### Bristol And Vicinity

Mrs. William Ranahan, Morell  
East has received word from her  
son Frank, Able Seaman in the  
Royal Canadian Navy that he had  
arrived at an Eastern Canadian  
port from Europe for the first time  
in more than a year. Frank did not  
state if he would visit his home or  
say how long his ship would be in  
Canada.

Mrs. Annabella Doucette arrived  
home from Montreal on Saturday  
after spending several months with  
her sisters there.

Rev. Phalen McKenna left last  
week for Boston to spend his va-  
cation. He is being replaced here  
by Rev. Fr. Sullivan, of St. Dun-  
stons College Staff.

Mr. Kempus Harrington left last  
week for Halifax and is reported  
employed on war work there.

Mr. George Cullen, Morell, left  
last week for Halifax where he has  
found employment.

Mr. Dess McPherson and Mr. W.  
A. O'Brien, of the Staff of R. T.  
Holman, Limited were business  
visitors in Morell last week.

Miss Mary McVarish has entered  
the Charlottetown Hospital for  
treatment.

Pte. Gerald Barry, who collapsed  
on the street in Charlottetown some  
time ago is still confined to his  
room.

Mr. Harry Hooper, proprietor  
Bristol Saw Mills, is filling some

lumber orders in the City at pres-  
ent.

Hundreds of choice fresh mack-  
erel were thrown away on Friday  
by the fishermen as there is no  
market for them and it was not  
considered worth while salting them.  
Several hundred were sold at one  
cent each.

Miss Lottie Hughes, Boston, and  
Miss Patsy Docherty of the same  
place have arrived in Bristol to  
spend the summer months at Miss  
Hughes' summer home here. Miss  
Hughes says there is no place like  
the Island to spend a holiday away  
from the rushing city mob. Her sis-  
ter, Mrs. Docherty, will arrive in  
July and remain for some time.

Mr. Frank Alyward, who was em-  
ployed with the Imperial Oil Com-  
pany for several years before he

decided to return to College, has  
again taken a position with the  
company for his vacation.

Mrs. Gordon McEwen, Halifax, N.  
S., is spending a few days in Mor-  
rell, guest of Mr. and Mrs. Frank  
McEwen.

The schools will close here this  
week for the summer holidays. Some  
districts will only take six weeks  
now and two in the fall but here  
and in the graded school at Morell,  
the full two months will be taken  
with the opening date about Aug-  
ust 27th.

Welcome visitors here last week  
were the road crew with tractor,  
machine and men to repair the  
roads leading to St. Peter's Har-  
bor. Both the east and west roads  
were in a deplorable state. What  
is known as the Mill Road was al-

most impassable. Several other by-  
roads here have been neglected this  
spring and the McVarish Road has  
never been scraped this season de-  
spite the fact the power machine  
has passed along a dozen times and  
scraped other roads.

Owing to the wet cold weather  
there is still considerable farming  
to be done yet.

Mr. and Mrs. George Hooper leave  
shortly for a motor trip to various  
parts of the United States and ex-  
pect to be away for more than a  
month arriving in Boston, for the  
big July 4th celebration.

Mr. William Hawbolt of this dis-  
trict has the oldest team of horses  
around in this district or herea-  
round. One horse is thirty-one years  
old and the other thirty, and both  
are in fine condition. Mr. Hawbolt  
has no other horses and has to do  
all his farm work with them and  
all his hauling in the winter months.

Mr. Hawbolt takes pride in these  
old steeds because he raised them.  
It is worth any horse lover's time  
to visit Mr. Hawbolt's farm here and  
see this fine team working day af-  
ter day in all types of machines.  
Has anyone got a team that is  
older?
