No American or National League games scheduled Wednesday.

The Maritime Branch Canadian Ladies' Golf Union annual Championship meet will be played over the Belvedere Links of the Charlottetown Golf Club next week.

Among the top ranking women golfers in the seaside provinces who will compete are Miss Barbara Tritts, Bridgewater, Nova Scotia champion, Miss Carline Wilson, St. Andrew's, New Brunswick champion, and also from St. Andrew's, Mrs. Blair Gordon.

The home club which has yet to declare its champion this season is expected to have a good entry list headed by such players as Mrs. W.E. Cotton, Mrs. Don Campbell, Mrs. N.H. DeBlais and Mrs. G.H. Buntin.

The five-day program will get underway Monday afternoon when the President vs. Vice-President Match will be played. The annual meeting will be held that evening.

On Tuesday afternoon the qualifying round, 18 holes, Medal play, will take place.

Wednesday morning the championship, 1st round is scheduled along with the 1st rounds of the 1st, 2nd and 3rd flights. In the afternoon the 2nd round of the championship will be played. 2nd rounds of the 1st and 2nd flights will take place.

Thursday morning the adjourned annual meeting will be held followed by driving, approaching and putting competitions. In the afternoon the championship semi-finals will take place at the conclusion of championship in the afternoon.

The four members team to represent the Maritimes in the inter-provincial competition at the Canadian Open Championship at Vancouver next month will be selected during the meet.

President of the Maritime Branch of the C.L.G.U. is Mrs. G.H. Buntin, Charlottetown, while the other island members of the Executive is Miss Aethel, Laird, chairman of Inter-Provincial Teams' Committee, also of Charlottetown.

Prizes will include the Championship cup and prize for the runner-up.

There will be a prize for the best gross score, Qualifying Round, and one for the best net score Qualifying Round. There will also be prizes for all flights.

Visitors Win Hoop Game At S'Side

A combination of Air Cadets from St. John's, Newfoundland, Grand Falls, New Brunswick, Moncton, N.B., and Windsor N.S., played the Summerside High School in a game of basketball and were too many for the local boys, trouncing them by the score of 42 to 35. The game was at the airport. The shooting of the home boys was the main factor in their defeat. They sank one foul shot out of ten, while the cadets from the other three Maritime Provinces were putting two out of four. The shooting for field goals was about the same story.

The following were the point-men:—Visitors—Baddock, Nfld.; McCloskey, Grand Falls; 9; West, Windsor N.S.; Jones, Nfld.; Grant, Moncton, 5.

Summerside High: Clive Macdonald, 6; Alan Stewart, 4; Maynard Schurman, 4; Kenny Grant 1.

Central Ontario Weak In Support Of Empire Games

By W.R. WHEATLEY

MONTREAL, July 13—(CP)—George Machum, president of the British Empire Games Association of Canada, said today that financial co-operation by Central Ontario, expected to supply many athletes for the New Zealand games, "has been very poor."

"This must be remedied at once if this area expects to see its athletes chosen for the team," said Machum.

He reported Vancouver and Montreal committees working hard, pledges of financial assistance already received from Saskatchewan, New Brunswick and Prince Edward Island.

But Ontario, which will stage Friday and Saturday at Toronto the Dominion track and field championships and the Empire Games trials, has been the most laggard.

At the same time, Machum expressed confidence that necessary funds—a minimum of \$150,000—will be raised to send a full complement of 62 athletes and 10 officials to the games if every section of the country does its share.

N. S. Willingdon Cup Team Named

HALIFAX, July 13—(CP)—The top four three Maritime Nova Scotia amateur golf championships tonight were picked to represent the Province at the inter-provincial Willingdon Cup team matches at Riverside, N.B., July 20-22.

The four are Eddie Crowell, New Scotia champion, and teen-ager Bonnie McCallum of Halifax, Ashburn and A.W. (Pud) Carter and Rex Jourdey of Dartmouth, Brightwood. All are Halifaxians.

Pyle To Meet N. B. Middleweight Champ

FREDERICTON, July 13—(CP)—Charlie Pyle of New Waterford, N.S., will meet Yvon Durelle of Chatham, N.B., claimant to the New Brunswick middleweight boxing title in the 10-round main bout of a five-evening card here today.

A few weeks ago Pyle, who plays the outfield for Fredericton Capitals of the York County Senior Baseball League, stopped Jake McDonald of Chatham, N.B., another contender for the crown.

In the semi-final, Jimmy Wood of Minton, N.B., will tackle Benny Woods of Saint John, N.B., former Maritime lightweight champion.

Beau Jack Wins Decision

WASHINGTON, July 13—(AP)—New York's Beau Jack, swarming over his opponent with a constant barrage of vicious wallops, tonight pounded out an unanimous decision over Eddie Gioia of Philadelphia in a 10-round bout at Griffith Stadium.

Jack weighed 139 1-2; Gioia 139 1-2.

The victory was Jack's seventh straight in Washington and stopped Gioia's seven-bout winning streak.

The skinnily-legged Jack, a former lightweight champ, showed signs of old-time form in dispositions of vicious wallops, which he used to call to attention to his ring craftsmanship to win. There were no knock-downs.

A crowd of about 3,000 paid a gross of \$6,752.25.

Sensational Racing Features Meet At Covehead Yesterday

Blanket finishes, stunning upsets, and electrifying stretch battles that kept a capacity crowd in a near frenzy were part and parcel of the harness racing meeting at Covehead race track yesterday afternoon as the 35 trotters and pacers, competing in the four-class card furnished the rabid fans with a thrill packed four hours of the "Sport of Kings."

Covehead has been the scene of many stirring racing duels but yesterday's program was just about the best from every standpoint. Out of the four pre-race favorites only one came through, and Prince Budlong, in winning the No. 2 event was forced to go an extra heat before coping the honors. Buddy Budlong, Bee Budlong and Tiny Budlong, the other winners, racing at top form threw the experts for a loss as they paid off two dollar ticket holders with \$44.00, \$25.00 and \$11.00 respectively as they came through with their opening heat victories, with Bee and Tiny making their victories conclusive as they headed their fields in all three miles.

White Buddy trotted away with the first two heats before dropping back to third in the final.

But adding to the program of upsets was that old campaigner, Lee Brewer, who came through with an amazing feat of speed in the third mile of the No. 2 event to win the heat, send the race into an extra mile and pay off holders of two dollar parimutuel tickets with a total of \$64.00.

There was nothing to win the first heat of the Classified Trot after finishing ninth and seventh, while Billie Conn, pacing a storm from the three quarters pole home, increased the tempo following by capturing the first heat of the No. 2 event in a blanket finish with four other horses, a finish so close that a photo finish picture was necessary to split all five of them.

It was racing of the highest order all afternoon. As has been the case all season long, battles for position were going on every part of each mile with positions changing rapidly, so rapidly in fact that fans had a hard time following the fields around; and in the torrid displays of speed four horses took new win race records.

Buddy Budlong, trotting beautifully lowered his mark to 2:15 in the first heat of No. 1 event; Bee Budlong given sensational drives by young Joe Hennessey reduced her mark to 2:13 2/5 in the first heat of No. 3 Classified Pace; further reduced it to 2:13 in another race the last mile in 2:13 2/5 in her most outstanding display of the season.

Young veteran of the race game Teddy Weir, today showed his class by winning the first mile of the No. 4 event, an event that saw Weir giving an outstanding display of horsemanship in taking his pacer home in front in all three heats, after staving off challenges almost every step of the way.

No. 1 Classified Trot

Ten trotters, headed by the pre-race favorite Baron gave the fans three thrill packed miles as they battled it out from wire to wire in all trips. Going away for the first mile Billy Aubrey took over the lead but as the tempo increased nine of them were thickly bunched at the three quarters pole. They all had a chance but in the dash to the wire Buddy outfooted strong opposition.

Headed the field and Feather Duster out in a line for the first half of the second trip, the field again off their various tournaments one after the other in rapid succession. The most recent one was the singles tourney which was completed there on Tuesday night and won by Ambrose Doyle who went undefeated in 13 games played.

The Club pitches have been the scene of some really keen competition during that time, and with always a large list of entries, their activities have been highly successful this season, and the game is becoming increasingly popular in the City, and competition is expected to be even closer during the balance of the season.

Eddie Crowell Wins N. S. Golf Championship

HALIFAX, July 13—(CP)—Eddie Crowell of the host Ashburn Club today won the Nova Scotia amateur golf championship while Kas Zabowski, also of Ashburn, took the Provincial professional title.

Crowell toured his home course in six-over-par 73 to finish with a 285 for the 72-hole contest. He had a five-stroke margin over second-place Pud Carter of Dartmouth Brightwood. Third place went to teen-ager Bonnie McCallum of Ashburn with a 293. McCallum is just a week out of junior ranks.

Zabowski also had a 285 total in winning the pro championship. Young Bobby Rae, a New Glasgow caddy, won the junior title with a 314.

Bob Harvey of Winnipeg, assistant pro at Ashburn who led the field by one stroke after the first 18 holes, finished second nine strokes behind Zabowski. Ginny Knox of Sydney Lingan was third with 302.

Rex Jourdey of Dartmouth finished fourth in the amateur field by firing a one-over-par 68 today. Nesbit (Nip) Ross of Sydney, who led the first day and was in second spot yesterday, blew himself to a 79 today to finish fifth with 296.

Par was not broken or equalled during the third-day tourney. Best score was 68. Crowell had one of these on his third round and 74, 70 and 73.

In the professional division Jim Walker of Amherst (formerly of Charlottetown) was in seventh place with 308.

In the fourth division of the amateur section, Howard Macinnis, Charlottetown, finished 9th with 381.

No. 3 Classified Pace

Bee Budlong, handled expertly by Joe Hennessey, reached the peak of her form as she won all three heats of the event. In the first mile she was far back going out the back side on the second trip. Driver Hennessey took her out near the three quarter mark and pacing like a well oiled machine she drew up on even terms with the favored Abner Britton halfway down the stretch before passing to the front. Again she followed a trail in the second heat until the latter stages, Bee put on another display of pacing power to again head the field in the dash to the wire with veteran Marjorie Budlong moving up to contend for the Indians since the same thing in the final mile. Hennessey shook her up earlier in the mile and she responded by moving down the field of nine to win comfortably with Marjorie again being runner-up in a dual with Lucky Number and Just Flicka.

No. 4 Classified Trot & Pace

Tiny Budlong had just too much pace for the field of nine in the windup class on the card. Driver, Teddy Weir took his pacer to the front at the second turn of the first mile to both have post a winning one from there on. He was continually challenged but had enough left to win by half a length, as Joey Harvester came from far back to nearly make the grade. Tiny went to the front right from the start of the second mile. Calumet Onward made an early bid before taking back; Joey Harvester tried it at the three quarters without success and both Joey and Calumet again tried it in the stretch but both had to yield to the smooth pacing leader.

It was much the same story in the final heat. Tim O'Shanko took up the challenge with Calumet Onward in this mile but fared off little better. As they hit into the stretch driver Weir had Tiny out front and in the race to the wire Tiny actually increased his margin over the two closest challengers.

The entire card was run off in (Continued on Page 7)

Pittsburgh Wins Exhibition Game From Cleveland

CLEVELAND, July 13—(AP)—Pitcher Don Black tonight hurled his first game for the Indians since he suffered a near-fatal brain hemorrhage last year, but lost 1-0 to Pittsburgh Pirates of the National League in an exhibition game.

Black had pleaded with manager Lou Boudreau of the American League Club for a chance to show what he had. He allowed the Pirates only one run, on three hits, but that was the only run of the game.

He was relieved in the third inning by Sam Zolack.

Pittsburgh (N) 010 000 000—11 1 Cleveland (A) 000 000 000—0 3 1

Post and Fitzgerald; Black; Zolack (3) Benton (7) Paige (8) Gromek (9) and Hegan, Tresh (7).

Mr. G. G. Hughes To Represent This Province On Tour Of Scotland

At a special executive meeting of the Prince Edward Island Curling Association held yesterday, Mr. G. G. Hughes of Charlottetown was unanimously delegated to represent the Province at the forthcoming Canadian Curlers Tour to Scotland, in which 50 curlers in all will be leaving Canada on or about September 28th and returning around the 6th of February.

Mr. Hughes, who accepted the nomination, is an experienced and expert curler and one of the oldest and most ardent curlers in the Province as well as being a prominent and successful businessman. He will be a worthy representative for Prince Edward Island among the touring Canadian curlers.

At the invitation of Hon. Thane A. Campbell, the special meeting was held at his summer residence at Stanley Bridge, and before the visiting members got down to business their host took them on a very delightful tour of his flower garden, shrubbery, rock gardens and terrace lawns located on his beautifully kept grounds surrounding his residence.

During the meeting, a report and financial statement was given on the last Confederation Bonspiel, and certain plans were agreed to in connection with the 1950 Bonspiel.

The general executive committee was authorized to design a new curling badge for the P. E. I. Curling Association. This badge is to have a map of P. E. I. as the main and brooms making up the design. It was decided that this badge would be used for the 1950 Confederation Bonspiel.

The following are those who attended yesterday's meeting as representatives of the various curling clubs in the Province:—Judge C. St. Clair Trainer and L. H. Poole, Montague; Dr. H. Clark and C. E. Corney, Summerside; F. R. McLane, J. A. Fraser, Dr. H. McIntyre, G. G. Hughes and J. F. MacLeod, Secretary, P.E.I. Curling Association, Charlottetown.

E. F. Acorn Memorial Inaugurated

The E.F. Acorn Memorial Prizes to be awarded annually to the three leading drivers in local night racing meets has been inaugurated here, it was learned yesterday.

The prizes will be presented annually to the drivers compiling the most points during the course of the season, with the sum of \$25.00 going to the second place winner and \$10.00 to the driver landing in third place.

Points will be computed on a percentage basis with a driver to become eligible having to compete in five or more races.

The memorial, inaugurated by Frank Acorn, son of the late E. F. and manager of Ed's Taxi, will create a lot of competition between the drivers and add greatly to night racing meetings. The late Ed Acorn, for years one of the outstanding starters in the Maritimes, was one of the most popular figures in harness racing circles and despite failing health in his later years, kept up his keen interest in the game and if his health permitted at all was always to be seen wherever harness racing horses and horsemen gathered.

The memorial will keep alive memories of a man who did much for the sport in his native Province.

SAYS ATOM SHELTERS SAFE UNDER ATTACK

BRIGHTON, England, July 13—(CP)—If the atom war comes Britain can provide effective shelters, Maj.-Gen. S.F. Irwin, civil defence chief, told a conference of fire chiefs here.

"Providing shelters against the atom bomb is not as difficult as providing shelters against deep penetration high explosives," Irwin said. "We know the type of shelter required and the thickness. What we do not know yet is where to put them."

REMEMBER WHEN

By The Canadian Press

Syl Apps, wearing colors of the colors of the Hamilton Olympic Club, won the pole vault at the British Empire Games trials 15 years ago today at Hamilton and qualified for a place on the Canadian team to visit London.

He finished first at London Apps gave up track and field in 1936, signing a professional hockey contract with Toronto Maple Leafs.
