THE Y. M. C. A. BOYS' CHRISTMAS FUND.

"He gives twice who gives quickly." The past two days with its frosty air and biting wind remind us that the winter season, a time of such dread to those but poorly prepared, is upon us. Our first appeal for contributions to the Christmas fund brought in a generous response, but the gifts so far are quite inadequate to fill stockings for the many poor children whose names we have received.

We can best enjoy the good things, which this season of the year brings to us, by sharing with others. A great many of the children in the comfortable homes of Charlottetown have discarded toys and books which would bring joy to the heart of some poor child.

As there are many stockings to fill we would appreciate having the contributions sent in early. Money, candy, fruit, nuts, raisins, toys, books, etc. etc., all will be acceptable. WINDFALL FOR DRAYMAN.

At Work in Brewer's Yard While a Fortune Waited.

A brewer's drayman has been working for upwards of thirty years in London when he might have been living at that time on a fortune of many hundreds of thousands. In the meantime the money has accumulated to upwards of \$7,500,000.

Wood is about fifty years of age. For the last thirty years he has been employed as a drayman by Messrs. Watney, Long-acre, and Reid, of Castle street. Until the unexpected windfall came Wood had never spoken to any of his fellow-workmen of hopes of coming money.

But in talking over his good fortune with Mr. Charles Eveleigh, foreman of the brewery yard, he told him that he recollected his father saying that they had relatives who had emigrated to Australia in the early years of last century. They had, however, been entirely lost sight of.

Wood was a strong, well-built man, and had a good character in his situation. When a solicitor, who had found out his existence by the search of church registers at Cambridge and Wisbeach, told Wood of his good fortune, and handed him a draft for £5,000 as a guarantee of good faith, the hard-working drayman did not lose his head and buy up all the casks in the yard for the entertainment of self and friends. He calmly gave a fortnight's notice, and millionaire that he was, worked out his time.

Wood lost his wife about eighteen months ago, and has no children. The lucky drayman has a half-sister living, but apparently she is not entitled to any of this wealth.

The estate from which the fortune is derived is about 150 miles from Sydney. Wood has gone out to settle up matters.

Love is sometimes a hard taskmaster. He drives women to tasks beyond their strength and lays heavy burdens on their shoulders. Love of husband, love of family, forces many a woman day by day to labor for the home when aching back and throbbing head make her utterly unfit for household duties. Weak, nervous women who suffer from headache, back-ache, bearing-down pains and other consequences of womanly disease, can be completely cured by the use of Doctor Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.

"About two years ago I was taken sick and it seemed as if I had no nerves at all," writes Mrs. P. Woodbeck, of Delray, Mich. "Could not work an hour in the day without being tired out. I doctored first with one physician, then with another, but did not receive any benefit. One would say one thing and the next something else. I had almost given up when I thought your medicine might help me, so I wrote to you asking what to do. You advised me to take Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery.' I did so and could see a difference right away. I only took four bottles in all and felt better than I had in a long time. Can work all day now and not get tired as I would in an hour before taking your treatment. I think it is the only medicine."

Dr. Pierce's Pleasant Pellets cure dizziness and sick headache.
