BUSTER CRABBE in **TARZAN THE FEARLESS**

ADDED LOUISE FAZENDA IN A "LAFF" RIOT "STUNG AGAIN"

TARZAN CLUB SATURDAY, 3 P. M.

Action, Serial, Comedy At Capitol

Action, pictorial and feminine beauty, and a "different" western story are the outstanding features of Tom Mix's latest picture, "Flaming Guns," the Peter B. Kyne epic, which opened yesterday at the Capitol Theatre.

If you like the hard riding of Tom Mix, coupled with sensational marksmanship and hand-to-hand fights—if you like spectacular chases—if you like the moving natural pageantry of the Mount Whitney country, and if you like beautiful brunette leading women—by all means see "Flaming Guns." This latest Mix vehicle, from the opening, where Tom appears as an ex-sergeant of infantry during the World war, to the end, is a whirlwind of action.

There is a spectacular stampede of cattle when Tom outwits the outlaws and captures them single-handed. Later, there is a stampede of motorcycle policemen when they try to prevent Tom's elopement.

Enough cannot be said of the performance of Tony, Jr., who proves to be the wonderful successor of Tony, wonder horse of the screen. His training and intelligence are both in evidence.

The outstanding feature of the story is its humor. Tom gets most of the laughs, with Miss Hall, William Farnum, Clarence H. Wilson and George Hackathorne sharing them. A western containing real humor is a pleasant change. Duke Lee, as a villainous cowman, does a splendid job. Don't miss "Flaming Guns."

"Tarzan the Fearless" is thrilling in Chapter Seven of the popular serial.

New Charlie Chan Mystery At Prince Edward

Warner Oland is Charlie Chan, and Charlie Chan is Warner Oland. The famous characterization by this equally famous actor has achieved so staunch a following that the names have become synonymous. His latest is in "Charlie Chan's Greatest Case," the new Fox production that opened yesterday at the Prince Edward Theatre, and he grows in stature to a tremendous degree.

This picture is by far the best of the Charlie Chan saga, and gives Oland the chance of his life to show that he is one of the screen's outstanding performers. In the leading feminine role, Heather Angel gets a head start on her career as a potential star. She is a splendid actress, and as attractive and charming as anything we have recently seen in pictures.

The cast is a splendid one and includes Roger Imhoff, John Warburton, Walter Byron, Ivan Simpson, Virginia Cherrill, Francis Ford, Robert Warwick and Gloria Roy, Hamilton MacFadden's direction from Lester Cole's and Marion Orth's adaption of the Earl Derr Biggers story, is superb.

Eggs, in the Grading and Marking of Eggs regulations, means eggs in the shell intended for human consumption and not intended for incubation.

Although Canada stands third to the United States and Russia among the wheat producing countries of the world, she is normally first among the wheat exporting nations.

U.S. Government Would Unify Communications

WASHINGTON, Dec. 13.—(A.P.)—A place was tentatively reserved today on the United States Government's legislative programme for a statute which would unify communication agencies—radio, telephone and telegraph — under the strict control of a new governmental unit.

President Roosevelt is studying the preliminary report of an inter-departmental committee which indicated it might be best to give the communication systems virtual monopolies and then regulate them through a Federal Commission.

Alternatives listed in the report to Mr. Roosevelt were continuation of the present arrangement, or outright government ownership. It was indicated the facts gathered would show that a change was needed but that the change should not put the government in the communications business.

Modification Of Empire Pacts Being Sought

LONDON, Dec. 13.—(C.P. Cable)—No confirmation could be obtained in official circles today for a suggestion by a London newspaper that fresh discussions were taking place between the United Kingdom and the Dominions for voluntary modification of the intra-Empire Trade Pacts signed at the Imperial Economic Conference at Ottawa last year.

At the time of the World Economic Conference here last summer negotiations were begun for a reduction of Dominion imports into Great Britain, on certain classes of products, with a view to meeting the difficulties being encountered by British agriculture.

It is understood these discussions are proceeding on the basis of negotiation between the United Kingdom and the Dominions separately and the extent to which these discussions are successful will be the extent to which the Ottawa agreements are voluntarily modified, but there is no general negotiation for all round modification.

Finland Women Respect Their Status

MONTREAL, Dec. 13—(C.P.)—Women in Finland obtained the suffrage in 1906 without any breaking of windows or using other signs of force, Mrs. Cecilia Hasselstrom, who represented Finland at the international meeting of Business and Professional Women's Clubs at Chatauqua, N. Y., last summer, informed a gathering of business and professional women here.

It was the men, she said, who suggested the vote to show their appreciation of the way in which women had borne their share in the struggles of the country. Mutual respect and co-operation between the sexes existed in Finland, she pointed out. In Parliament where there are about 200 members, 10 percent are women, including the Minister of Social Affairs.

If you were to go to Finland, you would find women dentists, doctors, teachers, judges, engineers, architects, tellers in banks, conductors and even masons. Children in her country were extremely well looked after, in fact, Mrs. Hasselstrom said she had prophesied that if the various organizations now operating for the welfare of children kept on increasing there would be need of a society for the protection of children from welfare societies.

Mrs. Hasselstrom, who has been on the staff of the largest Finnish newspaper, the Huforidstads Bladet for 20 years is now acting as that paper's correspondent during her stay in New York where her husband is doing medical research work at Columbia University.

She was the first president of the Business and Professional Women's Club which Miss Dorothy Heneker founded in Helsingfors three years ago. Miss Heneker was the first president of the Montreal club and is now holding an important position on the executive of the world federation. It was a great delight and like a dream come true to be in Dorothy Heneker's town speaking to her home club, Mrs. Hasselstrom said. "We think of Dorothy Heneker," she added, "as the link between your country and ours."

The Helsingfors club boasts of a membership of 200 and last year organized a training class for professional guides with a view to making their own country and city better known to tourists. Eighty qualified, 46 women and 34 men.

Steam Flow Conditions In Ontario

OTTAWA, Dec. 14—The Dominion Water Power and Hydrometric Bureau of the Department of the Interior reports that the run-off of streams throughout Ontario during September was very much below the average. In southwestern Ontario the run-off, as indicated by the records of the Grand river at Galt, was only 21 per cent of the September average, whilst in the eastern portion of the province it was 33 per cent judging by the flow of the Moira river at Foxboro. In the North Bay district the flow of the Maganatawan river indicates a flow 36 per cent, whilst in the northern district the flow of hte Missinaibi river at Mattice indicates a flow of only 18 per cent of the normal September run-off.

EGLINGTON AND HOWE BAY INSTITUTE

The regular monthly meeting of Eglington and Howe Bay Institute met at the home of Mrs. J. H. McKie on Dec. 6th. The meeting opened by singing of Ode and repeating Creed. Eighteen members responded to roll call by standing on one foot while threading a needle. One new member joined. There were several visitors present. Minutes of previous meeting were read and approved. Treasurer's report also approved. The committees gave very satisfactory reports. It was decided that $5.00 be voted for buying presents for Christmas tree in Howe Bay School and $6.00 for Eglington. Mrs. Howard Wood invited the members to her home for their next meeting at which roll call is to be answered by giving a nickel.

A guessing contest was put on by the President, Mrs. J. G. McDonald and Miss Rena Mills, the prize being won by Miss Alice Morrow. $2.00 was realized from same by paying a nickel for each guess. Mrs. Reid Underhay, Miss Ellen Stead and Mr. Brent Stead gave several pleasing musical selections. It was decided that each member give a recitation at next meeting, a prize to be awarded for the best. The meeting closed by singing National Anthem after which lunch was served by the hostess and the remainder of evening pleasantly spent.

FRY'S COCOA CONTEST RESULTS

The Contest, to determine the order of popularity of 10 different times to use Fry's Cocoa, proved so popular that entries have reached the HUGE FINAL TOTAL OF 68,454.

Here is the Order of Popularity, as Recorded by Popular Vote:

1. For Children at all times 2. For Breakfast 3. For a Bedtime Drink 4. For Convalescents 5. For a Warming Drink 6. For Athletes 7. For Lunch 8. For Supper 9. For Iced Drinks 10. For a Vacuum Bottle

There were 314 Prize Winners

Due to TIES, it has been necessary to pool the prize money, in accordance with the terms of the Contest. As the number of Prize Winners exceeds the number of Prizes originally provided for in the Contest, the prize money has been increased to take care of the extra winners. Cheques have been mailed to all winners.

There were 167 Successful Contestants in Eastern Canada as follows:

Winners—$48.70 each

Bagnell, Mabel I. ....Box 188, Bowmanville, Ont.

Increase Of Newsprint Increase Of Subscriptions

With reference to the increase in the cost of newsprint announced in yesterday's Canadian Press as the result of the newsprint industry's agreement with Washington under the National Recovery Act:—

The Circulation Managers under the Canadian Daily Newspaper Association has adopted the following recommendation made by the Rate Committee:

(A) All newspapers increase their carrier delivery rate to 15c per week in all territory except the city of Toronto carriers zone.

(B) That there be a minimum mail and truck rate of $5.00 per year for all publications except the Toronto and London morning papers and the Hamilton Spectator, which will increase their mail and truck rate to a minimum of $6 per year.

In this connection it will be recalled in the issue of the Guardian of December 6 the following telegram appeared:

INCREASE IN PRICE OF NEWSPRINT

TORONTO, December 5—In consequence of the agreement entered into at Washington under the N.R.A., by the Newsprint Manufacturers, it is announced there will be a considerable advance in the price of newsprint in Canada in the beginning of the year. Prices at present are considerably higher than pre-war, but below the average of the past ten years. An increase in newsprint now will tell severely upon newspapers in Canada, which are suffering from greatly reduced revenues due to so many industries cutting down on their advertising because of the uncertainties of finding markets for their production. It is indicated here among newspaper representatives that an increase in the cost of newsprint will involve an increase in subscription rates or the elimination of those papers which, since 1930, have been carrying on at a loss in the hope of improved conditions.

It is anticipated the price of newsprint will be increased $20.00 per ton during the coming year.

Subscribers would be well advised to pay their subscriptions at once to avoid having to pay the increase anticipated to go into effect early in 1934.

WEDDING BELLS

A pretty autumn wedding took place at St. James Roman Catholic Church, Georgetown, on Wednesday last when Catherine M. Fraser, eldest daughter of Mr. and Mrs. Harry Fraser, Georgetown, was united in holy bonds of matrimony to Mr. Wm. S. Martell of Georgetown, son of Mr. and Mrs. George Martell, Panmure Island, Rev. O. Kiggins officiating. The bride looked winsome gowned in white satin and silk lace with white hat and other accessories to match and a silver muskrat coat with brown cuffs and collar.

Miss Millicient Fraser, sister of the bride prettily dressed in blue silk with hat to match, was bridesmaid, and Mr. Neil Wright of Georgetown ably supported the groom.

The bride's gift to the bridesmaid was a white gold wrist watch and the groom's gift to the groomsman a set of gold cuff links, and to the bride a substantial cheque.

After the ceremony the wedding party motored to the home of the bride's parents, where a sumptuous breakfast was served to relatives of the young couple, after which the bridal party motored to Charlottetown where a wedding dinner was served at C. N. H., after which bridesmaid and groomsman returned home while bride and groom continued on a wedding trip. The bride's travelling dress was brown crepe de chine with brown hat to match and silver muskrat coat.

A few evenings previous to the marriage a shower was tendered the bride by her many friends followed by a dance and tea in St. James' Parish Hall, the hall being prettily decorated in white and pink for the occasion. The presents were many and costly, which testifies to the high esteem in which the bride and groom are held by the citizens of Georgetown, among them a cabinet of Rogers silver from bride's brother, Mrs. John D. Fraser, clerk of the Civil Service, Ottawa, also a cabinet of silver from her younger brother, Kenneth Fraser of the C. N. R., Georgetown; also a pair of white woollen blankets from the bride's parents.

MRS. ALEXANDER CAMPBELL

(Malden News, Malden, Mass., Nov 12)

The funeral of Mrs. Florence, wife of Alexander Campbell, 11 Granite St., was held at St. Joseph's Church. A solemn high mass of requiem was celebrated by Rev. Hugh B. Kearns assisted by the pastor, Rev. P. H. Walsh and Rev. J. G. Hogan.

Mrs. Campbell was the oldest daughter of the late Dougald and Mary Isobel Macdonald of St. Teresa's parish, P. E. I. She was a descendant of the pioneer Catholics who left their Scottish homeland to establish their faith in the new world. Among the relatives of whom she was proud were her uncle, Rev. James Aeneas Macdonald; her granduncle, Rt. Rev. Mgr. James Macdonald; and her great-grand-uncle, Rev. Father Dan Macdonald, beloved and esteemed both as priest and a writer.

Mrs. Campbell leaves a husband and two step-children. The interment was at Stoughton.

Mealy bugs rank among the most troublesome pests with which the florist has to contend.

Amateur gardeners selecting soil for plants indoors should make certain that it is free from soil-infesting insects, such as cutworms, white grubs and wireworms.

Canada exported 4,062,000 pounds of beef to Great Britain up to October 30 this year, an increase of 3,063,000 pounds over the corresponding ten months of last year.
