Eczema Always Burning and Itching

Mr. N. Ostiguy.

Used Box of Cuticura Ointment and It Completely Disappeared.

"I have suffered from eczema for two years. The trouble began on one arm where there appeared a red spot of about a five-cent size, and it always widened, all the time itching and burning. The first days I didn't care, but seeing that it gained in size, I tried Ointment and Ointment, but both without success. It was always burning and itching. Having seen in the newspaper the advertisement of the Cuticura Remedies, I tried a little, and seeing that it improved, I bought a box of the Cuticura Ointment. After having used one box, my eczema completely disappeared. The Cuticura Ointment should be kept in every home." (Signed) N. Ostiguy, Marville, Que., Jan. 14, 1911.

CAUGHT A BAD COLD.

DEVELOPED BRONCHITIS. SHE COULD HARDLY SPEAK.

Bronchitis begins with a tightness across the chest, difficulty of breathing, hoarseness, and there is a dry, harsh, croupy cough.

After a few days mucus begins to be raised. This is at first white, but later of a greenish or yellow color and is occasionally streaked with blood.

Cure the first symptoms of bronchitis by the use of Dr. Wood's Norway Pine Syrup and thus prevent it becoming chronic and perhaps turning to consumption.

Mrs. Edward Travers, Campbellton, N.B., writes:—"I thought it my duty to write and let you know what your wonderful medicine has done for me. I caught a very bad cold which developed into bronchitis. I was so choked up I could hardly breathe. I tried many medicines but they did me no good, and I had almost given up in despair. A friend advised me to try Dr. Wood's Norway Pine Syrup, so I got a bottle and felt much better, and by the time I had taken four I was completely cured, and I can assure you I cannot say too much in its praise, as it is all you claim for it, and more."

Dr. Wood's Norway Pine Syrup is put up in a yellow wrapper; three pine trees the trade mark, price 25 cents. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

had been ill for about three months. He leaves three sons to mourn their loss. They are, Henry at home, Frank in this city, and Herbert in Winnipeg. The funeral takes place on Tuesday afternoon at two o'clock from his late residence to the Mt. Herbert Cemetery.

"The sympathy of the whole community goes out to Mrs. I. Vandierstine, Montague, in the severe loss she has sustained by her husband's death. His quiet and unassuming disposition kept him apart from all the important functions but still he took an active and intelligent interest in all that was going on. The widow loses a kind and a loving husband, the orphan niece an indulgent and thoughtful uncle and the village one of its best citizens.—M.

To the most critical eye, a Pen-Angle Sweater Coat excels any other kind in the evident care with which it was so beautifully knit and finished. The trying-on test shows it has the stylish look and snug, smooth fit you demand of your outdoor apparel. Examination of the material reveals the superfine quality of the wool yarn that makes it so fleecy, light and warm. But neither of these three superficial tests can prove how worthy these knit garments are of your preference and the famous trade-mark they bear. That proof is in the wearing of them under every outdoor condition—for hunting, boating, golfing, skating, sleighing, driving, walking. Since the Pen-Angle process knits them perfectly into lasting shape, they remain smart looking and neat-fitting; and the wear is there. PENMANS LIMITED - PARIS, CANADA UNDERWEAR HOSIEFY AND SWEATERS
