Criticize Delay In Baseball Playdowns

(C. P. By Guardian's Special Wire)
AMHERST, N. S., May 15.—Delegates to the semi-annual meeting of the Maritime Provinces branch of the Amateur Athletic Union of Canada today, in supporting a resolution from the Prince Edward Island Baseball Association, criticized other baseball organizations in the Maritimes for permitting too much delay in intermediate and junior play-downs last year.

FIX RETAINING WAGE

BELFAST, May 15.—(CP)—The Irish football league has fixed the retaining wage to be paid professional players for the season 1935-36 at one pound a week. This does not mean that is all the player is paid, but if the club and player cannot agree they must offer this minimum and then he can appeal.

NEW YORK, May 15.—New York Giants managed to sink one half of the Dean boys today, big brother Dizzy, but it's brother Duffy who's the same old problem and so St. Louis Cardinals split a double header before a great week-day crowd of 41,110, losing the first, winning the second, both by 4-1 count.

Dizzy and all the Cards had one turbulent inning in the first game, the seventh, when little Hughie Critz hit his second home run off the lanky right hander, a feat so astonishing and upsetting to the Cards that they promptly made four errors before the side was out, three runs scoring in all, enough to ensure 20-year-old Clyde Castleman his third straight victory for the Giants. Big Dizz allowed only six hits but Critz alone was too much for him.

Great Comeback

With brother Paul hurling beautiful five-hit ball in the second, the Cards came back to gang Hal Schumacher for four runs in the fourth, when Rip Collins slashed a home run into the upper right field deck with two on. Paul fanned seven, and would have had his shutout but for the fact Ernie Orsatti dropped an easy fly ball in right field in the first inning, putting Dick Bartell on second. Bill Terry scored him with a single past third.

Brooklyn Dodgers cling to second place in the National League standing by defeating Chicago 3-1 in the second game of a double-header at Brooklyn after blowing the opening decision 8-4 in the ninth inning.

Trailing 3-1 in the first, Brooklyn rallied behind Dazzy Vance's relief hurling to tie the first game count, 1-1, to lose out when the Cubs piled up four hits and four runs in the final inning. In the aftermath Emil Leonard pitched shutout ball up to the ninth, when Van Mungo pulled him out of trouble.

Pirates Trounce Phillies

Pittsburgh swept the three-game series with the Phillies by pounding four pitchers for 19 hits and a 20-5 triumph. In three games at Philadelphia, Pittsburgh has scored 38 runs and made 59 hits. Bush started for the Pirates but was knocked out in the first inning when the Phillies scored five runs. Swift, who relieved him, blanked the Phils the rest of the way.

Cincinnati put off their game at Boston until a later date.

ON THE SIDELINES (By Pat Power)

WITH THE EXCEPTION of the final acceptance of the schedule, plans for this year's City Baseball League are now completed. A meeting of the officers and executive at the Holy Name Club Rooms last evening saw several important matters discussed and decided upon and about all that remains is the umpire's cry "Play Ball" on May 24th, an utterance that is hoped will send the four-team league on its way to the most successful ball season Charlottetown has experienced in years.

THE FOUR TEAMS, Stars, Holy Redeemer Club, Cubs and Falcons were officially admitted to the loop, the managers handing in the names of the players on their rosters, all receiving the O.K. In regard to the Falcons an explanation seems necessary. At the start of the season it seemed probable that last year's champions would play under the colors of the Holy Name Club but lately unforeseen difficulties arose and last evening it was decided that the squad retain their original name.

FOUR GAMES ARE to be played a week, on Monday, Tuesday, Thursday and Friday evenings up to June 30th, this date marking the end of the first season. This is quite a change from other years and if it proves successful there no doubt it will continue on through the second stage of the campaign.

THROUGH THE co-operation of the Mayor and City Council the Victoria Park diamond is to be put in tip-top shape. It is to be skinned and rolled thoroughly and as far as the diamond is concerned it looks as if it will be conducive to real good baseball.

IN FACT NOTHING has been left undone to make a complete success of the loop. Officers and executive have been untiringly in drawing up plans in the best interests of the league and the players themselves have shown a willingness to co-operate and do their share. Gone is the "I-don't-care" attitude that somehow seemed to creep into former leagues, which is a good omen.

PLAYERS HAVE BEEN chafing at the bit the last few days as cold and rain have combined to stop scheduled workouts but the club has failed to dampen their enthusiasm. They are waiting for the first break by the weather-man and they will be out in full force making up for the time that has been lost.

WORK ON THE new Holy Redeemer Club diamond has also been retarded. However the skinning of the infield has been completed and it is expected by the first of the week levelling and rolling will be finished. When complete it seems likely this new playing field will be as fast as any in the province and while naturally defects will be found at first they will be speedily remedied.

THE MARITIME baseball championship is yearly becoming a much more sought after honor. For awhile clubs were content with home brew talent; not content however those latter years has seen importation among the three provinces develop at a rapid rate and it seems hard to tell just where the preceding year's stars will be located as a new season makes its bow. And now clubs are to be allowed to wander outside the boundaries of the Maritimes.

DECISION YESTERDAY of the M. P. B. A. U. of C. to allow American players to form the newest trend. Whether or not it will lead to arguments such as marked "Big Four" hockey affairs remains to be seen but it is hoped that such will not be the case. However it will be up to the various officers to see to it that the imports, if there be any, do not overstep the rules and regulations that are now in force.

Pa Dempsey Seeks Divorce

(A. P. By Guardian's Special Wire)
SALT LAKE CITY, May 15.—Eliam Dempsey, father of the former heavyweight boxing champion, Jack Dempsey, filed suit for divorce today against his third wife, charging her with inflicting "bodily injury" upon him.
The elder Dempsey gave his age as 73 and that of his bride, Hannah Lyle Dempsey, as 37, at the time of their marriage in 1931. Dempsey's first wife, Mrs. Cecilia Dempsey, mother of the former champion, lives in a luxurious home here given her by her son.

COLORED HOCKEY PLAN

WINNIPEG, May 15 (CP)—Tom O'Hanley of Winnipeg plans to organize a negro hockey team to tour Canada and the United States next winter. He expects to recruit most of the players in the Maritimes and do the entire season training at Quebec.

Veteran Pitcher Leads White Sox To Shutout Victory; Yankees Blank Tigers

NEW YORK, May 15.—Behind a superb three-hit pitching performance by the veteran Ted Lyons, Chicago White Sox closed their surprising home stay today with a neat 5-0 shutout victory over Philadelphia. The victory sent last year's cellar occupants on the road in first place.

Lyons retired the first 14 batters to face him, allowed only four men to reach first and permitted none of them to get any farther. Meanwhile, he and his mates batted Merit Cain out of the box, sewing up the game in the fourth when Zeké Bonura singled and scored on manager Jimmy Dykes' single after moving to third on two fielders' choices.

Indians Win Close Game
Cleveland Indians, led by Ab Wright, rookie outfielder who pounded out a home run and a triple, defeated Washington Senators, 5-4 at Cleveland.

Wright's long fly in the eighth inning enabled Hal Trosky to score the winning run. His triple in the sixth inning scored Hale. His home run in the second inning, over the right field wall, was his first circuit clout of the season.

Lloyd Brown, who replaced Oral Hildebrand on the mound for Cleveland after the Senators had tied the score in the seventh, got credit for the victory.

Yanks Blank Tigers
New York Yankees again showed their power against southpaw pitching by trimming Detroit Tigers and Joe Sullivan, clever young left hander, 4-0, at Detroit, in the final game of their western tour.

It was their first triumph in the series with Detroit.
Cleyer Ruffing, who had faltered to complete one of his first three starts, came back with a brilliant six hit shutout performance while Sullivan, who had won three in a row, was rapped freely and Elton Hogsett, another prospect, was touched for the last couple of Yankee hits and the final run.

Boston was rained out at St. Louis.

AMHERST, N. S., May 15.—An opening to allow United States amateur baseball players to join teams in Eastern Canada was made by the Maritime Provinces branch of the Amateur Athletic Union of Canada at its semi-annual meeting here today.

Over the protests of only a few representatives and with little discussion, decision was made to permit American players to play in the Maritimes this year, providing they are not college or high school men and if they comply with residence and other rules of the organization. The resolution was sponsored by A. J. Mason, representative of Springhill Iron Dukes.

President James E. Wry of the Maritime Amateur Hockey Association drew on his hockey experience to disclaim the resolution saying it would lead to importations and "might be borrowing trouble."

In the absence of C. C. Gillespie of Moncton, N. B., Vice-President Tom McDonald of Halifax was in charge of the meeting.

A change in membership fees for baseball teams, moved by Tom McDonald, was adopted. Senior clubs will be charged \$5 and will be entitled to two votes; intermediate clubs, \$2.50 and one vote; junior, no fee and no vote.

The meeting awarded the Maritime amateur hockey championship to the Marathon Club of Sydney, N. S., the same organization that will sponsor the Maritime track and field championships. The dates of the boxing tourney will be July 31 to August 7, conforming with old home week celebrations there.

Runyan Man To Beat Says Walter Hagen

DETROIT, May 15.—Now that Walter Hagen has passed "kindergarten" successfully by qualifying for the United States open golf championship to be played at Oakland in June, he's willing to hazard an opinion on who will be "the lad to beat" for the title—"if conditions are right."

Hagen, who shot a 149 to gain a place among five qualifiers from the Detroit district, believes he himself has a "fair" chance to win the crown. He admits he's slowing up a little and has lost his old putting touch, but he's willing to name the player most likely to give everyone trouble.

"I think Paul Runyan is the lad to beat, if conditions are right," said Sir Walter. "The thing I like about him is that he's careful. He studies every shot a long time, and he knows just about what he is going to do. Oakland is that type of course where a fellow will have all kinds of chances to study shots, too."

Hagen explained that a lot depends on the weather conditions under which the open is played.
