A serious accident occurred on the Princeton Road, between Baltic and Sea View, Friday night, when Merit Dawson and his wife were severely injured. They were driving to their home in Sea View, and came to a bridge, which was being repaired, but which was left unlighted and unprotected. The horse driving into the open space where the planks should have been, ran away, and both occupants of the wagon were thrown to the ground, receiving a bad shaking up. Mr. Dawson is in a critical condition and his friends are greatly alarmed concerning him.

A LOVELY BABY BOY DOCTORS GAVE HER UP

This Mother is quite Enthusiastic over a well Known Food.

Mrs. J. W. Pateman, 34 Harriet St., Toronto, in writing about Neave's Food says: "When I first knew one of my friends, her baby Jack was eight months old and lying by inches. She had tried three foods because her Jack could not digest milk. At last, I fetched her a tin of Neave's Food. At the end of a month, Jack was rapidly gaining flesh and lying by inches. He is a healthy, bright and happy. He is a lovely boy now. And it did."

Then I recommended it to a friend on Victoria Avenue. She had a baby 6 months old that was not thriving a bit. She put the baby on Neave's Food and at the end of three months, the baby was twice as big. I have the most faith in Neave's Food."

Mothers and prospective mothers may obtain a free trial of Neave's Food and a valuable book "Hints About Baby" by writing Edwin Utley, 14 Front Street East, Toronto, who is the Canadian agent. (Mention this paper.) For sale by all druggists.

One of the largest funerals seen in Charlottetown for sometime was that of J. T. Clarkin, which took place from his late residence on Grafton Street yesterday morning to St. Dunstan's Cathedral where High Mass was sung. Besides a wide circle of private citizens who attended to pay a last tribute of respect to a man who was widely known and loved were the orders of the A. O. H. and the Holy Name Society, which marched in a body and also the St. Dunstan's and Prince of Wales students. The pall bearers were John M. Hughes, Thomas Burnett, Simon Paoli, Prof. Murphy, Prof. J. A. Robertson and Captain Joseph Ryan. Many beautiful floral contributions and spiritual boquets were received by the family and expressive of the deep sympathy felt for them in their sudden bereavement.

Entered into rest at Regina, Sask. on Friday Oct. 25th after a short illness of pneumonia, John W. Sutherland at the early age of 48 years. Mr. Sutherland was born at Graham's Road, P. E. Island, and went west about two years ago first living in Winnipeg and afterwards moving to Regina where he had been successful in conducting a house painting and decorating business until cut off by the grim reaper, under such sad circumstances. The funeral was largely attended many of whom were former friends and acquaintances in the east. D. A. Sutherland and wife, a niece, a brother, came in Saturday to attend the funeral. The floral tributes were numerous and beautiful among which was a wreath from Court Wascana I. O. F. of which order the deceased was a member. The services were conducted by the Rev. S. J. Farmer of Regina. The pall bearers were D. J. MacKay, D. D. MacLeod, W. Jardine, George Sutherland, H. Ramsey, and Norman MacKay. The heart felt sympathy of their many friends in the west, is respectfully tendered the bereaved wife and family in their sore affliction.

The marriage of Fred C. West and Miss Lillian J. Chapman of Port Elgin took place this afternoon at the home of the bride's mother, Mrs. Harris Chapman. The ceremony was performed by the Rev. Mr. Hudson. The young couple looked charming as they stood under an arch of evergreen. They will be driven by auto to Shediac, where they will take the Steamer Empress for Charlottetown, P. E. I. On their return they will reside at Port Elgin. The marriage of Alexander Clark Copp and Miss Mary Brownell Read also took place this afternoon at the home of the bride's mother, Mrs. William Read of this town. The ceremony was performed by the Rev. Mr. Higgins of Sackville assisted by Rev. Mr. Blackall of Mt. Whately and Mr. and Mrs. Copp also go to Shediac and from there to Charlottetown where they will spend their honeymoon on their return they will also reside in Port Elgin.—Sackville Exe.

A. A. Bartlett and F. R. Hearts, Charlottetown, who are now making a European tour together, had a very exciting experience recently—an experience which they are not likely to forget. They had left Bordeaux by motor car when another motor car coming from the rear at a terrific rate ran into them with the result that both cars were smashed to bits and the occupants hurled out on all sides with great force. The wonder is that no one was killed though several were more or less injured and several by shakin' up. They were saved it appears by a mule and his driver who got in the way. The mule acted as a "buffer" and in doing so doubtless saved some lives but lost his own. The mule driver was seriously hurt but strange to say was not killed. Mr. Bartlett sustained a bad cut under the chin and a bruised shoulder while Mr. Hearts received a deep cut over the eye and had his head bruised. They were both taken to a pharmacy and had their wounds stitched. As a result of the accident they were both confined to their rooms for some days and will likely cut out that part of their trip through the South of France and will proceed to Switzerland.

DOCTORS GAVE HER UP

Mrs. Stuart Finally Saved By Lydia E. Pinkham's Vegetable Compound—Her Story Interesting.

Elmo, Mo.—"I think your Vegetable Compound is wonderful for it has helped me. I had four doctors and they said I had female troubles and a tumor and nothing but an operation would help me. I could not sit still long enough to eat, and could sleep hardly any I was in so much misery with pains in my side and back."

"A year ago last spring my doctor gave me up, and he was surprised to see me this spring and to see my condition. I give Lydia E. Pinkham's Vegetable Compound the praise whenever I go for it. I know I would not be here today if I had not taken it."

There has been considerable anxiety regarding the government steamer Minto. This was somewhat relieved when C. H. Harvey, agent of the marine department, received a dispatch from the deputy minister of naval service at Ottawa to the effect that the Minto had arrived at Cape Wolstenholme October 4, and was returning to Hudson Bay. Cape Wolstenholme is at the northeast corner of Hudson Bay, at the western end of Hudson Strait. The Minto was expected in Halifax the latter part of October. It is supposed after starting the return voyage from Fort Churchill or Nelson, where she had been engaged in Hudson Bay terminal work, that she found the ice too heavy for her return, and will winter in either Fort Churchill or Nelson.—Halifax Exe.

Yesterday afternoon the mortal remains of the Rev. Ralph Grant Strathe, M. A., B. D., pastor of Zion, Presbyterian Church, Charlottetown, P. E. I., were laid to rest in the General Protestant Cemetery. The funeral service, despite the distressing weather, was largely attended, amongst those present being the Rt. Hon. the Premier, and citizens prominent in all ranks and creeds. The service was conducted by the Rev. J. S. Sutherland, M. A., and among the Ministers who assisted to pay the last tribute of affection and esteem to a brother beloved, were the Revs. Dr. Rogers, Dr. Fenwick, J. W. Bartlett and St. T. Simpson.—St. John's, Nfld. News, Oct. 30.

Miss Audrey Graves of Summerside is spending a few days with friends in Bequete. She was accompanied by Miss Mildred Silliphant and Miss Laurena McLeod.

The Guardian had a pleasant call yesterday from one of its oldest subscribers Donald McQuarrie, proprietor of the well known Mount Pleasant Farm, Bonshaw. Mr. McQuarrie has been a subscriber to the Guardian continuously for fifty-five years, a fact which probably accounts for his hale and hearty appearance and his intelligent grasp of current and historical events, at the advanced age of 77.

Pains Have Vanished. Neuralgia Completely Cured. The cure of Mrs. H. Barrett, Guthrie, P. Q., is another victory by Hood's Sarsaparilla. This great medicine has succeeded in many cases where others have utterly failed. Mrs. Barrett says: "I suffered intensely from neuralgia in the head, face and shoulders. I had used various medicines without relief. I heard of Hood's Sarsaparilla and decided to try it, and I bless the day I did. I took it several months and now feel well. All my pains have vanished."

A quiet, but very pretty wedding took place in St. Dunstan's Cathedral, Charlottetown, at 6.45 o'clock yesterday morning when Miss Annie McDonald, became the wife of Harry Larter the popular young barber of Lower Queen Street. Rev. Maurice McDonald, performed the ceremony. The bridesmaid was Miss Emily Peters and the groomsmen were Mr. Arsenault. The bride was becomingly attired in brown. After the ceremony the happy couple left on a wedding trip to St. John, N. B. and other points. Owing to the death of Rev. R. G. Strathe and the consequent vacancy in the pastorate of Zion Church, Rev. Mr. Taylor, who was engaged as supply, has terminated his engagement. The pulpit will be formally declared vacant next Sunday after which the congregation will probably take steps to secure a permanent pastor.

Madam-It's Got to be Blended or You Can't Use it for Pastry as Well as for Bread. All this talk about western wheat flours being "pastry" flours, is just plain talk. Anyone, who knows anything about wheat, knows that western wheat flour cannot, will not and does not, make as good pastry as "BEAVER" FLOUR. Any flour, which is said to be western wheat flour, and makes extra good pies and cake, will be found to be blended like "Beaver" Flour—whether it is sold as such or not. A blended flour like "BEAVER" FLOUR is the only one that is equally good for bread and pastry. You will understand WHY. Manitoba wheat has what the bakers call strength. It makes a big loaf of bread; but the bread is spongy or full of holes and lacks flavor. Ontario wheat, blended with spring wheat, makes the ideal bread and pastry flour. By combining the two in just the right proportions, we have "Beaver" Flour—a flour that makes the real home-made bread and delicious light pastry. In cities such as Toronto, where bakers have tried a blended flour, it was found that although a smaller appearing loaf was the result, the people refused the Manitoba flour bread in favor of it—and there is now no other flour used. "BEAVER" FLOUR is sold for what it is—a scientifically blended flour—the original blended flour—pure, honest, reliable. Don't bother with two kinds of flour—don't put up with heavy pastry, or flavorless bread. Order "Beaver" Flour—at your grocer's. Dealers—write us for prices on Feed, Coarse Grains and Cereals. THE T.
