THE HOME MONEY MAKER

To Work at Their Homes Under the Direction of The GLASGOW WOOLLEN CO. 37 MELINDA ST., TORONTO, To Fill Large Contracts—Good Wages Easily Earned.

We want a few more workers in this locality, at once, and in order to secure your co-operation without the delay of correspondence, we herewith explain our full plan in this advertisement. The work is simple, and the Machine is easily operated, and with the Guide, requires no teacher. If you wish to join our staff of workers let us hear from you promptly with the Contract, order form, and remittance, as a guarantee, and we will send machine and outfit to begin work at once.

OUR METHOD OF DOING BUSINESS

We wish to secure the services of families to do knitting for us in their homes. Our method is the same as adopted in England. We are the introducers of this plan and the largest knitting concern in Canada.

After long experience, we have been able to produce an Automatic Machine by which all kinds of seamless knitting is now done by our Family Machine, thereby enabling anyone of ordinary intelligence to quickly learn to do the work from the Instruction Guide. All we require is that you use the machine according to directions. The Machine being made expressly for this purpose, and the operation so simple, it cannot possibly make a mistake in its work.

The great demand now is for Bicycle Stockings, Woodmen's Socks, and Motormen's Mittens, and as we are unable to supply the demand, have taken this method of advertising for more help.

The large export trade to the North-west Territories, British Columbia, and the British Colonies, furnishes an unlimited demand for our goods, and, with the combined operation of the many families we are employing, together with the large amount of knitting we are able to turn out, enables us to undersell any manufacturers of this class of goods, and we have sale for all the knitting we can have turned out.

The price we pay for finished bicycle stockings is \$10.00 per hundred, or at the rate of 10c per pair; woodmen's socks, 5c, and motormen's mittens, 12c a pair. All other work in proportion to size.

The machine can be operated by any one of a family, and at our prices any energetic family should be able to sustain themselves comfortably, and in time be a source of independent comfort.

Our plan is to send out each machine to beginners with a sock or stocking partially knitted, and remaining in the machine ready to be continued, and also enough yarn to knit one pair of socks or stockings, and a complete instruction guide, showing how the work is to be done. When the samples have been finished, and returned to us satisfactory, we send a quantity of yarn, which you knit and return likewise when finished. We pay you by check on all work one way, and our workers pay return charges. The work, as we have stated, is simple and rapidly done, the machine having a capacity of ten thousand stitches a minute. We have many persons now in our employ who can knit from twenty-five to thirty pairs of socks or stockings a day, and where the time of a family is devoted to the work, you can readily see that \$15.00 or \$20.00 per week can be easily earned.

We furnish our workers all the materials, yarn, etc., free, and everything that is necessary for the work. We are furnishing the machines only for the exclusive use of those desiring to take employment with us, who must, in order to become a member, send us this Contract Order Form, properly signed by them, and at least one good reference, and remittance accordingly, to give us the necessary assurance that the quantities of valuable yarn we may send from time to time will not be wasted or misappropriated. Our interests are mutual, and this confidence must be established if we are to succeed. We guarantee fair dealing and prompt payment for work, so do not ask us to deviate from our terms, as we cannot make a distinction with one and not another; besides, we are doing an extensive business, and must be governed by business principles.

The manufactured price of the machine is \$15, and positively not to be sold to any others than those who will agree to do knitting for us. If at any time after you commence, and have done an amount of work equal to the purchase price, and wish to discontinue, we will take back the machine, and refund the amount paid for same, after deducting cost of our expense only.

There is a Large Demand by the Trade for this class of work. Our workers can depend upon it year after year, and if you engage with us (whole or spare time) we will keep you supplied with work as long as you do it satisfactorily for us and return it promptly. We entrust our workers with large quantities of valuable yarn, and as we give

references as to our honesty and integrity, we must ask you to do the same, in order that we may know with whom we are dealing.

We have, in as brief a manner as possible, endeavored to show you what our work is, and we simply say as to the machine, it is just what we represent it to be, and will positively do everything we claim for it, or refund the money. Each machine, securely packed with an outfit, is set up for work, thoroughly tested, and a sock or stocking partially knitted before boxing and shipping. Should you decide to engage with us, it will be necessary to send us Cash Contract Order Form, properly signed by you, and at least one good reference, together with the remittance, accordingly, upon receipt of which we will forward machine and outfit ready to commence.

GLASGOW WOOLLEN CO., 37 Melinda Street, Toronto

References—Express Companies, Banks, or Toronto Business Houses. If you wish to examine the machine and see the material before undertaking the work, you can do so by sending \$3.00 as a guarantee of good faith, and to defray expense of shipping, and we will send everything to your nearest express company, leaving a balance of twelve dollars to pay the agent and 25 cents for the return charges on the money to us.

We are so frequently and unnecessarily asked if one can learn to knit without a teacher. We say: Yes; it requires no teacher; any person of ordinary intelligence who can read the Instruction Guide can learn to knit at once.

"STOMACH VERY BAD."

Mr. H. Bouchard, of Quebec, Suffered Extreme Agony for Two Years—Having Found a Remedy in Dodd's Dyspepsia Tablets, he feels it his Duty to tell the Public.

H. Bouchard, of 300 St. Valier street, Quebec, says:—"It is my duty to tell the public that I have been cured of a violent malady of the back caused by dyspepsia, by the use of Dodd's Dyspepsia Tablets. My stomach was very bad, and I suffered very greatly for two years.

"I used Dodd's Dyspepsia Tablets and am now well. I would not be without them."

What has cured Mr. Bouchard will certainly cure anyone. He was a very bad case, and he had little hope of ever leaving behind him the dreadful pain caused by Dyspepsia. He is very grateful for his recovery, and is recommending Dodd's Dyspepsia Tablets to all his friends.

There is nothing to be wondered at in this, and anyone who is suffering from the tortures of Dyspepsia and indigestion, can understand how very thankful they would be for a delivery such as Mr. Bouchard has attained.

They may have just such a cure. Dodd's Dyspepsia Tablets will cure them. Dodd's Dyspepsia Tablets never fail to cure Dyspepsia, Indigestion, Heartburn, Sour Stomach, or any other stomach trouble (except Cancer).

If you are a sufferer from any of these troubles, be guided by the experience of Mr. Bouchard, and you, too, will very soon be singing the praises of Dodd's Dyspepsia Tablets.

You are doubtful. You have been disappointed so often, then perhaps you have reason to be cautious. Dodd's Dyspepsia Tablets have convinced many a sceptic, and delighted many a doubter. They never disappoint.

The proof—Mr. Bouchard, whose letter appears above; Mr. Geo. Arthurs, of Toronto (122 Argyle street); Mrs. James Bradley, of Smith's Cove, Digby County N. S.; Mr. D. G. Ross, farmer Dundas P. O. Ont.; Miss Maggie Gallant, Summerside, P. E. I.; Mr. Ademar Coderre, of St. Jacques, Quebec, and thousands of others, the list of whose names and addresses would fill the columns of this paper for weeks.

Dear Sir.—This is to certify that I have been troubled with a lame back for fifteen years. I have used three bottles of your MINARD'S LINIMENT and am completely cured. It gives me great pleasure to recommend it, any you are at liberty to use this in any way to further the use of your valuable medicine. Two Rivers. ROBERT ROSS.

Why People Become Deaf.

Evidence Which Goes to Show that the Most Common Cause of Deafness is Catarrh, and that it can be Completely Cured.

Until recent years it was not generally understood what the real cause of deafness was and why people in some countries are so much more afflicted than in others. The late Sir Monro, M.D., of Edinburgh, who was the greatest authority on diseases of the throat proved that the most common cause of deafness was disease which was less settled in the Throat, such as Catarrh, Quinsy, Catarrh, etc., but the greater percentage of deafness came from Catarrh. The inflammation which leads from the back of the throat to the ears, becomes inflamed, where the swelling that is produced thereby closes up these tubes and shuts the air out of the drum, which does not allow it to convey the noises for which nature has fitted it. First, strange, buzzing, or humming noises are heard, then gradually increasing deafness. The first evidence that you will bring to show you that deafness can be cured is that of Mrs. Alex. Brown, Warren, Ont., She writes:—"For years I have been troubled with Catarrh which affected my hearing. For five years I could not hear a watch tick. I spent much money foolishly in search of a cure but received no permanent cure until I used Japanese Catarrh Cure. After I had used the second bottle, my hearing began to get better. I continued until I had used five bottles, which has resulted completely curing every trace of Catarrh and restoring my hearing. I feel very grateful for the wonderful benefits derived from Japanese Catarrh Cure, as it has done for me what hundreds of dollars spent with doctors and scores of remedies failed to do."

Mr. J. N. Spenser 11 Coolman avenue Toronto, writes:—"One month's treatment with Japanese Catarrh Cure has completely cured me of Catarrh of the Nose and Throat, and restored my hearing. Previous to using this remedy I doctored with specialists in Toronto and (while there about three years ago) but I found Japanese Catarrh Cure the only remedy which really improved my hearing. It has almost as acute as any person's could be while before I could not converse with any person at any distance, and could not use the telephone. I am pleased to comment Japanese Catarrh Cure. I have every reason to believe my cure permanent, as it is now over a year since I used the remedy."

Japanese Catarrh Cure is the only practical and permanent cure for Catarrh of Catarrhal Deafness. It is pleasant and easy to use. All druggists sell it complete for 80 cents. Trial size 10 cents by mail, postpaid, from The Griffiths & Macpherson Co., Limited, Chemists, Toronto, Ont.
