WESTVILLE WINS NOVA SCOTIA-
P. E. ISLAND CHAMPIONSHIP

Defeating Abegweits by Score 10 to 8-
Locals Get Early Lead to be Turned
Back and Beaten.

By ("TEC")
Jumping into an early lead of
runs to 1 in the first inning, the
Abegweits battling with Westville
yesterday in the third and final
game of the championship series
were forced to see their majority
cut down to finally lose the ver-
dict by a score of 10 to 8.

It was anything but a colorful
game of ball lacking for the most
part the scintillating plays pro-
ductive of Wednesday's fixture.

Connors starting on the mound
for the Abbies, weakened in the
fourth but was not relieved until
the sixth when "Lefty" McQuaid
took the slab with a 7 to 5 lead on
his shoulders and endeavored to
hold the fort. He did remarkably
well, holding the visitors to three
runs, while his team counted for a
like number.

Williams hurrying for the winners
had but one tough inning, that was
in the first, the locals crossing for
five tallies before the third out.

The Abegweits lost their last
chance for 1926 but before going
down gave the Nova Scotia cham-
pions a fight long to be remem-
bered. Westville ball players said
after the game that the Abegweits
were one of the hardest teams to
play against in the lower provinces.

Game by Innings
First Inning, Abbies—McEachern
strikes out. "Dempsey" Diamond
gets a life on Oliver's error on the
throw from a ground ball. Ed
Lynds is on today and singles ad-
vancing Diamond to second. Fran-
cis singles filling the bags. "Dut-
chy" Diamond doubles scoring
Dempsey and Lynds. McCarey
doubles scoring Francis and Dut-
chy Diamond. Bill Ryan takes one
as McCarey steals third. Ryan sac-
rifices scoring McCarey. Cronin
ends the disastrous first, grounding
out to Oliver.

Westville—B. Dunbar works Con-
nors for a free pass. Durrach bat-
ting takes on as Dunbar steals
second and third on a passed ball.
Durrach strikes out. Oliver singles
scoring Dunbar. Williams flies out
to Dutchy Diamond in deep centre.
J. Dunbar fouls four then grounds
out to Dempsey Diamond.

Score—Abbies 5; Westville 1.
Second Inning, Abbies—Connors
infield fly out to William Mc-
Eachern also infield fly to Oliver.
Dempsey Diamond is safe on a
single along first base line. Ed

visitor at Pinette last week, the
guest of Mr. and Mrs. Angus Mc-

Mr. and Mrs. John Buchanan,
Mr. and Mrs. George Docherty, Mr.
and Mrs. Wilfred McWilliams, Miss

The many friends regret to hear
of the sudden death of Mrs. Norman
McPherson, Eldon, which occurred
in Charlottetown, Sept. 21st. Mrs.
McPherson, accompanied by her
husband, was a passenger to Rose-
berry on the S. S. Harland the day
of her death.

What Makes It
So Wonderful?

Naturally, the question follows the utter
astonishment of hearing the new Orthophonic
Victrola for the first time.

COMPARED with the enchantment of actual
performance,—explanation seems futile.
Yet, humans are curious. The query persists:
"What makes Orthophonic Victrola music so
captivating?"
First, there is the revolutionary new acoustic
principle. Second, there are the things it only
—of all reproducing instruments,—accomplishes.
The Orthophonic Victrola reproduces the bars
sounds as they should be heard. Harshness,—it
does not know. Piano notes are maintained for
their true duration.

Organ music has full organ resonance.
Dance music rhythm is comely faithful
to its original. Vocal harmonies are clear
and distinguishable from one another. Diction
is natural as life. All tones in their true
proportionate values. The re is beauty
that matches the original, tone tone.

There is yet a third reason for wonder of
this peer of instruments. It is a product!
