DOWN THE BACK STRETCH

We have received a program of the Dominion Day races at Chatham, N. B., to be held under the auspices of the Miramichi Agricultural Exhibition Association, J. Mac O'Brien, President, T. C. Collette, Secretary. There will be a Free for All, Purse $300, and two classes suitable to the majority of the horses to be named later, with purses of $200 each, also a County Race with suitable prizes. It is good to see Chatham track back again in the news and we are confident that a large turnout will be on hand for the first of July events. The track is one of the best laid out and fastest in all Canada—in fact both the pacing and trotting records for half-mile tracks were at one time made over it.

Just at present there are a number of horses being trained there including Mart Harkaway 2.04 1-4, owned by J. Mac O'Brien, South Nelson, Volrida 2.08 owned by Joseph Napke, Newcastle, Protestor p 2.10, t. 2.13, and Volo Ray 2.05, owned by Leonard Barrieau, Centre Acadia, and a colt owned by Delbert White, Newcastle. Quite a number of other horses are expected to be moved in, in the near future.

Others in training in the near vicinity that will take part in the Dominion Day races include Wireless Hal 2.11 1-4, owned by William McCoombs, Chatham Head, Calumet Dijon 2.12, owned by Eldon Fowley, Chatham, Calumet Fingo 2.05 1-4, owned by Joseph Napke, Newcastle, and a green pacing mare that is showing up well with moderate training — Calumet Mary, owned by George Traer and Jap Sproul of Chatham.

J. Mac O'Brien had a nice surprise last Sunday when his Lady Dillinger, by Clay Watts 2.12 dam Our Peggy 2.13, presented him with a nice filly sired by Calumet Fingo 2.05 1-4. Our Peggy will be remembered by race fans here for her gameness and finishing qualities. She won a very closely contested event some 12 or more years ago when in the writer's ownership. She had been obtained in a trade from the late ex-Mayor P. S. Brown.

Montreal is becoming quite a harness race centre, nearby Richelieu Park having a record breaking attendance — estimated at 5,000 — at their opening June meet. There were Members of Parliament from Ottawa, from the Quebec Legislature, Councillors from Toronto, Ottawa, Cornwall, Kingston, Hawkesbury and many other points in Ontario. The proprietor, Emile Gauthier, who is a young enthusiast, has shown what can be done to popularize our sport in a typical thoroughbred racing centre.

Winners were: 2.28 Stake, Gold Bars, 1-1-1, Polly All Strange 2-2-2, Senator Peter 4-4-3, Silver Axworthy 7-3-4, Pineridge Bee 3-7-8, Robert E. Lee 6-6-5, time 2.18, 2.20, 2.18 — Free for All, Bert Patch 1-4-1, Lawyer Grattan 2-1-4, Chestnut Bars 3-2-2, Gilbert Grattan 4-4-3, time 2.14, 2.12, 2.12 1-2 — 2.18 Class, Joe Grattan 1-2-1, Victoria Harvester 6-1-5, Grattan Girl 4-3-2, Alex Volo 3-4-3, Kentucky Dean 5-6-4, Calumet Filemar 2-5-dr, time, 2.16, 2.13 1-2, 2.14.

You will note that in the first race the 2.28 Class Robert E. Lee 2.08 1-4 had a summary of 6-6-5. This is the pacer that was advertised in The Canadian Sportsman recently and appeared so good that some of our local horsemen were wishing they had invested when they heard he was sold. The track was slow so that must be taken into account in considering the time made.

There was a big turn out to the Glencoe, Ont., harness race meet. The 2.28 class was won by Beulah Grattan after Oxford Lad won the fastest heat — 2.21. The 2.25 Pace had three heat winners, Fleeta Silk won the first heat in 2.16 3-4, Reuben Lee the second in 2.15 1-2 and Lulu Henry the third in 2.14. The 2.20 Pace was won by Lee McKillop after Oxford Lad had won the first heat in 2.15. The second and thirty heats were paced in 2.14 and 2.15 1-2. The 2.14 Pace was won by Bert Grattan with a summary of 3-1-1, Winston Grattan 1-2-2, Donna Direct 2-3-3, Peter Direct 4-4-4, time 2.11 3-4, 2.12 1-2, 2.16.

A Saskatchewan flyer, Arthur Carruthers, recently made forced landing on a farm near Lunenburg, N. S. He thought he recognized a horse which was nibbling grass in a nearby field and when he climbed out of the plane he whistled to the horse and it came galloping up to him. It was his old friend "Major," that had been raised on the Carruthers farm in Saskatchewan and later shipped to Nova Scotia. They had a grand reunion and when the flyer started in company with nearby folk the horse gazed after him with a wistful eye.

Spencer 1.59 3-4 died recently of colitis. He was a high class race horse and world's champion and had shown himself one of the greatest sires of the day. He was foaled in 1925, a son of Lee Tide (4) 2.05, and Petrex (3) 2.05 3-4 by Peter the Great. As a two-year-old he won five of his nine starts and took a record of 2.05 1-2 and was the year's biggest money winner. His winnings that season were approximately $30,000. As a three-year-old he failed to train the early part of the season and was almost retired, but later returned to the stable of Lon MacDonald where with careful preparation he made a short but high-class campaign, winning the Hambletonian and Kentucky Futurity as well as second in The Horsemen Futurity and third in The Horse Review Futurity.

He was one of the victims of the terrible accident in the Championship Stallion Stake at Cleveland, which all but ruined the three-year-old crop of 1928. His driver, Lon MacDonald, was so seriously injured that he never properly recovered from the accident, but Spencer, which appeared badly injured, rounded to and won two events and took a time record of 1.59 3-4.

As a sire he has been a great success with 113 trotters in the Standard List and 26 of them with records of 2.05 or better, and 19 pacers, six of which have records of 2.05 or better. His get include the high-class gelding, Scentell 1.58 3-4, Volation (4) 2.00 3-4, Emily Stokes (3) 2.01 1-2, and one of his daughters has produced the world's champion trotting stallion, Spencer Scott (4) 1.57 1-2.

An old-time horseman and link with the past, died at Tionederoga, N. Y. on May 3rd — John W. Porter, born November 22nd, 1847, therefore in his 95th year. "Uncle Johnny" Porter was one of the oldest harness horsemen in America and also one whose keen faculties permitted him to gaze in retrospect back almost to the very foundations of the trotting and pacing horse. He was born two years before the great foundation sire of all trotters — Hambletonian 10. Mr. Porter's father was very intimately connected with harness horses and at one time owned the celebrated Daniel Lambert, the founder of the Morgan strain, once so popular in Vermont.

The other evening in company with J. W. Boulter Secretary of the Provincial Exhibition Association, the writer had a partial view —from the air — of the Summerside race track and noted that the grand stand was about complete. We expect at any time now to have an announcement from proprietor Willard MacDonald re the big race meet Wednesday, July 1st. We have a hunch that there may be an increase in the gas ration by that time — perhaps it is only a pipe dream — but we are hoping that it will prove true as we would like to have everything favorable so that Willard will have a banner crowd when the new track makes its debut to the public.

The Charlottetown track, as we have remarked before, is in probably the best training shape ever, which takes in a long period of time as its history dates back to 1889, but without question its surface is one that should please the most fastidious — a perfect cushion — kept that way by caretaker Bill McAusland, who is also getting the grounds in shape for the Provincial Exhibition, August 11th to 14th. Below are the highlights of the week's workout. You will note that they are commencing to step on the gas.

Lusty's First, owned by C. H. Chandler, driven by Frank Wheatly, stepped a mile in 2.24. Lusty Frisco in the same stable, had his racing shoes fitted and will likely be trained later in the season. In the Wal Hennessey stable Charlotte B. paced in 2.17-1-2 with the last half in 1.06. Charlotte is sporting a pair of hopples this year and seems to take kindly to them. Bebe McElwyn, in the same stable, owned by Dennie Rice, Cardigan, went in 2.21 1-2 last half 1.07. In Jimmie Power's stable Paulabbe trotted a nice mile in 2.24. Aliset, also a trotter went in 2.27, and Mr. Tilley on the trot, in 2.29 1-2.

In Willard Kelly's stable Bonnie Scott stepped in 2.25, Kelly's Nightmare in 2.28, Wait N'See 2.24 1-2 and Darkey Kalmuck in 2.24 with the last eighth in 15 seconds. Millie Kalmuck and Playdale have not been asked to go too fast as yet, but are showing up well. Frisco Budlong, owned by Dr. F. R. Seaman, and in charge of Austin Tierney, trotted in 2.32. Albert E Grattan, owned by Milton Bell, was a mile in 2.21, with a half in 1.07, last eighth in 15 seconds. Marjorie Budlong, three-year-old, was a mile in 2.35, and four-year-old filly by Sampson Hal worked a mile in 2.32. In the Pope Clark stable the highflier is Beaverdale, who is sound as a dollar and stepped a mile in 2.22 with the last half in 1.07 very easily. Byrne Hal, a five-year-old, had little done with her but shows promise, fastest mile was 2.35.

In the Weil McNeill stable there are two good ones that made a name for themselves last season, Lady Hal 2.13 1-2 and Raymond Budlong 3, 2.13, holder of the Maritime record for three-year-old pacers. The former has been in 2.20 last half in 1.05, last eighth in 15 seconds. Raymond Budlong worked in 2.22, last half in 1.06, last eighth in 15 seconds. His three-year-old Addie Budlong has not been asked for much, a mile in 2.45 being her best performance to date.

A much admired pacer that shows a lot of speed is Singing Sam, owned and trained by Charles O'Brien. He has been a mile in 2.24, last quarter in 30 seconds. Mr. O'Brien is also training the trotter Lucky Guy. He has been a mile in 2.26. Ed Down has worked June Hal, a green pacer, in 2.27, and Hazen Howard has been in 2.25 with Miss Belle Aubrey.

C. L. Dauphinee, Halifax, owner of Oliver Grattan 2.09, and Pine Ridge Sandy, paid a brief visit to the Province this week and witnessed a number of good workouts. He was very complimentary regarding the condition of the track,

In The Stud

Abner T. Clegg, 2.04½

This handsome and well-bred horse will make the season at Myron MacArthur's, Kensington, who is authorized to make all arrangements.

Abner T. Clegg was one of the greatest 3-year-olds ever raced in the Eastern States. He should sire futurity winners.

FRANK ADAMS,
Owner.
Halifax, N. S.

Simcoe Harvester

6318

2.04 1-4 (half mile track)

Will stand for the season of 1942 at O'Brien stables, Alberton.

Fee $20.00.

Mares taken care of on pasture $1.00 per week.

Sport Shorts From Britain

(By Allan Nickleson)
(Canadian Press Staff Writer)

LONDON, June 11—(CP)—Sport Shorts from Britain:

Fred Slade was the first British jockey to fly to a race. He probably also was the most superstitious.

In 1919 Slade flew to Belgium to take a mount in the Cesarewitch there. At lunch before the race someone spilled the salt and Slade's face fell about a furlong. He said that after such a catastrophe he could not possibly win the race.

He was right. His mount finished second.

Another Old-Timer:

Otto Madden, champion jockey who won the Derby in 1898 on the 100-1 shot Jeddah, died at Newmarket at the age of 70. In 1898 he also headed the winning jockeys' list with 161 firsts. He was champion jock again in 1901-03-04 and retired in 1909 but when jockeys became scarce during the First Great War he returned to win the classic Oaks on Sunny Jim and the English Cesarewitch on Air Raid.

At 43, Donald Finley not only is one of Britain's great air fighters and holder of the D. F. C., but a great hurdler as well. He won the 120-yard hurdle event in 15.6 when an Amateur Athletic Association team defeated a combined Oxford and Cambridge group 74 points to 39.

The war has gone to the dogs. The Kennel Club decided no dog may be entered for a wartime show unless it is kennelled within 25 miles of the show. The restriction is designed to prevent travelling of great distances in line with the austerity program.

Twins and constant companions in sports participation, the Bedser boys are so alike that even their family has difficulty distinguishing which is A. V. and which is E. A.

Both boys joined the R. A. F. the same days and both are sergeants.

Speaking of cricket: Dr. H. V. Evatt, Australian Minister of External Affairs who passed through Canada on his way to Britain, is a connoisseur of the game, but he missed a match at Lords. The reason—duty before pleasure. He admitted it was a big disappointment to pass up the game.

Ernie Roderick of Liverpool, British welterweight champ, is a hot challenger for Jock McAvoy's middleweight crown. He outpointed Ginger Sadd of Norwich in a 12-round elimination middleweight contest at Norwich.

REMEMBER WHEN

(By The Canadian Press)

Charlie Gardiner of Chicago Black Hawks died eight years ago today, just a couple of months after Chicago won the Stanley Cup. Regarded as one of the greatest goaltenders in hockey, the Winnipeg ace at the age of 30, was at the peak of his brilliant career in the National Hockey League.

YORK, England — (CP) — Newspaper co-operation during a recent "Emergency" in this city resulted in the Yorkshire Evening Press being printed by the Yorkshire Evening News in Leeds for six days.

Entries For Today's Derby At Newmarket, England

NEWMARKET, June 12—(CP Cable)—The entries for tomorrow's Derby, to be run here over 1 1-2 miles:—

ODDS	HORSE	OWNER	JOCKEY
Even	Big Game	The King	Gordon Richards
85-20	Hyperides	Lord Rosebery	Smith
6-1	Watling Street	Lord Derby	H. Wragg
15-1	Shahpoor	A. E. Allnatt	Beary
18-1	Ujiji	A. E. Allnatt	Cliff Richards
22-1	Gold Nib	H. A. Jelliss	Jones
28-1	Tribonian	Lord Londonderry	S. Wragg
35-1	Hastyshot	Lord Astor	Venvett
35-1	Canyonero	F. O. Bezner	Carey
40-1	Solway	Lord Derby	Ellie
100-1	Argon	J. A. Hirst	Lane
100-1	Seasick	Lord Rosebery	Walsh
200-1	Cavendish	J. A. Hirst	Mullins

King wins Oaks; tries for Derby today

LONDON, June 12—(CP Cable)—A little filly who would have been lost to racing but for the lack of a ship was crowned queen of the three-year-olds today when His Majesty's Sun Chariot romped to an uphill victory in the $5,000 Oaks.

The triumph came as a belated birthday gift to the King and was hailed as a forerunner of a royal victory in the Derby tomorrow, where the King's unbeaten Big Game is a hot favorite to complete a history-making double.

The Oaks championship—first time it was won by a royal horse—was the seventh victory in eight starts for the Conquettish filly and brought her earnings to approximately $29,000.

It was the royal stables' first victory in this ancient fixture for three-year-old fillies and left Sun Chariot with a record of having been beaten only once in her career. With this undefeated colt, Big Game, the choice for tomorrow's Derby, the King was favored to run out this double and thus sweep the "big four" for the three-year-olds. Previously this season Big Game won the 2,000 guineas and Sun Chariot the 1,000 guineas.

Olsen gains First victory

CHICAGO, June 12—(AP)—Vern Olsen turned in his first victory of the season for Chicago Cubs today, 3-2, with a six-hit performance against Boston Braves in the opener of a four-game series.

After four losses Olsen defeated Al Javery. It was Javery's sixth defeat of the season.

The Braves made four of their six hits when they scored their only runs of the game in the fifth inning. After that the only Brave who reached first base was Ernie Lombardi, who singled for his second hit in the ninth.

The Cubs made nine hits off Javery, three of them by Bill Nicholson, who doubled twice and singled once. Nicholson drove in the first two Cub runs with a double in the first inning. Lou Novikoff maintained his new hitting pace with two singles.

K. of C. Takes Over Holy Name Tennis Courts

The Charlottetown Council of the Knights of Columbus has taken over the tennis courts in Victoria Park which were formerly under the supervision of the Holy Name Club.

During the past week from fifteen to twenty members of the Council were hard at work every evening under the direction of Bill Campbell, the Chairman of the committee in charge. The fence, which had fallen down during the winter, has been repaired, new wire placed where needed and the courts have been thoroughly cleaned and rolled.

Quoit boxes have been placed in one of the courts and this is expected to prove to be a popular activity. According to present plans, both quoits and horseshoes will be played. Lights are also to be installed over the quoit boxes.

The two remaining courts will be used for tennis during the day. One of these courts is being equipped for volley ball. With the present restrictions on gas and tires the members of the Knights of Columbus are preparing for a pleasant time near at home.

Flying Tigers Score 9-0

CHUNGKING, June 12 —(AP) — The American volunteer group fliers —the famous "Flying Tigers" —entered the battle of China proper today, scoring a 9-0 victory over a Japanese force of 18 bombers and fighters sent to raid Kweilin, a southern Chinese base, a communique announced.

This triumph served to offset in part the Chinese high command's announcement that Chuhsien, railway town and air station in western Chekiang province, had been lost.

Kweilin, capital of Kwangsi province, had been under almost daily bombardment by Japanese airmen in the widespread campaign to soften Chinese communications and bases throughout south-central China. Kweilin is known for its natural caves, now useful as air-raid shelters. One of them can hold upwards of 30,000 persons.

QUEER BUT LEGAL

PRESTON, England — (CP) — Though the railings surrounding Ashton Park have been removed for scrap, the park keeper religiously locks the gates every night as a formality for "closure" rights.

All - stars just As difficult to Pick as ever

NEW YORK, June 12—(AP)—The major league all-star squads are going to be just as difficult to pick this year as ever, but for once there is not likely to be much grumbling if past reputations count more than current performances.

The National and American League stars will have their 10th annual shindig at the Polo Grounds in New York July 6 and the next night the winners will play a star-spangled army-navy team in Cleveland's Municipal Stadium.

Both games will be for war charities and established stars are more likely to lure out capacity crowds than new comers who are cutting temporary capers. For instance an all-star game without Joe DiMaggio, who is batting .261, would hardly be attractive.

Speculation is rife over the probable makeup of the major league outfits which Managers Joe McCarthy of the New York Yankees and Leo Durocher of Brooklyn Dodgers will pilot.

Each of their squads will have 25 players chosen by the ballot of all of the managers in the two leagues, but some leeway is given the all-star leaders. They may decide how many pitchers they want, or the number of infielders or outfielders. In addition every club must be represented and there are always last-minute withdrawals and substitutions, so that McCarthy and Durocher will have the final word.

Bears edge Toronto 3-2

NEWARK, June 12—(AP)—Shutout pitching by George Washburn in the last eight innings after he replaced Milo Candini carried Newark Bears to a 3-2 victory today over Toronto Leafs in the opener of a four-game International League series.

The margin of victory was supplied in the first inning when both teams scored all their runs. Gene Corbett wiped out Toronto's lead by rapping a homer off Jack Hallett with two on base. All told, the Bears accumulated nine safeties, eight off Hallett and one off Bob Bowman who pitched the eighth.

Washburn yielded five hits in posting his victory and walked six. He was effective with men aboard however, and a total of 14 Leafs were stranded. Three were in the first frame which Candini worked.

Hogan, Demaret Extend lead

TOLEDO, O., June 12—(AP)—Defending champions Ben Hogan and Jimmy Demaret won a two-up second round decision over Henry Picard and Sam Byrd today to extend their lead in the four-day $7,650 Inverness four-ball matches. The leaders, with a "plus 6" for two matches, had a short edge over Lawson Little and Lloyd Mangrum in the aggregate score race, Little and Mangrum have a "plus five" after a four-up decision today over E. J. (Dutch) Harrison and Denny Shute.

8 - run rally By Royals All To no avail

JERSEY CITY, N.J., June 12—(AP)—Jersey City's initial effort to complete a twilight-night baseball game before the lights were turned off by defence decree backfired tonight, but the Giants took a 3-2 decision over Montreal Royals in eight official innings.

The ninth inning started long-before the 9:24 p.m. deadline, set by defence officials as the time for "lights out," one hour after sundown. But the Royals suddenly exploded an eight-run rally against three Jersey City pitchers.

The Giants finally retired the side and got a man on base in their half of the ninth before the lights were turned off with only one man out.

Under baseball law, the game reverted to the eighth inning, giving the home club the victory. The Montreal team entered a protest.

Night games Shifted to Twlighters

BROOKLYN, June 12—(AP)—Brooklyn Dodgers today announced that the five games originally scheduled to be played at night during their June 15-July 1 home stand at Ebbets Field will start at 7 p.m. E.D.T. with the lights being turned on if necessary.

Larry MacPhail, president of the Dodgers, said he had received permission to turn on the lights for one hour after sundown or approximately 9:30 p.m. The National League also has relaxed its rule against finishing daylight games under lights.

The games affected by the new time are, with Chicago June 15; St. Louis, June 18; Pittsburgh, June 23; Cincinnati, June 25 and Boston, July 1.

Cards edge Phillies 2-1

ST. LOUIS, June 12—(AP)—With Mort Cooper hurling five-hit ball, St. Louis Cardinals downed Philadelphia Phillies, 2-1, tonight on the basis of a two-run first inning uprising.

Athletics edge Indians 5-4

PHILADELPHIA, June 12—(AP)—The Athletics tonight beat Cleveland Indians for the first time this season scoring a 5-4 victory behind the five-hit pitching of Dick Fowler and Russ Christopher.

KHAKI FOR COASTGUARD

LONDON — (CP) — The Auxiliary Coastguard, which has been declared to be part of the armed forces of the Crown, has adopted khaki battle dress as its wartime uniform. The traditional uniform is blue.

Bisons and Chiefs split Doubleheader

SYRACUSE, N.Y., June 12—(AP)—Syracuse Chiefs and Buffalo Bisons divided a doubleheader tonight as the home club edged out a 3-2 victory in the seven-inning twilight encounter while the Herd came back to take the night cap, 3-1.

The second-game victory ended a six-game losing streak for the visitors and was achieved by George Barley who yielded 10 hits in the first five inings but pitched hitless ball thereafter. Those 10 blows were good for only one run as Barley was tough in the pinches, and seven hits off Ben Wade and Lynn Nelson were more than enough to win.

24,000 Salmon Landed By Sport Fishermen

Imagine twenty-four thousand fighting salmon landed by rod and line anglers in one season in a single district. A lot of salmon. Nevertheless, anglers in the Howe Sound area of British Columbia during 1941 took twenty-four thousand salmon—24,400 to be exact, according to reports made to the Dominion Department of Fisheries by their resident inspectors.

Sportsmen have long ranked the Howe Sound area as a "hot spot" for tidal water salmon angling and last year it went higher than ever in their estimation. Sport fishing was excellent throughout the entire area. Anglers from all Canadian provinces and from every state in the United States, as well as many foreign anglers took part in the fishing. Fishing was carried on at Horseshoe Bay, Queen Charlotte Channel, Fishermen's Cove, Cowan's Point, Garrow Bay, Whytecliffe Bay, Balmy each, Dunderave and Hollyburn, all areas in the Municipality of West Vancouver. The prize catch of the season was a 46 1-2-pound spring salmon. Fishing in general was estimated to have been about 100 per cent better for anglers than in 1940.

Coho were the most popular fish with the anglers and in all, 11,970 cohoes were landed by the rod and reel fishermen. The sportsmen took 9,160 springs, 2,360 pinks, 540 chums, and 410 bluebacks or immature cohoes.

In the Horseshoe Bay area alone —this area is now closed to commercial fishing—it is estimated that as many as 4,000 to 6,000 people were present in a single day for the fishing.

Sport fishing in this district has grown into a considerable industry and investment in sport fishing equipment, including boats, rods, lies, lures, etc., was approximately $115,000 in the Lower East Howe Sound area from Point Atkinson to Brunswich Beach, between eight and nine miles of shoreline. Sport fishing in this area saw as many as 200 to 300 boats in operation at one time, each boat having from one to four anglers aboard.

While by no mean in the same classification of importance as British Columbia's great commercial salmon fisheries, this sport fishing does provide additional revenue to the sport fishery operators, while other residents of the district benefit indirectly from the influx of anglers.
