A SPLENDID
ILLUSTRATED SOUVENIR

Suitable for ready reference in the office or home, or for mailing to friends abroad.

WHAT SIR HENRY THORNTON SAYS:

"I am very much obliged to you for the advance copies of the SOUVENIR EDITION. I congratulate you upon the excellence of the production which is really well done and full of interesting articles dealing with the Garden of the Gulf."

THE HALIFAX HERALD SAYS:

"With the compliments of The Charlottetown Guardian, we have received a brochure entitled 'The Golden Future,' setting forth the attractiveness of Prince Edward Island.

"The spirit of optimism which characterizes this publicity publication is particularly commendable, and the fact that one of the provinces of Canada, in the face of a world-wide depression, is singing a song of faith and confidence, is a good indication that this Dominion has yet many things for which to be thankful.

"Prince Edward Island, pre-eminently a farming district, has led the way in many branches of progressive farming, and also in co-operative marketing. The people are, on the whole, exceptionally contented. They invite the rest of the world to share their happiness with them. And the initiative of the Charlottetown Guardian in the publication of this strikingly illustrated little booklet is highly commendable."

PLAY SPLENDIDLY ACTED—
Practice makes perfect says the old
proverb; and so it was that after a
number of engagements, the Kelly's
Cross Dramatic Club gave perfect
rendition of the "Vanquished Squire"
on Tuesday and Thursday of last
week at the respective halls of Em-
erald and Crapaud. The throngs of
eager listeners that crowded both
halls were ample testimony of the
high standard of the drama and the
splendid execution of the various
parts. In both halls many compli-
mentary criticisms were passed upon
the merits of the actors for which
the members of the Kelly's Cross
Dramatic Club are very grateful and
wish to thank all their good patrons
for the many words of encourage-
ment. They wish to congratulate
also the people of Crapaud on the
splendid arrangement of their new
hall which might well be a credit to
any community.
