In the procession in a carriage rode His Lordship Bishop O'Leary, Rev. Dr. G. J. McLellan and Sir W. W. Sullivan (Chief Justice). While the priest was vesting, preparatory to the service for the dead, the band played the dead march. The choir of the Pro-Cathedral rendered psalms suitable to the occasion and the "Libera," then the Litany for the Dead was recited. The sermon for the occasion was preached by Rev. Father McLellan, who gave a learned and eloquent discourse that was listened to with the keenest attention and impressed itself deeply upon his audience.

SYMBOL OF PEACE.—Even although the lion and the lamb have not yet consented to lie down together, it is encouraging to note that sympathy of universal peace are not wanting. Yesterday a farmer led them to a magnificent span of horses driving the wheel of an automobile standing in front of a store, while he went into some shopping. His shopping concluded, he found the erstwhile enemies calmly surveying each other without a sign of fear or distrust. It may be that, in view of the larger conflict in Europe, the little differences on this side, including that between the horse and the auto, may be forgotten.

A NARROW ESCAPE.—What might have been a fatal accident occurred in Mr. Stewart on Saturday evening, the 3rd of October, when Herbie, the 8 year old son of Mr. James Dunn, fell into the well. The little fellow was winding up a ball of water and likely was too heavy for him and he tumbled in. His mother being near ran to the well horrified, to know what happened. But the boy had presence of mind to climb into the bucket and his frantic mother wound him up the 40 feet which is the depth of the well. By the time the neighbors got to the spot the boy was on terra firma and, though quite chilled and shaken up, none the worse of his fall.—L.

PATRIOTIC CONCERT.—The patriotic concert held at St. Patrick's Hall, on Monday evening, Sept. 23rd, was a decided success, both socially and financially. The large hall was packed to its utmost capacity by a very intelligent and appreciative audience. The receipts, which amounted to \$145, were in aid of the Red Cross Society. Each number on the programme was excellent in itself and very appropriate to the occasion. The singing was exceptionally good, as was testified by the large amount of applause. The choruses were excellently rendered and very patriotic. His Worship Mayor Brennan presided and delivered the opening address, dealing with the work of the Red Cross and making a strong appeal in its behalf. He also made reference to the Belgian Relief Fund, and asked the people to leave donations of clothing at the Drill Hall and cash contributions at the Bank of Commerce. The stage was artistically decorated, and the best of order prevailed.

BEAVER FLOUR Scientifically Blended from Ontario and Manitoba Wheat. MIXING does NOT mean BLENDING. Anyone can take two kinds of flour and stir them together. But blending is only arrived at by careful, scientific, practical tests. As you know, Ontario wheat flour is generally regarded as "a pastry flour". It has the necessary lightness; the delicious, homemade flavor. It makes the most delightful Bread, too—white and light and fine. Western wheat flour makes a big loaf of bread—but it is gray, coarse, full of holes and not a bit inviting. Now, in milling "Beaver" Flour, we add the proper proportion of Manitoba wheat to the choice Ontario wheat. It is due to this fine blending of the wheat that "Beaver" Flour has just the right strength to make a good sized loaf of Bread; and at the same time, have the sweet, tasty, "homey" flavor. "Beaver" Flour is perfectly balanced. It has the strength and nutrition—it has whiteness, lightness and flavor and is the same in quality and strength at all times. This is why "Beaver" Flour—the only scientifically balanced flour—is equally good for Bread, Rolls and Biscuits, Cakes, Pies and Pastry. Your grocer has "Beaver" Flour or can easily get it for you. Ask for it by name—"Beaver" the true blended flour. DEALERS—Write us for prices on Feed, Coarse Grains and Cereals. THE T. H. TAYLOR CO. LIMITED, CHATHAM, Ont.
