CHARLOTTETOWN AND QUEEN'S COUNTY

It pays to buy in this Province.

The following Mission room receipts are acknowledged in the Wesleyan:—
—Alberton \$28 and \$22.

A large number of commercial travellers visited Souris last week. So many that the proprietor at the Cox Hotel had to open up his summer annex in order to accommodate them.

The Wesleyan speaks in high terms this week on the work in the Methodist Church in Moncton being done by Rev. J. L. Batty and by Rev. W. G. Lane, both well known here.

The friends of Mrs. Edward Clarke, city, will be pleased to hear that she is doing as well as can be expected after a very critical operation which she underwent recently in the P.E.I. Hospital.

The Wesleyan, referring to copy of that paper dated July 28, 1849, which has been sent them, reprints the following marriage therefrom:—
At Charlottetown, P. E. I., on the 12th inst, by Rev. E. Batterell, Peter Vandierstine of Vernon River to Elizabeth Davy of Charlottetown.

Hector McInnes, K. C., has received the sad intelligence that his mother Mrs. Laughlin McInnes, had died rather suddenly at her home at Lyons, Brook, Pictou County, on Thursday. The deceased lady who was 73 years of age, had not been in the best of health of late, but her demise was unexpected. She was a most estimable lady and was beloved by all who knew her. Mrs. McInnes is survived by her husband, four sons and two daughters, Mrs. Semple, of Colchester, and Miss McInnes at home. The sons are: Hector McInnes, barrister, of Halifax; William and Daniel, in the United States, and Peter at home.—Halifax exc. (Mr. McInnes' wife is a native of this City.

A pretty house wedding took place yesterday afternoon at the residence of Albert and Mrs. Craig, Chestnut street, when their daughter Nellie Alberta was married to Arthur Newton Fraser, of this city, the Rev. G. K. B. Adams, of Young Methodist Church, officiating. The ceremony took place in the parlor, which was prettily decorated with palms and quantities of fragrant blossoms. The pretty little bride, who was given away by her father, wore her travelling suit of navy serge, the coat opening over a waist of paddy green and veiled in navy blue chiffon embroidered in blue and gold. Her becoming blue hat was trimmed with heron plumes. She carried a beautiful bouquet of bridal roses and lilies of the valley, and her gift from the bridegroom was a handsome Persian lamb coat and muff. The wedding march was played by Miss Blanche Craig, the bride's sister, and her gift from the bridegroom was a beautiful gold bracelet set with pearls and peridots. The service was followed by a reception, the bride's table being centred by the wedding cake and decorated with roses and lilies of the valley. Mr. and Mrs. Fraser left on the 5.30 o'clock train for a six weeks' trip to New York and the Bahamas on their return trip will take up residence at the Royal Alexandra Hotel for the winter months.—Winnipeg Telegram. (Miss Craig was formerly of Emerald.)

The death of John Brownell Thompson occurred at his residence, Robinson street, at eight o'clock this morning. The deceased was seventy-six years of age, and leaves a wife, one son, and one daughter; his first wife's children, W. K. Thompson, of Calgary, Alta, is the son, and Mrs. John Berry, wife of Conductor Berry of this city, is the daughter. Mr. Thompson has been in poor health for the past three years having suffered from apoplexy some years ago. Mr. Thompson was born in Upper Sackville where he lived until he moved to Moncton, about 20 years ago, where he was employed first as policeman, and later employed by the I. C. R., for a number of years. Owing to ill health Mr. Thompson gave up his employment about three years since. Mr. Thompson's first wife was Miss Mary Kinnear, of Sackville, who died eleven years since, after which he married Miss Nellie Webster, of Kensington, P. E. I. Mr. Thompson also leaves three brothers, Charles, Clifford, and Fred all of Upper Sackville. The funeral will take place on Saturday morning, a short service will be held at the house Robinson Street at 9.30 o'clock after which the body will be taken to Sackville on No. 2 train for interment. The funeral will take place in Upper Sackville on the arrival of the Cape train about 1.30 o'clock on Saturday afternoon. Interment at Upper Sackville Cemetery.—Moncton Exc.

A novelty in illuminated advertising signs has been admired the past few nights on the sidewalk in front of the entrance to the McKinnon Drug Co., on the corner of Kent and Great George streets. An electrical magnifying bulb is attached to the casing above their door and this throws on the sidewalk in circular "for the words "Smoke El President Cigars." The sign has attracted much attention and is one of the many up-to-date advertising methods used by this progressive firm in drawing attention to their best lines.

A very enjoyable evening was spent in Falconwood Hospital on the evening of Nov. 2nd when the nurses, attendants, and other employees of that institution met for an evening entertainment in the form of a goose supper which was heartily enjoyed by all. Numerous games, songs and other forms of amusement were the order of the evening, after which the supper was served, which was indeed a great credit to the young ladies who so ably prepared it. After the supper was loyally indulged in until a reasonable hour, when before breaking up it was moved by S. Bonnell and seconded that a vote of thanks be extended Miss Bell, and all others who aided in making the entertainment such a decided success. An entertainment of this kind cannot but have the very best effect on the employees of the institution, promoting good feeling, and also affording relief from their exacting duties. The entertainment was brought to a close by the singing of Auld Lang Syne, after which all retired satisfied that they had spent a most enjoyable evening.

"GET RICH QUICK" ON CATS AND RATS.

CHICAGO, November 3.—The "get-rich-quick" schemes of J. Rufus Wallingford, the facile financier, of the tried and true roads to wealth, thrift and industry which have met with more or less success when pursued by John D. Rockefeller, J. P. Morgan and others, are as the blundering activities of children as compared with the plan submitted to Postmaster Campbell today. The plan is nothing more or less than to feed rats to cats, skin the cats and feed the cats back to the rats, in endless succession, the only break being the deduction of the catskins, the sale of which is to supply the profit. The writer, outlining his plan, said:—
"We will start a cat ranch, getting 1,000,000 cats. Each will have twelve kittens a year. Catskins are worth 10 cents for white ones and 75 cents for black ones. They will average 30 cents each. There is 12,000,000 catskins a year, a daily gross income of some \$10,000.
"A man can skin fifty cats for \$2, and it will take 100 men to operate the ranch, leaving our profit over \$9,000 a day. We will have to feed the cats. How?
"Start a rat ranch next door. Rats multiply four times as fast as cats. We will have, therefore, four rats a day for each cat—plenty.
"How to feed the rats?
"Simple; feed them on the cats' bodies—a fourth of a cat per rat—amply sufficient. Thus, you see, the business will be self-supporting and automatically will pay.
"The cats will eat the rats, and the rats will eat the cats and we get the skins and the wealth. Are you with me?"
