THE Harrington & Zeva's Comedy Company in the Lyceum on Wednesday the 28th. Lots of fun, new songs, dances, music, moving pictures beside their entertainment entitled, Begone Dull Care.

THE entertainment in St. Peter's School room on to-morrow night will assuredly be one of the best of the kind ever given here. The programme is made up of vocal and instrumental music and readings by favorite performers and several others new to Charlottetown audiences. The Shadow Pantomimes are novel and amusing. Admission 15 cents. Arrange to attend.

A NOVELTY in fruit growing is to be seen in the orchard of James Kennedy, Southport. About four or five years ago, Mr. Kennedy says the top was broken off an apple tree by the snow. Without giving much thought to the matter Mr. Kennedy took the broken limb and stuck it in the ground near by to the injured tree. What was his surprise in the course of several years to find excellent apples growing on the broken limb. The strangest part however is that the apples on the old tree were small resembling Alexanders while those on the limb were large, red and much like Duchess. Mr. Kennedy several days ago brought specimens off both trees to the Guardian office where they may be seen. He would like to have an explanation of this curious incident from some of our prominent horticulturalists.

ONE of the prettiest weddings that Gagetown has seen in recent years took place in the Episcopal church at that place at three o'clock Thursday afternoon. The contracting parties were Percy Howard Barnett, an enterprising and popular young farmer of Kingsclear, and Miss Carrie Peters, second daughter of Mr. and Mrs. T. Sherman Peters, of Gagetown, and niece of Hon. Arthur Peters, Premier of P. E. Island. The edifice, which was very prettily decorated for the occasion, was crowded to the doors with friends of the young couple. The nuptial knot was tied by Rev. Mr. Spencer, rector of Gagetown, assisted by Rev. Mr. Armstrong. Dr. O. R. Peters, of Digby, N. S., brother of the bride, was groomsmen, and the Misses Louise, Pearl and Ruby Peters, sisters of the bride, were bridesmaids. The ushers were Capt. B. R. Armstrong, of St. John, and Dr. J. J. S. The bride's father gave her in marriage. Mr. and Mrs. Barnett drove to Welsford and went on an extended bridal tour through the eastern States. Upon their return they will take up their residence on what is known as the Rannay Murray farm at Kingsclear.—Fredericton Herald.

EASTERN NOTES.—The weather is turning stormy rendering harvesting and fishing operations difficult. The last is very irregular, plenty lake one day, none the next, dog fish the same, while squid the best bait for hake is here likewise at irregular intervals. The hunt for mackerel is nearly given up in despair and they may be put down now as a failure, a bad blow to fishermen and all, and it is now certain that the body of the last few years never came into our Gulf this season. Probably on their way here in the spring the schools were broken and many of them caught by the American purse seiners which have wrought such havoc with the once magnificent North Atlantic and Gulf mackerel fisheries. Fishermen here of skill, enterprise and experience, have hunted our waters in all directions nearly in vain, and two of our oldest veterans, William Young and Alex. Fraser who for many years "had braved the battle and the breeze" made an attempt to find them as they did years ago but the fish defied all the arts that charmed them in the days of old—John and Mr. Dewar, now of Charlottetown, have been visiting their friends here—Jas. G. McLeod is also being visited by—Our sons who have gone to the Western harvest fields report work at good wages close to Winnipeg, but the necessities of life much dearer than at home.—Harvie Mellick lost two fingers of his left hand by the saw in Rose's mill on 16th inst.

Although an octogenarian he has every expectation of returning to Scotland the land that has given him birth. It is pleasing to learn that one of our talented young men has accepted a position with a city journal.—P. J. D. Edmunds, Summersville, and Mr. Williams, Alberry Plains, left Monday morning on a visit to the St. John exhibition.—A certain scholar is of the late school teacher in Vernon River who was forever repeating to the children: "Think twice before you speak." They all knew it by heart, and was heartily tired of it too. One cool morning the teacher backed close to the big stove after having uttered his famous adage, when a little girl on the front seat said: "Mr. H. I've thought once." "Think again" he replied. "Mr. I've thought twice." "Well then speak your thought." "Yes Sir, I thought your coat tail was scorched and now I think it is ablaze."

ARE YOU NEARING THE TURN OF LIFE.

Unmistakeable signs of "the change" are Headache, Sleepless Nights, Nervousness, Hysteria, and Melancholia—Watch for these Symptoms if past forty-five.

When the turn or change of life makes its appearance you will notice severe pains shooting through the loins. As a rule the change is gradual. In most cases it is marked by irregularity of the menstrual flow. It is most important to maintain as high a degree of vigor as possible. All strength should be conserved, and Ferrone should be taken three times daily until the crisis is past. Ferrone is not only acts on the blood, giving it purity and richness, but acts directly on the womanly organs in such a way as to lessen the strain and severity of this trying time.

Mrs. Martha M. Macadam, of St. George, writes: "About two years ago I was getting run down and fit as I was going to die, and had the most dreadful pains, ever, month. Irregularly that I never had before commenced and I didn't know what was wrong. I consulted the doctor and learned I was approaching a very critical time. I started on a course of Ferrone, and took one tablet along with every meal for about six months. Ferrone had a direct action, and helped me immensely. My nervousness went away, and so did all the other worrying symptoms. Ferrone is a remedy that all women should use, because it insures regular freedom from pain and headache. It is a remarkable re-builder and tonic, and saw me safely through my trouble." Ferrone is exactly the remedy you need. Don't be deceived by unscrupulous dealers who may try to sell you a base substitute that will do you no profit. Insist on Ferrone. Price 20c per box, or six boxes for \$2.50, at all druggists or by mail, from The Ferrone Company, Kingston, Ont.
