

Corns Go
Just say **Blue-jay** to your druggist

The simplest way to end a corn is Blue-jay. A touch stops the pain instantly. Then the corn loosens and comes out. Made in a colorless clear liquid (one drop does it) and in extra thin plaster. The action is the same.

THERE IS NO TIME IN THE DAY when a cup of MORSE'S TEA doesn't taste good. Some people say their best cup is the first one they take in the early morning; others, the one they have at dinner. However, it does not at all matter when you have a cup of "MORSE'S" because you will always find it good tea.

SURPRISE PARTY—The following taken from the Moncton Times:—A surprise party was given at the home of Mrs. Edith Bekkirk, Midland, on Monday evening for Mr. and Mrs. Chesley Robertson, who have been here sometime and left on Tuesday for their home in P. E. Island. About 50 friends were present. Games and music were played during the evening. Mr. Harry Jonah gave an address regretting the departure of Mr. and Mrs. Robertson being a willing helper in church and Sunday School work at Goshen while here. Miss Bernice Steeves on behalf of a large number of friends presented Mr. and Mrs. Robertson with a handsome silver butter dish and butter knife. Although taken by complete surprise Mr. Robertson on behalf of Mrs. Robertson and himself thanked the people heartily for their tokens of love and esteem and invited them all to visit them at their island home. Refreshments of ice cream and cake were served after which the party broke up wishing Mr. and Mrs. Robertson a safe trip home.

FOR YOUR ENJOYMENT if you can enjoy a good piece of bread and butter, then you will surely enjoy bread made from "Regal Flour". It was because of the quality of bread which Regal makes that people come to speak of it as "wonderful for bread". It can not only be said of "Regal" that no other flour in the world gives more loaves to the baker, but also that no flour has ever surpassed it in quality of bread produced. Carvell, Bros. would like to see this flour given a trial in every home in Charlottetown, because they are certain that when it is once tried it will speedily become a favourite. Housekeepers when ordering flour should express a desire to be supplied with "Regal". Any dealer who is not supplied with "Regal" can easily get some by calling up Carvell Bros.

DISCUSSES FUR MARKET.—Interviewed regarding the state of the American fur market, Mr. J. P. Duffus, proprietor of the Duffus Silver Fox Store of New York, who was in the city on Monday, stated that while business had been fair at the beginning of the year, a great shrinkage in prices had taken place during the summer. As a consequence of the 50 per cent ad valorem duty on all raw fox skins going in to the United States, which becomes effective this year, Mr. Duffus will have to look for his supply of silver fox furs in the United States instead of Prince Edward Island as usual. The trade is demanding today the silver typed furs and the black skins are not meeting with as ready a sale as formerly. Mr. Duffus, who conducts the only exclusive Silver Fox Fur store in New York, motored to the province a few weeks ago accompanied by his wife and a party of friends who have enjoyed their trip and visit here very much. They left yesterday in their Peerless car on return to New York.
