Yankees Keep Pennant Hopes Alive With Victory

(Canadian Press) Boston Red Sox Tuesday night maintained their one-game lead over New York Yankees in the hot American League pennant race by beating Washington Senators 6-4.

In addition to rebuilding their solid game lead over the Yanks, with only four more contests to go, the Sox stretched their winning streak to the longest in the big leagues this year. They previously were tied with Detroit Tigers, each with 10 in a row.

A four-run sixth inning gave the Sox a 6-0 lead, sufficient to stave Washington's late rallies in the seventh and eighth, when Walter Masterson relieved starter Joe Dobson.

Before he was knocked out in the eighth, Dobson had singled home the last run of the Red Sox big sixth. It followed Birdie Tebbets' two-run single. Earlier in the sixth Vern Stephens' one-batter drive in Johnny Pesky, Dobson held the Senators to one hit over the first six innings, but began to weaken in the seventh, when he gave up one run.

The Senators knocked out Dobson in the next round.

Earlier at New York, the Yankees downed Philadelphia Athletics 5-1 for Vic Raschi's 20th victory.

At Chicago Joe Gordon's ninth-inning single on relief pitcher Howie Judson's first pitch scored La Boudreau with the winning run as Cleveland Indians defeated the Chicago White Sox, 3-2, before 8,782 persons.

The victory pulled the tribe within two games of third-place Detroit.

Shortly after hearing that outfielder Cliff Mapes had been fined \$200 and manager Casey Stengel and catcher Ralph Houk \$150 each for yesterday's argument with Grieve, the Yanks ripped into Dick Fowler for three big runs in the third inning.

The outburst by the Yanks were cooled off by little Bobby Shantz, Connie Mack's pint-sized lefty, who allowed only one hit in a superb relief job over 5 2-3 innings.

Raschi, the Yanks' first 20-game winner since Spud Chandler in 1946, allowed only four hits.

Three Yankees Fined For Mistreating Umpire

(By Austin Bealnear) NEW YORK, Sept. 27—(AP)—Will Harridge, American League president, today fined three New York Yankee a total of \$500 for alleged mistreatment of an umpire—a move that led the pennant contenders to charge their league chief with being as wrong as the umpire involved.

Throughout the day, the repercussions resulting from yesterday's dispute over the winning run in a game which the Yanks lost, 7-6, to Boston Red Sox rebounded between Harridge's Chicago office and the Yankee Stadium here.

Harridge led off by fining outfielder Cliff Mapes \$200 and determining an immediate apology for remarks made to umpire Bill Grieve.

The League head said he was advised that Mapes confronted Grieve after the game and asked him "how much did you have bet on the game?" That, said Harridge, was reflection on the umpire's honesty. He also fined manager Casey Stengel and catcher Ralph Houk \$150 each.

It all started in the eighth inning of yesterday's game when Johnny Pesky of Boston came roaring home from third base on a squeeze play. At the moment, the teams were deadlocked for the League lead and the game was tied at 6-6.

Pesky hit the dirt as Houk took the throw from Tommy Henrich, who fielded Bobby Doerr's bunt. Grieve, the plate umpire, called the runner safe. That touched off the most spirited protest launched by the Yankees all season, with no further scoring in the game, it put the Red Sox a full game in front with five games to play.

Even after Harridge reached his decision today, the Yankees refused to take things lying down. While his team was beating the Philadelphia Athletics 3-1, to stay in the thick of the race, general manager George Weiss issued a statement, saying in part:

"The masterminds of the New York Yankees believe that the fines levied against manager Stengel and two players for the Philadelphia Athletics' case, which Grieve following a decision at home plate were as hasty and erroneous as was the umpire's decision.

"The club urged President Harridge its desire to present the players' side of the case but the ruling was made before this could be done. The Yankees' conduct throughout the 1949 season has been exemplary, despite a heated pennant race.

"Obviously the provocation was great in this instance but only the umpire's side of the story has been taken into account despite the overwhelming pictorial evidence that umpire Grieve blew a vital decision in a most vital game.

"Photographs of the disputed play were the principal topic of discussion by Yankee players before today's games.

Abandon Plans For Maritime Senior Baseball Playoff

FREDERICTON, Sept. 27—(CP)—Lateness of the season has resulted in abandonment of plans for a 1949 Maritime senior baseball playoff series.

Hopes for a contest between the New Brunswick and Nova Scotia champions, Fredericton Capitals and Dartmouth Arrows, respectively, had been held until today. Then Kenneth Staples, president of the Fredericton club, announced he would be unable to provide a team at such a late date.

He wired the Arrows' manager: "Series cannot be arranged. Sorry we are unable to field a team at this late date."

Uncertainty of the fall weather was another factor in the decision. Financial loss was feared in an event of rain, forcing one or more postponements.

Several outstanding Cap players have returned to the United States but previous indications were that some could be flown back for a Maritime series. A few Dartmouth imports would be unavailable.

Halifax Capitals won the Maritime crown last year, defeating Marysville Royals 1-0 in a sudden-death playoff.

Montreal Royals Win International League Cup

MONTREAL, Sept. 27—(CP)—Montreal Royals tonight smashed Buffalo Bisons in five games—four of them in a row—to win the International League's post-season play-off for the Governors' Cup and the right to meet the American Association's top team in the Little World Series.

The royals trounced the League champion Bisons 8-3 tonight before a wildly-happy local crowd of 18,352. That gave Montreal the final series four games to one, with Buffalo winning only the opener.

Sam Jethroe's brilliant batting once again was a big factor in the Montreal triumph. The fast Negro centerfielder batted 3-for-5, drove in three runs and walloped a homer, his fifth in the play-offs.

Montreal, shaky during the latter half of the regular season, roared through the play-offs in great style. The Royals, who finished in third place, blasted second-place Rochester Red Wings four straight. Buffalo beat four place Jersey City in the other bracket of the semi-final play-offs.

General manager Buzzie Bevil of the Royals said after tonight's game that the Little World Series likely would start here Friday, the first three games to be played in Montreal.
