## Please pay it to-day

Just a reminder regarding that little "APPROBATION BILL." If you have it—it is due. Just in passing we may quote the following "would-be poem:"

"You need your money  
And I need mine,  
If we both get ours,  
It'll sure be fine  
But if you get yours  
And hold mine too,  
What in the world  
Am I going to do?"

We are still willing to write receipts
