Army Team Wins Third Victory In C.B. League

IN THE CORNER

Three of the teams that will compose the City Hockey League season worked out at the arena yesterday.

The other two teams were the Navy and the Army. Respective coaches did not show up on but the skating ability of the players and it could easily be seen that hockey prowess will be displayed during the league.

The other three squads that will compose the league will also have their workouts this week. Lineups have not been announced but it is generally expected that the league will be one of the closest, hardest fought schedules to take place in the city since the days of the Big Four.

Definitely the league will get underway on the 15th of the month. From then until the first of March the six teams will probably furnish hockey fans with some of the best competition witnessed since the days of the Big Four.

Of course the brand of hockey played won't be of the same starry calibre fans used to pack the Forum to see but the teams will furnish some competition that should draw in all hockey fans throughout the city.

It was suggested recently that the government should be induced to give the younger element a chance to have some real outdoor exercise in the way of skating.

Yesterday afternoon Clifford Green and Fred Bradley, two city employees, borrowed a gasoline pump and sprayed the pond with a good coating of water. Last night a crowd took advantage of the pond ice surface that was attacked by the two city employees.

This morning another flood will be laid on the pond weather permitting, which should help to create a first class skating rink to everyone of the underprivileged children of the city.

Milk Schmidt and Woody Dumont, two-thirds of Boston's famed "line" of hockey fame, have joined in British with the latest placement of R.C.A.P. to take up their duties.

Off the ice or on, this is the furthest Schmidt and Dumont have strayed from Bobby Bauer, the right winger of the trio from Rochester, Ont.

White Bauer remained with the R.C.A.P. in Canada. Corporals Milk and Woody were awaiting posting to two different Canadian fighter squadrons after their recent arrival. They will be physical training instructors.

The job means the breaking up of the trio that starred for years in the National Hockey League, then carried the Ottawa R.C.A.P. to the Canadian Allan Cup last season.

Dumont and Schmidt will find hockey but a minor part of their interest in Britain, but they are not expected to play in the same way as they may even find themselves being each other. Practically every Canadian squadron in Britain is located in an area within reasonable distance of artificial ice skating of a team in an organized C.A.F. League.

It will be a new kind of hockey for the Boston stars. Practices are few and far between and games are sometimes played at unregular hours—for instance, 9 a.m. on Sundays.

It is all a matter of the fighter and the bomber clan finding a way to the sport in between the serious business of war. Milk and Woody's job will be to keep them fit.

Fans can picture Bob Pastor as a great fighter in the uniform of Uncle Sam.

They can see in him a greater fighter than the one they saw in Jimmy Johnston, manager.

He was not one of the greatest heavyweights of all time because he was outclassed in his fight and never was out in a round.

Bob Pastor could be floored half a dozen times and come back for more.

In the first round of his fight with Turkey Thompson in Los Angeles, Pastor was on the floor six times. He got up each time and finally stayed up to win an exciting rounder.

In his second meeting with Joe Louis, the champ floored him four

GLACE RAY, N.S. Dec. 7.—(CP)—Tallying advantage of costly R.C.A.P. penalties, the undefeated Army team won its third straight victory tonight, defeating the Air-men 10-4 to consolidate first place in the Cape Breton Hockey League.

Fairly evenly matched in all departments but goal, the fliers fielded their own with the robust Army squad until defenceman Veens was penalized late in the first period. Then, the foot-sloggers alighted in with three scores in 13 seconds.

Singin Sam Places First
TORONTO, Dec. 7.—(CP)—Singin Sam, owned by J. O'Brien of New Glasgow, N.S., captured the fifth race of the day at the Dufrin Park totting meet this afternoon. The Maritime horse made a clean sweep of the first and last heats of the three heat Class D pace and finished second in the other one.

In the other three events of the day, in which were carried over from Saturday, Lord Durbin won the first race, a class E trot. Pine Ridge took the next one—a class C trot—which also saw Peter Rea- fect, another O'Brien entry finish fifth in the final standing with a 4-3-6 card. Cap Harvester won all three heats in the sixth race, a class F trot and the first of a third and fourth races were completed Saturday.

To Combat Rumors Is Important Work
BALTIMORE, Dec. 7.—(AP)—Viscount Halifax tonight said that those who attempt to combat the spread of rumors of differences between the United Nations "are playing your part in this war, as surely as if you were minding a machine gun serving behind a gun."

The British Ambassador to the United States said in an address prepared for delivery on the anniversary of the Japanese attack on Pearl Harbor that propaganda is one of the weapons on which the enemy will rely more and more as one weapon after another breaks in Hitler's hands.

Times in the first and twice in the second, and was waging a whale of a battle after his recovery until Joe's fist opened up a bad eye-cut in the event.

Those items of fistic history certainly prove the courage of Pastor, and it will surprise no fistic fans to read of some courageous performances when Bob finally gets in the 12th fight.

Pastor was a student at New York University three years, an all-around athlete. He had eighty-seven amateur bouts, and since he turned pro has fought seventy times.

He is 28 years old. He is married and has two children, a girl and a boy. Some say Bob is worth at least \$100,000.

The Pastor home at Saratoga, N.Y., cost \$25,000. There are twenty-one beautiful acres surrounding it.

Last summer he turned down about \$50,000 so he could stay home with his family and live the life of a country gentleman, something he had worked mighty hard to attain.

Now that he has reached his objective in life's battle, a family, a home and a nestegg, he's giving it up to fight for the country that affords every young man an opportunity to succeed.

Dominion Bonspiel Called Off

SAINT JOHN N.B., Dec. 7.—(CP)—The 1943 Dominion Curling playdowns, scheduled for Saskatoon, Sask., in March, have been postponed for this year, according to an announcement made here tonight by C. Allan Beattie, a member of the executive of the New Brunswick Branch of the Royal Caledonian Curling Club and Acting Secretary.

In making the announcement Mr. Beattie said the Dominion organization was co-operating with the Transport Controller in calling off this year's annual Canadian bonspiel.

The matter of holding the New Brunswick Bonspiel, arranged for Campbellton, has yet to be decided upon by the executive, Mr. Beattie said. There was a strong possibility, he added, that the provincial playdowns would not be held in 1943 in view of the action of the Dominion body in postponing the annual Canadian championships.

FIREMEN CALLED—Firemen were called for a blaze at Riley's Lane early last night. There was no damage. Children were blamed for setting fire to a pile of rubbish close to a dwelling. It was feared flames would reach the house and an alarm was turned in.

GYRO MEETING—Gyro held its weekly meeting at the Charlottetown Hotel last evening with Gyro Alex Murchison in the chair. Encouraging reports were turned in by the members in connection with the sale of T. B. Seals. By the unanimous will of the club the sum of twenty-five dollars was voted from club funds for the purchase of Tuberculosis Seals. The usual Christmas parties will be held this year for the children in Mount Herbert and St. Vincent's orphanages.

EVENING AUXILIARY—The regular monthly meeting of the Evening Auxiliary of the W.M.S., Trinity United Church, was held last evening with the President, Mrs. Hugh Miller, presiding. The devotional period conducted by Mrs. Harding and Miss Holmes, was spent in further study of the Parables, and many members took part in the discussion. The meeting resolved that the same officers should be continued in office for the ensuing year. Mrs. Miller gave a reading chosen for its relation to the Christmas Season, and the meeting closed with the Mizpah benediction.

Dr. and Mrs. A. B. Martin, Mt. Stewart were visitors to the city yesterday.

MacMillan-McLeod Nuptials

A quiet wedding was solemnized in St. Dunstan's Basilica at 8:30 yesterday morning when Miss Jessie MacLeod, daughter of Mrs. John MacLeod of Toronto, became the bride of Lieutenant Robert Cunningham MacMillan, D.S.C. and son of Mr. and Mrs. L. B. MacMillan, Charlottetown.

The ceremony, which was witnessed by relatives and friends, was performed by Capt. the Rev. J. W. McCordie.

The bride wore a blue velvet dress with hat to match and a corsage of roses.

Miss Margaret MacMillan, sister of the groom, was bridesmaid. She was attended in a beige sheer wool dress and wore a corsage of roses.

Lieut. Charles McKenzie, R.C.N., V.R. was best man.

Immediately following the ceremony a wedding breakfast was served to relatives of the bride and groom at The Charlottetown.

Lieut. MacMillan recently returned from the Mediterranean where he served with distinction. He is a member of the Royal Canadian Naval Volunteer Reserve. The bride was employed as stenographer with the P. E. I. Potato Growers' Association before her marriage.

The Guardian joins in extending congratulations to the couple.
