

You Look As YOU FEEL

You know well enough when your liver is loafing.

CONSTIPATION

is the first warning; then you begin to "feel mean all over."

Your skin soon gets the bad news. It grows dull, yellow, muddy and unsightly. Violent purgatives are not what you need—just the gentle help of this old-time standard remedy.

ENMORE NOTES.

The usual grass-shedding season on Emmore river has been very successful so far. Messrs. Havelock Bryant, John Henry Bryant, Wesley Moore, and John Enman bagged the largest number. The ice on Emmore river has begun to break up and everyone is anxiously waiting for a favourable wind to carry it, with its chilling influence, away. The farmers of this locality, although shorter of help than in former years desire to cultivate ever a larger area of land than heretofore. Despite their increased responsibilities and difficulties a spirit of optimism prevails. No doubt each farmer realizes the urgent need of increased food production. In doing his bit as a soldier of the soil, each producer is helping to forward the Empire's cause.—Y.

MINISTER REMEMBERED.

On Sabbath morning, 28th inst., Rev. Wm. McLeod, as substitute for Rev. Mr. Brown in the Methodist church in Bridgetown, entered the pulpit. Mr. George Creed handed him the following address, accompanied with a nice sum of money. Mr. McLeod expressed surprise and pleasure occasioned at the presentation. Rev. Wm. McLeod: Dear Brother McLeod,—We, the members and adherents of the Methodist Church of Bridgetown, have appreciated very much your kindness and many labors of love while you have been among us and would ask you to kindly accept this small sum of money as a token of the esteem in which you are held by us. We wish you many years of life and happiness, and a rich harvest in your labors. We also wish health and happiness for Mrs. McLeod and Miss Marion. Signed in behalf of the members and adherents of the Bridgetown Methodist church.

Gentlemen,—I had my leg badly hurt, the pain was very severe and a large swelling came above the knee. I expected it would be serious—I rubbed it with MINARD'S LINIMENT, which stopped the pain and reduced the swelling very quickly. I cannot speak too highly of MINARD'S LINIMENT.

A UNIQUE EVENT.

The first V. A. D. Class who have taken their course in nursing and first aid, and the second class who have just completed their home nursing course will be presented with their diplomas Friday evening at 8 o'clock in Prince of Wales College Hall. Four of the young ladies of the first class are going overseas shortly, and the function will be made a patriotic as well as a professional one. An excellent program has been arranged, consisting of musical and literary selections. As this is the first event of its kind in Charlottetown, a large attendance is expected to show their appreciation of the excellent work done by these young ladies.

BUSY BEE SOCIETY.

This Society was organized on May 1st, 1917, under the careful supervision of Mrs. A. Jardine and the members take this opportunity of thanking Mrs. Jardine for bringing this society to such a successful issue. This society is comprised of the young ladies of Pownall and Village Green, and they have by their patriotic work during the past year, shown that they have not forgotten the boys in khaki by remembering them from time to time with well-filled comfort boxes. The Busy Bees have knitted fifty-four pairs of socks since they began knitting in January. They wish to thank Mrs. J. T. Mitchell for kindly donating two lbs. of yarn, and Miss Susie L. Weatherbie for two lbs. of rolls.

WEDDING BELLS.

A pretty marriage was solemnized at 5.30 o'clock yesterday morning by the Rev. Dugald McKenzie, when Miss Mary Gertrude McKenzie, daughter of Mr. and Mrs. Arthur McKenzie, Bayfield Street, became the wife of Mr. John Matthews of Alberton. The bride who was attired in a navy suit with rose sailor hat and wearing grey wolf fur was attended by her sister Miss Winifred McKenzie, while Mr. Fred Cox did the honors as groomsmen. After the ceremony the newly wedded couple left by the Borden special on a short honeymoon. The bride who had been employed as book-keeper with Messrs Saunders & Newsome was a popular young lady and received many handsome gifts.

FOR GARDENERS.

If you are cultivating a vegetable garden, either at home or on a vacant lot, it would be an evidence of wisdom to send to the Publications Branch, Department of Agriculture, Ottawa, for Circular No. 14, entitled "Vegetable Gardening at Home and on Vacant Lots," and prepared by the Dominion Horticulturist. This circular, which can be had free of all cost, supplies information of a practical nature on every vegetable that it is desirable to cultivate for domestic consumption. It gives advice on the preparation of the soil, and on planning and arranging the garden, quotes examples of success achieved in 1917, supplies a list of the best varieties of vegetables for different districts, and describes how the growing plants can be protected from disease and insect ravages.

IN MEMORIAM

WHAT HE NEEDED

A regiment of Canadians was offered by a small and unpopular second-lieutenant. He had a violent temper, and every man loved to route it. One day he was particularly peevish, and, stepping up to a massive man, one of the finest fighters in the regiment, he began to abuse him. The massive one listened with a tired smile on his face, which so infuriated the little officer that he grew almost incoherent. At last the big man thought it time to interfere. He turned to the man next him, and said sweetly: "Say, Bill, go and fetch a stop-ladder. I believe he wants to box my ears."
