Ayer's Sarsaparilla is a tonic. It does not stimulate. It does not make you feel better one day, then as bad as ever the next. There is not a drop of alcohol in it. You have the steady, even gain that comes from a strong tonic. Ask your doctor all about this.

A particularly sad death took place on the S. S. Halifax on her last trip from Boston J. F. and Mrs. Maloney left Boston for Charlottetown to visit friends here and to accompany their daughter Miss Eileen who has been visiting here for the past month, on her return home. Mrs. Maloney was seized with a severe attack of seasickness and this, supplemented by a weak heart action, was the direct cause of her unexpected death. Mr. Maloney continued on his journey and arrived in this City last night.

Last night quite a crowd gathered around the medicine doctor and his performers, who were giving their show on the square. Among the many spectators were some who did not approve of the Doctor's attempts to amuse his audience and they proceeded to show their disapproval by shying missiles in the direction of the imprudent stage. Being somewhat hastily thrown they went wide of their mark and struck several of the many ladies present. This is an uncommon practice and the severe penalty of the law provided for such cases ought to be sufficient warning to the perpetrators.

LYCEUM MONDAY NIGHT.

The people of Charlottetown will get their wish Monday night as Messrs Gooch and Henry, will give a first class vaudeville entertainment Monday Sept sixth. They will charge only ten cents and be assisted by a lot of local talent. There will be no medicine lecture.
