If all news items were inserted in the order in which they are received very few people not even the correspondents, would read the Guardian for more than a week. The newest or latest news must always take precedence over all others. Correspondents who send in items several days, a week, a month or more after the events have transpired, instead of phoning or mailing the same at once, will in future understand that the older their news the longer time before it will appear, if there is sufficient late news from day to day to go ahead of it. It is often amusing to receive complaints about why news of several weeks or a month or more old is not inserted as soon as it is forwarded. Promptness on the part of correspondents is entitled to prominence in publication.

A correspondent writes—The citizens of Victoria were awakened at two o'clock on Monday morning by the shrill cry of "fire." Robert McDonald, who first noticed the conflagration, ably performed the duties of a fire bell. In an incredibly short space of time a large crowd assembled at the scene which was at the old sash and door factory. The fire had made considerable headway, but with many willing hands, including those of the gentler sex it was soon extinguished.

Rheumatism Cured

In 3 Weeks By Father Morrissey's "No. 7" Tablets.

Mr. James LeB. Johnstone, a prominent member of the Citizen's Band, of Chatham, N.B. writes:—

"I contracted Rheumatism by exposure five years ago, and was ailing for two months and in great pain all the time. I got Father Morrissey's No. 7 Tablets, and took them for about three weeks, when the Rheumatism all left me, and I have had no return of the pains since."

"Father Morrissey's No. 7" Tablets have a remarkable record of cures of Rheumatism and Kidney Troubles. They act directly on the Kidneys, which have become clogged with impurities and are therefore unable to free the blood of the poisons it is continually gathering from every part of the body. The tablets clear the kidneys and tone them up for their work so that they can properly purify the blood. Once the Uric Acid is taken out of the blood the agonizing pains stop, and the Rheumatism is cured. "No. 7" tablets cost 50c at your dealer's, or from Father Morrissey Medicine Co., Ltd., Chatham, N.B. 19
