(Col. J. Obed Smith with Canadian Immigration Com. stated that at present the Department is only lecturing on Canada in the English Schools. No immigration campaign will be carried on until the autumn in view of possible unemployment following demobilization and consequently it is expected there will be no rush of new citizens until 1920.

President Wilson To Answer Germans

V BROCC I FF MAKES COMP INT

IS INFORMED THAT ALLIES WILL PERMIT OF NO DISCUSSION OF PEACE TERMS

(Special to The Guardian) PARIS, May 12.—The Allies can admit of no discussion of their right to insist upon the terms of the peace treaty substantially as drafted. This is the reply to Count Brockdorff of the German peace delegation who submitted a note to Premier Clemenceau declaring that the peace treaty contains demands which could be borne by no people and many of them incapable of accomplishment. Count Von Brockdorff Rantzau has also been informed in answer to his complaint that Germany was asked to sign the Allied plan for a League of Nations although not among the States invited to enter it, that the admission of additional member states has not been overlooked but has been explicitly provided for in the second paragraph of article one of the covenant.

Empire Satisfied With Peace Terms

(Special to The Guardian) LONDON, May 12.—The best qualified judges of British opinion believe that the peace terms will satisfy, eventually, the general public of the Empire when fully digested especially after Lloyd George, Premier Borden, President Wilson and Clemenceau have made their personal explanation next week. About as good as we could expect especially seeing the attitude of the United States and the imperative necessity of finding a solution which would keep the English speaking nations of the world in a solid cooperative agreement to reap the full fruit of victory and set civilization going again on new and better foundations, is roughly the opinion of the most authoritative British Parliamentarians on the matter consulted.

Austrian Peace Terms Are About Ready

(Special to The Guardian) PARIS, May 12.—The peace treaty with Austria is nearly completed and an official summary of it is being prepared as was done in the case of the German treaty. Although it is not so stated in the treaty the new Austrian frontier is the one designated by the secret treaty of London giving Italy all the strategic heights and defensive passes. The French foreign office, having been informed that the Austrian peace delegation might be expected to arrive on Wednesday, work is being hastened on the delegation's quarters at St. Germain, where the palace of Francis I. is being put in order for the reception of the visitors.

PREMIER LLOYD GEORGE RELIES ON SIR ROBERT BORDEN IN DIFFICULT PROBLEMS

Openly Stated Sir Robert Can Have Any Gift at Disposal of the British Government.

(Special to The Guardian) PARIS, May 12.—It is understood Sir Robert Borden has planned to return to Canada on the Aquitania, on May 17, Hon. Mr. Doherty remaining in Paris until the signing of the peace treaty, owing to the renewed urging of Lloyd George. More than ever Britain's Premier is relying on the Canadian Minister for assistance in the solution of difficult problems, of which many still remain unsettled. It is stated openly in the best informed circles that he could have any honor possible for the British parliament to give. Other Canadian ministers are also receiving great praise.

Olympic Bringing 5,600 Canadians

(Special to The Guardian) LONDON, May 12.—The Olympic sailed from Southampton Saturday evening with 5600 Canadian soldiers on board. The circumstances combined to give her quite a dramatic departure for, in addition to the civic farewell by the Lord Mayor and a great crowd of cheering people in the gathering twilight, the huge steamer had cleared without the aid of tugs on account of a strike of their crews.

Farewell to The Rev. J. D. McKenzie

A farewell meeting to Rev. J. D. McKenzie was held last evening in the hall of Zion Church which was filled to its capacity.

The meeting was presided over by Rev. Mr. Taylor, pastor. After a short but excellent musical programme the chairman very fittingly and expressively explained the purpose of the meeting, stating that they were under a great debt of gratitude to Mr. McKenzie, who had not only ably filled the position of acting Minister but who had also more than maintained the excellent standing of the church in the community. He was glad to say that by mutual arrangement if nothing intervened Mr. McKenzie would return next year to supply the pulpit during the holidays.

He then called Mr. McKenzie to the platform when Mr. D. McKinnon, K. C., clerk of the Session, in the name of that body and of the trustees, read an exquisitely worded address setting forth their appreciation of Mr. McKenzie's services during his pastorate of two and a half years. Mr. J. A. Lawson on behalf of the congregation presented Mr. McKenzie with a well filled purse. Mr. McKenzie whose emotions were visibly stirred by the action of the officers and the enthusiasm of the congregation made a touching reply. He spoke feelingly of the cordial relations between the people and himself and expressed the hope that Zion would continue to prosper even more than in the past.

Addresses expressing admiration for Mr. McKenzie as a man and a preacher and for Mrs. McKenzie as a worker in the church and community were then made by Revs. Dr. Fullerton, A. C. Field, C. R. Freeman and O. H. Peters. They also wished him God speed in his future field.

The meeting closed with the singing of the long metro doxology, after which Mr. and Mrs. McKenzie and son, Charles went to the door and said good-bye to all as they retired. Mr. and Mrs. McKenzie and son leave on Wednesday morning.

CITY COUNCIL IN MONTHLY SESSION

The regular monthly meeting of the City Council was held last evening. Mayor Wright presided and the City Clerk, the Recorder and every member of the Council was present.

The minutes and bills were read and passed. Some discussion ensued in reference to the cost, \$624.00, of fitting up a room in the market hall for a labor information bureau for returned soldiers and citizens. It was stated that at the request of the Premier the Mayor and members of the Council had agreed to provide an office in the Market building for a labor bureau free of cost. The work had to be undertaken immediately and pushed through.

Coun. Smith was instructed by the Mayor to proceed with the work which he did. It was generally conceded by the Council that the work was well and cheaply done and the offices will be an asset to the city when vacated by the present tenants.

Communications read included a request from Mr. Joseph McCarey, President of the Anti-Tuberculosis Society asking that the regular grant of \$100 to the Public Dispensary be increased to the sum of \$200. Referred to the Finance Committee.

A communication from Mr. Fred Large in charge of the City Scales recommended having the Scales closed Saturday afternoons. Referred to Market Committee with power to act.

A letter was read from Capt. T. G. Taylor complaining of the condition of Cumberland Street between Graf-ton and Richmond. Referred to the Street Committee.

A letter from the Royal Print and Litho Co., asked for the co-operation of the city in the issuing of a new edition of McAlpine's Directory of P. E. Island. It was pointed out that the canvas of the city on this work would start the latter part of May and local people would be employed.

The matter was left with the Chairman of Finance and the Mayor to deal with. Another communication was from Mr. A. B. Warburton representing the estate of the late Mr. J. A. Long worth an d the Hebbkirk estate requesting the city to open a new street between Longworth Avenue and Easton Street, to be called Victory Avenue, the deeds for same to be placed at the service of the city. Referred to chairman of Street Committee to look into the matter in conjunction with the city surveyor.

A petition from the city of Hamilton asking the Council to endorse the manufacture and importation of oleomargarine was referred to the Mayor and city clerk for reply.

Coun. McKinnon reported that it had been found advisable for the city to purchase an asphalt plant. This would enable the city to make its own pavings and to do as much work as they were able each season. Some of the firms he had been in touch with would consider coming here for less than a \$100,000 contract.

The city bill he said had at last been passed by the Legislature after being held up unnecessarily for a long time by two citizens representing the country who took it upon themselves to set up their opinions above that of the City Council. After further remarks on motion of Coun. McKinnon seconded by Coun. Rattray a resolution was passed authorizing the City Engineer to proceed with the street paving in accordance with the programme submitted at a previous meeting of the Council and that he make application to the Commissioner of Sewers and Water Supply for all connections likely to be required on the streets upon which the paving is to be laid.

Coun. McKinnon moved seconded by Coun. Rattray that the City Clerk call for tenders for all material required on proposed street work. Carried.

Moved by Coun. Miller, seconded by Coun. Webster that the property committee be authorized to enter into contract with the Maritime Light & Power Co. to light the Park Roadway and band stand during the present season. Carried.

Mr. W. K. Rogers was re-appointed a member of the City School Board. Councillors Miller, Webster and Smith were appointed a committee in reference to arranging for band concerts.

It was decided to pay city laborers a wage of \$3 per nine-hour day, for competent work, as requested by the Laborers' Union.

Coun. Miller complained of the condition of Upper Hillsboro street. Improvement had been promised long ago, but nothing had been done. Coun. Yeo also referred to the

Expatriates on Splendid Opportunity Opened for Canadian Farmers in European Markets.

(Special to The Guardian) LONDON, May 12.—Henry B. Thompson who succeeded the late W. J. Hanna as Canadian Food Controller quickly got to work on his arrival as adviser with the Canadian mission. By an effective statement by him on Canada's great effort in supplying food to the Allies the Dominion gets publicity. He also points to the enlarged market here for Canadian produce. When our farmers realize, he says, the splendid opportunity they have in the European markets they will do better with bacon, butter, eggs and poultry. These, he says, can easily be produced in Canada but the farmers have not yet grasped the idea that a great export trade to Europe is open to them.

German Correspondent Tries Trouble Making

(Special to The Guardian) PARIS, May 12.—An official note issued today says that a German correspondent to the Neue Wiener Tageblatt sends a despatch that the hotel at Versailles where the German delegates are housed is full of spies acting as hotel attendants and that micro phones have been installed in all the rooms. The note brands the report as an odious invention and says if it is repeated the French Government may find it necessary to expel the German correspondents.

Afghan Tribes Were Repulsed

(Special to The Guardian) LONDON, May 12.—The news from Afghanistan where Afghan tribesmen have been attacking British positions on the Indian frontier was scanty but satisfactory over the week end. The British drove the Afghans from Ash raskahet on Friday while airplanes crossed the frontier and bombed the enemy positions at Loidatta with good results. The Afghans maintained their positions west of Loidatta.

PROCEEDINGS IN THE LEGISLATURE

MAY 12.

The provincial legislature resumed last night at 9.30. After passing a number of bills, including the Appropriation Act, Premier Arsenault introduced a resolution that it was expedient to introduce a bill intituled An Act to levy an education tax to supplement the teachers' salaries and to provide that such Act will not come into force until it has received the assent of the ratepayers of the school districts through a referendum to be held at the next general election.

A warm discussion followed in which Mr. Bell repeated practically all he had said during the debate on the Address, occupying one and three quarter hours and Messrs. Johnston and Hughes the rest of the time with the exception of some ten minutes given to the subject by Premier Arsenault, who exposed the tactics of the Opposition members.

A fuller report will appear tomorrow. House adjourned at 12 o'clock to meet at 11 o'clock this morning.

very bad state of many of the streets this spring, instancing Douglas, Gerard and Passmore streets, and said he thought something could be done to improve them.

The City Surveyor said much could be done but the trouble was that the necessary money was not available.

Coun. Smith drew attention to the complaint of residents of King Street East, in reference to the sidewalk, which need adjusting to prevent the water from running into their cellars.

The need of enforcing the milk inspection by-law was again brought up by Coun. Yeo, and elicited some discussion. It was declared by one councillor that the citizens are being robbed in the matter of the sale of milk. The milk which, he said, is as blue as the skies of the West Indies, does not begin to contain the percentage of butterfat it should.

Council adjourned to meet again Thursday evening to consider street matters. (Continued on page five)

Big Refund Demanded From Stock Broker

(Special to The Guardian) LONDON, May 12.—A jury Saturday ordered Alexis Maria De Breck, whose operations in Canadian real estate and in newspaper propositions here earned him some notoriety, to return five hundred pounds sterling deposited in connection with the purchase of Canadian land. The defendant protested to the court against matters which happened long ago being brought up against him.

HOUSE OF COMMONS AN INTERESTING BUDGET OF NEWS.

(From our own Correspondent) OTTAWA, May 12.—Sir Edward Kemp took his seat on the front Government bench of the House this afternoon, and immediately tabled the report of the Overseas Military Forces of Canada for 1918. Sir Edward was welcomed with applause by the Government side of the House.

Hon. Arthur Meighen presented a bill to assist returned soldiers settling upon the land. Explaining the bill Mr. Meighen said, in 1917 parliament passed the Soldiers' Settlement Act which had the same general object scope. Its operations were confined to land owned by the Dominion. The main purpose of the present legislation was to provide means of acquiring lands held privately by corporations, or by the Government for the purpose of disposing of lands to holders. The bill also provided a system and machinery whereby lands might be acquired by expropriation. The bill was read for the first time.

Mr. Meighen presented another bill respecting Dominion waterpowers to form statutory foundation for administration of Canadian waterpowers in so far as they are the property of the Dominion, and for co-operation with the provinces in other cases.

In reply to Dr. Sheard, of Toronto, Hon. A. K. MacLean said he hoped to be able to introduce a bill to amend the Civil Service Act in a fortnight. Legislation would be gone on with this session, despite all reports to the contrary.

The work of the reclassification would be the greatest ever undertaken by any government in connection with its civil service, and when it was completed, he explained, the possibility for criticisms of overlapping and overstaffing to which service was now open would be entirely obviated. The bill would also provide for promotions in rank, increased salaries and these would date back to April 1st, so no great or substantial wrong would be done by the delay.

Sir Edward Kemp then rose to speak on his reports. He said he would be absent from the House for ten days on private business, but on return would be pleased to answer any questions in the public interest.

Mr. Lemieux asked the Minister if Col. J. S. Jenkins' report would be laid on the table. Sir Edward Kemp replied: "I have no such report."

Sir Sam Hughes asked if the report had been made to the Minister by Colonel Jenkins.

Sir Edward Kemp said he had never received a report from Colonel J. S. Jenkins, nor had Colonel Jenkins ever spoken to him about one.

As most of the criticisms of the administration of Argyle House is based on the report supposedly received from Colonel Jenkins the

Gen. Currie Pays Tribute to Discipline of Canadians.—Troops are Well Satisfied with Demobilization

(Special to The Guardian) LONDON, May 12.—General Currie, speaking to the Canadian press, expressed his confidence that not many Canadian soldiers would remain on this side after the middle of July. "We hope to break all records this month by at least 10,000," he said. "If we get 55,000 away in May and 50,000 in June there will not be many left here. Of course we have always the bug bear of strikes to contend with. I should like to say how generally excellent discipline among Canadians has remained since the armistice. They came simply to do a job. They have done it. They have also accepted the provisions made for demobilization in a very good spirit. I think many people in Canada will take a different view of what has been done in the way of rapid demobilization when the full facts are apparent."

(Special to The Guardian) PARIS, May 12.—The Council of Four, at its meeting today, decided to refer the German notes on labor and war prisoners to experts for consideration instead of answering them at once, as it did with the first two communications from the German delegation.

Island Lady Laid to Rest in California

The following from the San Jose Mercury, Herald of San Jose, Cal., refers to the funeral of the late Mrs. R. R. Bell, daughter of the late Archibald Holmes of East Royalty, P. E. I., whose death was recently announced:—

LOS GATOS, April 17.—The funeral service for Mrs. R. R. Bell, which was private, was held yesterday afternoon at the Los Gatos cemetery, the Rev. J. S. Troxell officiating. Mrs. Mabel Mallory and Miss Emily Baker sang very softly "Some Sweet Day Bye and Bye" and "Beautiful Isle of Somewhere." Beautiful flowers marked the spot in "God's Acre" where she was tenderly laid to rest.

The pallbearers, old friends of the family were: George S. McMurry, S. D. Balch, C. W. Gettridge, T. E. Johns, D. T. Jenkins and F. F. Watkins.

Mrs. Bell, who has passed nearly all of her married life in Los Gatos, was a member of the Methodist Episcopal church and the Los Gatos chapter, Order of Eastern Star, but most of all she was a home-maker, a womanly woman, the center of a wonderful home life. She had been a semi-invalid for some years, but had been feeling so unusually well that she made the trip to Santa Rosa on Thursday, April 10, to visit her daughter, Mrs. Carl Gettridge. She was taken worse the same evening and fell asleep on Monday night. She is survived by her husband, Judge Richard R. Bell, and children, Mrs. Alicia Bell, Gettridge, Frank H.
