

An Absolute Cure For DYSPEPSIA

Indigestion, Belching of gas after eating, mean weakness. By means of its muscles, the stomach should churn the food—changing solids into liquids—mixing in the gastric juice to start digestion.

Fruit-a-tives

strengthen the stomach—just as juicy beef and eggs and milk strengthen the wasted frame of a patient getting over Typhoid.

FRUIT-A-TIVES contain the elements that give new vigor new energy—to the muscles lining the stomach—stimulate the digestive glands and assure a copious flow of gastric juice for each meal.

More than that, FRUIT-A-TIVES correct the Constipation which usually attends stomach trouble—and by acting directly on kidneys and liver, put the whole system in healthy condition.

FRUIT-A-TIVES are a peculiar combination of fruit juices and tonics that are known all over Canada for their wonderful cures in all stomach, liver and kidney troubles.

GOREMYKIN IS TO STAY IN POWER

St. PETERSBURG, June 11.—The report of the retirement of the Goremykin ministry was definitely killed late tonight when the premier returned to St. Petersburg from Peterhof where he went this afternoon for an audience of the emperor, and authorized the statement that he had not tendered his resignation and has no expectation for the present of retiring from his post.

COUNT WITTE IS VERY PESSIMISTIC

St. PETERSBURG, June 11.—A private letter received here from Count Witte, who left Russia May 29 for Brussels, whence he was to go to Germany, is couched in a very pessimistic tone.

THREE TRYING TIMES IN A WOMAN'S LIFE

There are three periods of a woman's life when she is in need of the best strengthening, nerve tonic, blood enriching agent.

MILBURN'S HEART AND NERVE PILLS

The first of these is when the young girl is entering the portals of womanhood. At this time she is very often pale, weak and nervous.

The second period is motherhood. The drain on the system is great and the exhausted nerve force and depleted blood require replenishing.

The third period is "change of life" and this is the period when she is most liable to heart and nerve troubles.

A tremendous change is taking place in the system, and it is at this time many chronic diseases manifest themselves. Fortify the heart and nerve system by the use of Milburn's Heart and Nerve Pills.

Price 50 cents per box, three boxes for \$1.25, all dealers, or The T. Milburn Co., Limited, Toronto, Ont.

WHAT WOMEN SUFFER

At All Ages They Need the Rich, Red Blood That Dr. Williams' Pink Pills Actually Make.

A woman needs medicine more than a man. Her organism is more complex, her system more delicate. Her health is disturbed regularly in the course of nature. If anything happens to interfere with that natural course she goes through unappealing sufferings.

Mrs. Edwin Ward, Brookside, Ont., says: "For years I suffered from those ailments that make the lives of so many of my sex miserable. I would take weak spells and become so nervous that I could not go about. My stomach was out of order, and I frequently vomited the food I took. Headaches and backaches afflicted me nearly all the time.

EDITOR'S MAIL

SHEEP KILLED BY DOGS.

Sir:—I had the pleasure a few nights ago of having a visit from some very kind dogs, which destroyed fourteen sheep and ten lambs in one night. Now Mr. Editor, this kind of work has been going on for years on this island by worthless dogs and our present Legislature does not seem to bother about making any law in regard to dogs worth speaking about.

It is all very nice for newspapers to say there is good money in sheep but so far they have not addressed our present members about how dogs like the sheep and lambs. Now the farmers ought to get a law that will compel every owner of a dog to have him locked up or tied at seven o'clock p.m., until six o'clock a.m., and any found roving before or after these hours the owner to be fined \$25.

Your Respectfully, JOHN P. KELLY, Stanchel.

ADDRESS AND PURSE FOR DR. TROTTER

WOLFVILLE, June 11.—A marked feature of the commencement exercises at Acadia College recently was the presentation of an address to Rev. Dr. Trotter, the retiring president of the university. The address was couched in very complimentary terms and spoke lovingly of the great work Dr. Trotter had been able to do in the two forward movements and in other ways for the university.

How Eczema Is Recognized

HOW IT IS PROMPTLY RELIEVED AND THOROUGHLY CURED BY Dr. Chase's Ointment.

There are many kinds of eczema, but all have such symptoms as redness of the skin, with a yellow tinge, heat and inflammation, swelling, discharge of watery matter and the formation of a crust.

The most constant and troublesome feature is the itching and burning which varies from that which is positively unendurable.

Persistent treatment is always necessary, but you can depend on it that Dr. Chase's Ointment will cure you. Relief will come after the first few applications, and the healing process will be gradual and natural.

It is due to its remarkable record in the cure of eczema that Dr. Chase's Ointment has become known the world over. For every form of itching skin disease or skin irritation it is of incalculable worth.

Mr. Jas. H. Patriquin, 176 Rockdale Ave., Sydney, C. B., writes:—"I feel it my duty to you and to suffering humanity to tell of the benefit derived from the use of Dr. Chase's Ointment. My daughter, thirteen years old suffered from eczema for three years. She was treated by my family physician and used other ointments without benefit.

By using Dr. Chase's Ointment she has been completely cured. This is the only ointment I feel like recommending and if you wish to use this statement for the benefit of others it is at your service."

Mrs. Ellen M. Saunders, South Farmington, N. S., writes:—"After having given Dr. Chase's Ointment a thorough trial I am pleased to be able to pronounce it the most healing preparation ever offered to sufferers from skin disease, and can truly say that Dr. Chase's Ointment cured me after all other remedies had failed."

Mothers use Dr. Chase's Ointment for the chafing and skin troubles of their babies in preference to unsanitary pore-clogging powders; 60 cents a box, at all dealers or Edmanson, Bates & Co., Toronto.
