"The Best and Most Outstanding"

The Manager of one of the foremost Upper Canadian ranches writes us as follows:

"We would not think of using any other biscuit but IMPERIAL as we consider it the BEST AND MOST OUTSTANDING biscuit on the market today."

This is the consensus of opinion of our leading Canadian Fox Ranchers and accounts for the National use of IMPERIALS as an all-the-year-round Fox Food.

The cost of food is so small compared with the value of the Silver Foxes that ranchers consider it only a matter of good business common sense to feed the best which is always the most economical.

Do not experiment with cheaper foods. Feed IMPERIALS and get the best results in healthy foxes with highest quality pelts.

Farewell Address

A pleasant social gathering took place last Wednesday at the home of Dr. McDonald, St. Peters, when the ladies of the St. Peters South Women's Institute met to do honor to one of their prominent workers, Mrs. P. T. Power, who is leaving the district to make her home elsewhere.

During the evening Mrs. Power was presented with the following address, which speaks for itself and which was accompanied by a very beautiful walnut card-table, as an appreciation of her services.

Mrs. Power was quite overcome and in accepting the gift spoke of the pleasure she had enjoyed working in the Institute and said that she would never lose interest in its success wherever her life work in the future might be.

A very agreeable evening was spent in social intercourse and a toothsome and dainty supper much enjoyed by all, was then served by the ladies of the Institute who are culinary experts.

The following evening the men of the district honored Mr. Power with a farewell address in which they too told of their loss in his going and presented him with a well filled purse as a small appreciation of their high regards for him.

Mr. Power thanked the donors for their kindness which was highly appreciated and his solemn wish with them would always remain as a pleasant memory.

Speeches were made by different persons present and a smoke get that we learned that you are enjoyed while the ladies prepared about to depart from our midst, and supper. After many expressions of appreciation and good wishes for only to tell you of this regret but to their future welfare, good-nights were said.

Following are the addresses: Mrs. P. T. Power, St. Peters. Dear Mrs. Power:—It was with genuine regret, not unmingled with sadness, that we, your friends and associate workers of St. Peters' South Institute, learned of your impending departure from our midst.

This occasion calls for an expression of our high regard for you. As a member of our Institute you have played an important part, and at all times you have been generous, willing and ready to help in every good cause.

We, who have known you intimately and have enjoyed the hospitality of your well-ordered home, have felt the elevating influence of your singularly pleasing personality and fine dependable character. This community has been enriched and blessed by your presence in it, and as a splendid type of Christian womanhood you have always exemplified what is noblest and best.

The Women's Institute will miss you greatly.

We feel that your place as a member of this community will, indeed, never be filled.

We ask you to accept this gift as but a slight expression of our esteem.

May health, happiness and prosperity be yours in your new sphere of activity.

Signed on behalf, ANNA LEDWELL, Pres. JEAN MACDONALD, Secy. St. Peters, P. E. I. Sept. 5-28.

Mr. Peter T. Power, St. Peters Bay, P. E. Island.

Dear Mr. Power,—We the residents and business men of St. Peter's Bay and adjoining districts take your good-bye and at the same time tender you a humble tribute of appreciation.

It was with the most sincere regret that we learned that you are about to depart from our midst, and we are all deeply grieved.

For fifteen years you have labored here as agent of our railway services in the past.

The peculiar circumstances of your departure might possibly be genuine regret, not unmingled with sadness, that we, your friends and associate workers of St. Peters' South Institute, learned of your impending departure from our midst.

Dear Mrs. Murphy,—I greatly regret that I have not had an opportunity until today to send you a line of thanks for all that was done for my sister and myself to make our visit to the Island enjoyable.
