

THE CAPITAL OF THE WEST

Latest From Summerside and Prince County.

FRED. GOUGH of Newcastle, N. B., spent Dominion Day at his old home, Summerside.

THERE is a break (in the water between Indian Head and the lighthouse, which needs remedying.

In the three minute class, or named race on the Summer-side Driving Park on Dominion Day Robert Wilkes, owned by B. W. Tanton won first place; Lenora, owned by Jas. A. Sharp, Summerside, second and Wiley G., owned by Collins Craswell, St. Eleonors, third.

About ten dozen of dainty snow white shirt waists, the real values are \$1.00, \$1.25, \$1.50 up to \$3.50 each. All of them are the newest and most desirable styles for this season. Some with broad bands of open-work insertion down front, cuffs and collar. Others with fine pleats, front and back, neatly hemstitched, others all-over lace effect muslins. Some made plain with fine tucks. Altogether a most beautiful line of white waists. Colored waists, latest styles, all colors and prices.—McGougan & Wright for ready made goods.

Three most important places in the world, said a citizen the other day, are London, Summerside and Charlottetown. The writer naturally asked why? "Because," said he, "today people from all over the world are crowding in the largest city of the world to witness the celebration of the coronation of the sovereign of the greatest Empire the world has ever seen. And today trains and steamers are being arranged so that the travelling public may be hurried from the Pacific Coast, and all parts of the universe direct to Charlottetown with scarcely a stop anywhere en route." "Yes, and what about Summerside?" "Well," he concluded, "there are more people gathered at the Summerside wharf and railway station than any other place in the world."

BROOKLYN, N. Y., June 20.—A Brooklyn jury gave Mrs. Caroline Peterson \$400 damages for injuries inflicted by "Tiger," a huge mastiff, owned by Charles Schlicht, a wealthy butcher. Mrs. Peterson had testified that she was attacked by the dog and seriously injured in January 1900. She sued for \$25,000. The mastiff was brought into Court, whereupon Mrs. Peterson was seized with hysteria.

NEW YORK, June 30.—A special cable to The Times says that the London Times explains that the new Order of Merit founded by the King is on the lines of the well-known Prussian order. It will include British subjects who have won distinction in the naval and military services.

ANOTHER GERMAN CABLE.

BERLIN, June 30.—At a meeting today of the stock holders of the German Atlantic Cable Company, the proposition of the directors of the company to issue 20,000,000 marks (\$5,000,000) in bonds to lay a second cable between Germany and the United States was accepted.
