Gum Chewing Aids the Teeth

You have the authority of doctors and dentists for this statement. Your own experience will prove it, if you will use WRIGLEY'S after every meal.

The following quotations from a recent work on teeth and health are worth remembering:

"Dentists have found that the exercise of gum chewing brings about a better nutrition of the teeth . . ."

"The cleansing action of the gum between the teeth helps to keep them free from the particles which lodge in the crevices and cause decay."

The busy man—or woman either—rarely has time to clean the teeth after eating. Yet they should be cleaned, and

WRIGLEY'S

after every meal

will do it. Also it will aid digestion and furnish welcome refreshment to mouth and throat.

Sealed in its purity package, bringing all its original goodness and flavor to you.

*BUSY GEORGETOWN.—It is very encouraging to note that all those interested in the welfare of Georgetown are losing no time so far as the spring activities are concerned. The Women's Institute has seen to it that the many shade and ornamental trees planted along the streets a few years ago, have received a due amount of necessary fertilization and care. The Council is to be congratulated for the splendid work done on the streets. All are now in first class condition. This work has been carried on under the direct supervision of Mayor McLaren who has had much practical experience in road-making.—A largely attended meeting was recently held for the purpose of organizing an athletic association. Very commendable interest was shown not only by the young men and boys, but also by the two resident clergymen, the Mayor and Council and the business men. A very complete set of by-laws was prepared and adopted, and a strong representative executive appointed. No doubt we shall hear from this association during the coming summer.—Principal Bréhat and his staff are conducting the school in a very satisfactory manner. It is to be hoped that the services of the entire staff of teachers may be retained.

Although she had not enjoyed the best of health for several years, her sudden death comes as a great shock to her relatives and many friends. Much sympathy is felt for the bereaved family in the loss of their daughter at the early age of eighteen years. Besides her parents two brothers are left to mourn. Marjorie and Chester, both at home.

Amazingly Inexpensive

You'll be surprised to find how little Dominion Linoleum actually costs. For a very moderate outlay you can attractively cover every room in the house—and then forget floor covering expenditures for years. This is added economy you'll surely appreciate, the economy of long wear that helps home budgets and eliminates financial worry.

But this is only one of the reasons why many practical women seek these modern floors. They know the happy release from cleaning drudgery Dominion Linoleum brings. No beating. No heavy sweeping. Light brushing or mopping is all the effort needed to keep it spotlessly clean and sanitary.

DOMINION LINOLEUM

is non-absorbent and germproof and comes in widths sufficient to cover any ordinary room, without crack or seam. There are numerous designs to choose from, the colorings are supremely beautiful and appropriate.

Dominion Linoleum Rugs

are very popular, too. They have all the durability and labor-saving qualities of Dominion Linoleum and are made in a range of sizes to fit any room. Rich and substantial in appearance, they harmonize perfectly with the other appointments of a well-furnished home. They can be rolled up and moved without cracking or breaking.

See these fine floor coverings at home furnishing and department stores.
