

MR. J. FRANK ARNETT, Conservative Candidate for Prince

One of the most forceful and engaging personalities in politics today is Mr. J. Frank Arnett, Conservative Candidate for Prince. He has been a very successful business man, and yet has had time to devote to public affairs both in the town of Summerside and in the county. He has been an energetic member of the Town Council and a most popular mayor; and in all good work and matters of public interest he has borne more than an ordinary share. When the Conservative Convention offered him the nomination for the county he accepted the honor and responsibility fully realizing that it entailed great sacrifices and much arduous work on his part; and since then has nobly thrown himself into the conflict, with such zest and effectiveness, that his opponent has had to work as even he never worked before, to avoid being completely snowed under.

PLEASANT VALLEY ANNUAL SCHOOL CLOSING

A large number of parents and rate payers attended the annual examination and closing exercises of Pleasant Valley School held on Friday June 27th, 1930.

Each of the ten grades were well examined by the teacher, Miss Vivian Woodside, assisted by Mr. Andrew Stevenson. The pupils showed by their ready answers and general deportment the result of faithful training during the year.

Elizabeth MacKay, read an address of appreciation and Phoebe McSwain presented the teacher, on behalf of the scholars, a beautiful ivory toilet set. Miss Woodside very feelingly replied and thanked the people for their kindness and the Women's Institute for its support. After a splendid program had been carried out the Women's Institute treated the children and visitors to ice cream, the teacher furnishing fruit. Following is address and program.
