HOMESTEAD REGULATIONS.

ANY even numbered section of Dominion Land in Manitoba, Saskatchewan and Alberta, excepting 8 and 26, not reserved may be homesteaded by any person who is the sole head of a family, or any male over 18 year of age, to the extent of one-quarter section 160 acres, more or less.

Applications for entry must be made in person by the applicant at a Dominion Land Agency or Subagency for the district in which the land is situate. Entry by proxy may however, be made at an agency on certain conditions by the father, mother, son, daughter, brother or sister of any intending homesteader.

The homesteader is required to perform the homestead duties under one of the following plans.

(1) At least six months residence upon and cultivation of the land in each year for three years.

(2) A homesteader may, if he so desire perform the required residence duties by living on farming land owned solely by him not less than eighty [80] acres in extent, in the vicinity of his homestead. Joint ownership in land will not meet this requirement.

[3] If the father [or mother, if the father is deceased] of homesteader has permanent residence on farming land owned solely by him, not less than eighty [80] acres in extent in the vicinity of the homestead, or upon a homestead entered for by him in the vicinity such homesteader may perform his own residence duties by living with the (father or mother.)

(4) The term "vicinity in the two preceding paragraphs is defined as meaning not more than nine miles in a direct line, exclusive of the width of road allowances crossed in the measurement.

(5) A homesteader intending to perform his residence duties in accordance with the above while living with parents or on farming land owned by himself must notify the agent for the district of such intention.

Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa, of intention to apply for patent.

THE GUARDIAN COVERS THE FIELD

The Guardian covers the City and Province within which it is published more fully and completely than any other newspaper printed in Canada.

With a daily circulation of its morning and rural edition now about 8,000 and growing from day to day, it has broken all records for a daily publication in a small community.

Charlottetown has a population of 12,000 and Prince Edward Island has 103,000. The Guardian's daily circulation is therefore is 1 to 1½ of population in the city in which it is published, or 1 to 13 of the population of the Province. This is, the management believe unequalled by any daily newspaper published in Canada.

Take one or two comparisons with other leading newspapers in other cities and Provinces.

St. John has a population of 40,000 and the Province of New Brunswick 320,000 St. John has five newspapers and among these The Telegraph and The Sun are perhaps the foremost. Each claims a circulation of about 8,000 or say as 1 to 5 of the population of that city and 1 to 40 of the population of the Province.

Or again: Toronto has a population of some 250,000 and the Province of Ontario about 2,225,000. The Toronto Globe is a great Canadian newspaper, known all over the world as one of the foremost journals. The Globe's published daily circulation is slightly under 50,000. That is as 1 to 5 of the population of Toronto and 1 to 44 of the population of Ontario.

The point is this that The Guardian covers the field of its circulation three and a half times as well, if compared with population of the city, and over three times as well, taking the population of its Province, as the best New Brunswick and Ontario daily newspapers, and these are admittedly among the best in Canada.

These facts are printed in no spirit of boasting, but for the satisfaction of Guardian readers and advertising patrons alike. They have a right to know how completely their favorite Journal's endorsed by the reading public among whom it circulates and how completely it covers the field as an advertising medium in this City and Province.

Patrons who are unable to get the Guardian by telephone after six o'clock in the evening, and who have news or other business for the next issue, are requested to ring No. 124

THE CHARM OF BEAUTY

Nothing of More Value to Women.

The glory and satisfaction of beautiful womanhood can be known only to those possessing the unlimited advantages of health.

No weak woman can be happy or enjoy half the pleasures of life. Pallid cheeks, sunken eyes, exhausted nerves, all tell of a terrible struggle to keep up.

What the weak woman needs is Ferrozone; it renews restores and vitalizes instantly—it's a "woman's remedy"—that's why.

Ferrozone makes women strong, plump and healthful because it contains lots of nutriment, the kind that forms muscle, sinew, bone and nerve.

Vitalizing blood courses through the body, making delightful color, happy spirits, true womanly strength.

To look well, to feel well, to enjoy the unlimited advantages of robust, bounding health use Ferrozone; sold by all dealers in 50c boxes, and refuse a substitute.
