

REMODEL AND REPAIR for FALL and WINTER

NOW'S the time for a tour of inspection of your home and car. Before the winter season rolls around give every detail of construction and decoration a thorough examination. It may be that a small sum spent now will save you many dollars in avoidable repair bills. Decorators, carpenters, electricians, plumbers and garage men are ready to give you efficient service and the benefits of their years of experience for exceptionally moderate rates. If there is a job you have been putting off, have it done now while low prices prevail.

Examine your cellar, is it watertight? Is your furnace in good shape for winter? Have you all the electrical outlets you need? Have you been having trouble with your plumbing? Does your car need overhauling? Do you want a room redecorated for winter? How about an extra bathroom for the children? Is your roof ready for driving snow and rain?

If you are in need of any of these services consult the advertisers listed on this page.

FALL and WINTER

DECORATING

You'll be staying home a lot this winter and you will want your rooms to be as cheerful as possible. Why not re-decorate your homes now and prepare to enjoy the long winter evenings.

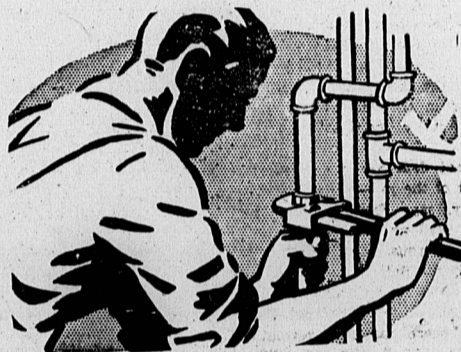

Make your home your club.

Painter and Decorator
195 Grafton Street

FURNACE REPAIRS

The whole family's comfort this winter depends on the efficiency of your heating plant. Before cold weather it should be thoroughly tested and repaired. Leaks which develop through neglect are costly and inconvenient. Let us send a representative to inspect your boiler.

ROOF REPAIRS If Winter Comes

And finds you with a leaky roof—well, it won't add to your comfort, or health.

A Brantford Asphalt Shingle Roof is what you want to defy the winds and snows of P. E. Island's longest season. These beautiful Shingles, can be laid over the old Shingles, and will add greatly to the beauty and value of your property.

Come in and let us show you the wonderful color combinations conceived by BRANTFORD. Made in the Maritimes to meet Maritime conditions.

FAWCETT STOVES AND RANGES NICE TO HAVE THIS WINTER
