Prince Co. Midget Baseball Games

The Summerside Kinsmen Midgets are going to have their first out-of-town games next week, playing the Kinkora Midgets on Thursday, and the Wellington Midgets either on Tuesday evening or Wednesday afternoon. Both these games will take place on the High School diamond in Summerside. The local boys have been practising all spring and summer, and are expected to give a good account of themselves in these encounters.

some steps were taken to curtail crop production.

It was also recommended that the month of November be added to April as a skunk bounty month. The chill nights of late October remind Jimmie's skunk of a housing problem and he and his kind flock to farm buildings in search of a warm dry nest for the winter.

Despite the two thousand odd skunks killed for the bounty of one dollar per skunk last April the skunk family is on the increase. They have caused thousands of dollars damage to farmers and poultrymen this spring. One farmer at Annandale lost all his goslings except four he raised under a hen and were confined in a wire pen. Eleven eggs kept disappearing from under a setting goose, one at a time, until all were gone. It was not until nine goslings were taken from under another goose that the skunk was found to be the culprit. Another farmer at Fortune had two of his duck nests robbed by skunks.

The inclusion of November as a skunk bounty month will go a long way toward checking their increase although a year 'round war against the skunk tribe will have to be kept up, regardless whether or not a bounty is in effect, if this pest is to be whittled down to reasonable numbers.

Haying operations are well under way and Hun covets are beginning to show up with pleasing regularity. To date weather conditions have been very favourable. Prospects for a Ruffed Grouse, pheasants and Huns are bright at time of writing but the black duck outlook is shrouded in doubt up to the present. Some signs point that a late hatch may save the day. But the way conditions stand at this date it will be sometime between the middle and end of August before any definite statement of the duck population will be attempted.

The Chukker partridge eggs brought here at regular intervals in lots of 300 by Island Pheasants Unlimited are hatching chicks at a slightly better than 50-50 basis. The hatchability is slightly under last years shipment. To date approximately 300 chicks have been incubated with a third lot expected to break their shells a week from today. The first lot are being raised by Mr. P.A. Stewart Jones, President of Island Pheasants Unlimited and E. Frank Acorn, Secretary of that organization. They have 70 odd birds each and their brooms doses have been less than one per cent. The Chukker chicks are hardy and easily brooded. They are fed turkey starter as a ration.

Sportmen from Montague are looking after the second lot and arrangements have been made with members of the sporting fraternity from Souris to take charge of the third lot. The Chukker is much larger than the Hun averaging one and a half pounds in weight compared with less than one pound for the Hun or approximately 1 1/2 ozs. At least two more 300 egg lots are due to arrive here and it is hoped to have between seven and eight hundred Chukkers for distribution in late summer and early fall. If the Chukker doesn't become established in this province, it will not be because the sportsmen didn't use every means at their disposal to make this dream a reality.

The R.C.A.F. Red Sox climbed out of the cellar in the Summerside Baseball League last night at the High School diamond by trouncing Holman's, who are now cellar occupants, by the score of 12 to 5. The Airman went to work on Perry, Holman's starting pitcher, from the opening gun, the first three men to face him getting singles. He was relieved by Cahill in the third inning after six men had crossed the plate.

Cahill was a bit more effective but he, too, was shelled from the mound with four hits in the sixth frame. Gallant then took over effectively and subdued the rambling Red Sox but by that time the score was 12 to 3 and the game was in the Airforce bag. Greig and Foy led the hitting parade, collecting three bingles in five trips to the batters' box. Underwood and Grady got into the field. Foy pitched well throughout for the victors, limiting Holman's to six hits, well-scattered except in the third inning when Holman's bunched three of their hits to account for a trio of runs.

Table with columns: Red Sox, Greig, St. John, Foy, Cox, Baron, Matthews, Ehman, Richard, Delaney, Holman's, Waite, Underwood, K. Walker, B. Grady, Gallant, Lidstone, Walper, Coyte, Perry, Cahill, Totals. Rows: ABRHPOAE.

Summary Triple: B. Grady, Double: St. John. Runs batted in: St. John, Foy 2, Cox 3, Matthews 2, Richard 1, Waite, B. Grady 2. Stolen bases: Foy, Cox, Matthews, Underwood, Cahill. Left on bases: Red Sox 7, Holman's 2. Earned runs: Red Sox 8, Holman's 3. Hits: Off Foy, 6 in 7 innings; off Perry, 8 in 2 innings; off Cahill, 6 in 3 1/3 innings; off Gallant, 0 in 1 2/3 innings. Struck out: by Foy 7, by Cahill 6, by Perry 1, Gallant 1, off Gallant 1. Hit by pitcher: by Foy 1, by Cahill 3, by Gallant 1. Losing pitcher: Perry. Umpires: Plate, DesRoches. Bases: MacKay and Gathercole.

High-Handicap Golf Tourney Here Aug. 4-5

The 2nd annual Maritime open high-handicap golf tournament will be held again this year over the Belvedere links of the Charlottetown Golf Club. The dates are August 4th and 5th. The meet, inaugurated last year to give the "week-end" or "exercise" an opportunity to meet, fraternize and harmonize with his opposite number of another club, proved popular. Only those with club handicaps of 20 or over are permitted to enter.

In addition to prizes for the "champion" and runner-up there will be prizes for leaders in the various divisions. The meet was won last year by W. R. MacNeill of the Charlottetown Club. Committees in connection with this year's tournament include: Tournament, S. Stewart Moore; registration and entries, G. Hutchison; prizes, J. Gordon MacDonald; entertainment, O.K. Presby; and reception, Joe Dougan, Bill Boyles and Ivan Horne.

Results Of Harness Meet At Fredericton

RESULTS OF (By The Canadian Press)

FREDERICTON, July 15 - Eddy Scott, a bay stallion from Newcastle, N.B., was a straight-heat winner in the junior free-for-all, feature of a four-event light harness racing card here today.

Table with columns: Eddy Scott, Harry Direct, Free Spirit, Pine Ridge, Hustler, All American, Little Miss Chief, Waverlet, Dizzy Dean, Pocatello, Charming Guy, Senator Craigmyle, June Stout. Rows: Time: 2:10 1-5; 2:10 3-5; 2:11 4-5.

Back Stretch (Continued from Page 6) the heat won by Bud Kalmuck a \$200 pari-mutuel ticket paid off with \$198. Rankin McLaine who was present, said that's nothing. Miss Knox paid \$49 for \$20 at Montague two years ago. She had been 9-9 the first two heats and won the third. There was only one bet on her and the man who bought it for long odds remarked, "One can never tell how a horse race will turn out. A few years ago I started Rilla Bars in front of her got into a mixup, took a tumble, Rilla Bars skittered around them and won the heat. They were so bungled up by the crash by Skipper's Pride. And them to win the next two and race." Mr. Cadegan is one of the most interesting raconteurs at the track, his excellent memory and witty remarks make him very popular.

Dr. F. C. Dougan was the starter at the two afternoons race at Fredericton. We note where the winners were - 2:29 Mixed, Skipper's Pride (Harrison) 1-2; Silver Hanover (Farthing) 5-1; Richard Budlong (Barnett) 2-5; six other starters; best time 2:15 1-5 by Skipper's Pride. The Named Race was won by Chris McElwain, owned by Bob Brown and driven by Roy Barnett; Eighteen (Dewitt) 4-2; Bowden Square (Carr) 2-5; two other starters; best time 2:12 2-5. Chris McElwain was bought at the Harbourside sale for not too much money and looks like a real good pacer. In the 2:12 Mixed, the popular little Brit spot with driver Carr topped the list with 4-1; Mymie Strong (Smith) 1-5; Argot (Hood) 2-4; four other starters; time, 2:12 2-5; 2:15 3-5. The Free For All was a straight heat victory for Scott Spencer (G. Lewis), with Indiana Boy (Barnett) 2-3-2; best time 2:08 2-5, the second fastest mile stepped there since the track reopened.

A live secretary, D. Stuart Campbell, a much improved track and plenty of printers' ink has put the Sackville, N.B., now called the Tantramar Race Track on the map. Next Wednesday it will be host to the new Brunswick Racing Circuit and Secretary Campbell hopes that there are seven pacers in the Free For All, including Scott Spencer, Indiana Boy, All America, Eddie Scott, Royal Junior and McKillop. There will be twelve starters, and in the 2:25 ten, with nine in the 2:25 class. A record crowd and great racing is expected.

Oyster Bed, next Wednesday afternoon will be treated to a big surprise. The new speedway that made its bow to the public last Labor Day, has been given a real face-lifting and is classed as one of the fastest, safest and best laid out in the Province. The home stretch is over 63 feet wide, the back stretch 80 feet wide, the turns nicely graded and the footing perfect. Parkview's program of racing will be equal to the best. A list of entries will be in this paper on Monday and we are assured that the four classes will have finishes equal to any seen this season. Messrs. Amos and Alvre Gallant, popular proprietors, are assured of a large attendance, well deserved by good purses and money spent to make their plant a safe and fast one.

At the Goshen, N.Y. Grand Circuit meeting last week, Martha Doyle, a filly by Volomite won the \$15,000 Coaching Club Trotting Stake, equalling the world's record for three-year-old fillies on a half mile track. In doing so she headed Miss Tilly and Record Express in 2:05. She also won the third heat in slightly slower time. She was trained and driven by Frank Ervine. Sharing the world's record is Pearl Harbor, which set it at DeQuinn, Ill., in 1944. The three-year-old stake for pacer fillies was won by Waverly Ann in 2:07 3-5, 2:08 3-5.

A new track record was set up over the mile track night racing plant at Fairmount, Ill., when Rosemary Brooke, a three-year-old pacer owned and bred by J. F. Saint, Wallaceburg, Ont., won in 2:00 2-5. The previous record had been 2:00 3-5 made by Dr. Stanton last year.

night racing ever put on here. That was questioned, but we leave it to you to see if we are not right. The big news is out—everyone throughout the Maritimes is always watching for Old Home Week racing program which this year is fully up to the standards of the past. Over \$14,000 in purses is waiting for trotters and pacers at the Charlottetown track, August 15-16-17-18-19, with night races August 15-17-18. Take a look over the program, cut it out and get in touch with Secretary G. H. Buntain, for it will be one of the greatest race meets of all time. Mark the dates for your holidays—there is nothing can take the place of Old Home Week and Provincial Exhibition.

Myron MacArthur, Kensington, a witness of the races at Houlton, Maine, last week, has kindly sent us a score card. Here are some results: 4th race, Nancy Wyeth 2:08 1-5, 1-1; Colonel Dan 2:09 3-5, 3-2; four other starters; time, 2:09, 2:10 3-5, 3rd race—June Morning

caused by a starting gate that started too slowly. He put the blame for the break squarely on the operation of the starting gate. He said it was not the fault of driver O'Brien, Indian Land or the hoppers breaking. It was the fault of the starting judges slowing the starting gate after it was halfway down the stretch. Indian Land was in post position five and Joe was keeping his nose close to the gate so that when it moved away he could sprint for the pole position. Irving was full of fight. However, he said, "There's a Harness Writer's pace later this month and a two mile pace in August. We'll be out to win those two."

Joe O'Brien behind Indian Land won the \$5,000 free-for-all pace at the Roosevelt Raceway last night. Jimmy Creed was second, Jerry the First third, Grattan McKillop fourth, and Poplar Byrd fifth. Joe got a wonderful reception from the twenty thousand fans on hand. Indian Land was an even money favourite in the pari-mutuel.

Jim Flood sends a copy of a New York paper which comments on the \$20,000 pace at Roosevelt Raceway Friday night, July 23rd. A reporter interviewed W. W. Irving, owner of Indian Land, who said that the horse's break was
