarettes, candy and other comforts to the boys at the front. During the last war, 841,325 cases of supplies were sent overseas. The Society sent sixty pounds of food per month to every Canadian prisoner of war, in addition to tobacco, medical supplies, clothing and books. Should the occasion arise, we must be prepared to do so again.

X-Ray equipment, surgical supplies and dressings must be purchased almost immediately. During the last war, thousands of cases of supplies were sent to England and France. Thousands of dollars were contributed to equip a ward in the St. John Ambulance Brigade Hospital at Etaples, France.

The regular work of the Red Cross in Canada must be continued. Outpost hospitals and nursing stations must be maintained and the work of the Red Cross in frontier districts must be carried on. The activities of the Junior Red Cross must be developed. The normal cost of this great effort is a million dollars a year.

WITH THE WAR only a few weeks old, the Canadian Red Cross has already marshalled its forces to save lives, to prevent suffering. Lack of preparedness cost many lives during 1914 and 1915. This time Red Cross facilities must be on the job. Already the need is urgent. The work of equipping hospitals in England and France must be undertaken immediately. Ambulances will be needed. Surgical supplies, X-Ray equipment must be on hand. This work cannot wait.

During the last war, Canadians gave without stint to support the work of the Canadian Red Cross and the British Red Cross. During this war you will be asked to contribute only to the Canadian Red Cross, which will co-operate closely with its parent organization. We are all fighting for the same cause. We will all work together to see that the human side of war is carried on successfully.

Will you support this splendid cause? Will you save a life, help a sick or suffering lad who is far from home, or bring a few comforts to the boys who are in the thick of the fight? Your loved ones may or may not have to go. But at this time all the boys in khaki are your sons, your brothers. They are fighting for your liberty, protecting your home. If you can't go, give to the Red Cross.

The need is urgent — dig in and give!

Canadian Education Week

(Under the Auspices of The Canadian Teachers' Federation) (NOVEMBER 5TH TO 11TH, 1939) An Opportunity to Know Your School WITH CO-OPERATION Provincial Department of Education Provincial Universities Provincial Teachers' Associations Provincial Parent-Teachers' Federations Provincial Teachers' Federations, Etc. Presented by — Teachers, Trustees, Parents, Pupils.

Canadian Education Week is to be observed this year in all Provinces from November 5th to November 11th, along the same general line which proved so successful last year.

Arrangements have also been made to have a fifteen minute broadcast at the following times from C. F. C. Y. The following speakers will be heard: Monday—8:30—8:45 P. M.—G. D. Steele, M. A., LL.D. Tuesday—8:30—8:45 P. M.—Rev. Gavin Monaghan, Ph. D. Wednesday—8:30—8:45 P. M.—Mr. Norman MacDonald. Thursday—8:30—8:45 P. M.—Prof. J. H. Blanchard, M. A.

The purpose of Canadian Education Week briefly, is to acquaint the general public with some of the objectives, achievements, and possibilities of the schools of our Dominion.

Its primary object is to get as many persons as possible to visit the schools, to see them in actual session, and to obtain first hand information of the work of our educational system.

Education is one of the most fundamental and important of our social services. Its progress, at all times, depends upon the attitude and support of the public. Whatever the opinions of the people may be—whether favorable or adverse—it is well that they should be founded upon certain knowledge and information of the actual services our schools are rendering.

This is frankly, therefore, an invitation to visit your schools and to co-operate in every way possible to make Education Week a success.... PRINCE EDWARD ISLAND TEACHERS' FEDERATION L-292-11-6-31.
