HOLMANS SUMMERSIDE P.E.I.

MONDAY PRESENTATION — Yesterday morning in St. Peter's Cathedral, a number of former pupils of St. Peter's Day School and other friends assembled to present to Rev. Dr. Hunt of King's College a small testimonial of their affection and esteem. Dr. Hunt for sixteen years was associated with the work of that institution when it was in its most flourishing condition and during that period gained for himself the high regard of a large number of Charlottetown boys who attended his class. Dr. Hunt had for some time been contemplating a trip to England and some of his friends hearing of this decided it to be a splendid opportunity for showing their appreciation of his worth. A cheque for over \$400 was presented to Dr. Hunt who thanked the contributors for their kindness. The contributors came from all parts of Canada, the United States, England and South Africa.

BRIDAY SHOWER.—A pretty miscellaneous shower was given recently in honor of Miss Lulu Curtis at the home of Mrs. G. R. McQuarrie, Summerside. As the wedding march was being played by Miss Florence Gale the bride to be was ushered into the room by her husband and was completely surprised by about twenty-five intimate friends. A nicely decorated wagon was pushed into the room by little Miss Margorie McQuarrie very prettily dressed, and was followed by a lovely basket overflowing with valuable and useful gifts. They were opened and the cards read by Miss Beatrice Francis and Miss Florence Gale and presented to Miss Curtis who winsomely thanked the many guests. The remainder of the party was spent in music and other entertainments. A large number of young men friends called later to pay their homage to the guest of honor. Dainty refreshments were then served by Mrs. McQuarrie. Miss Curtis who is to be one of our June brides is held in high respect of her many friends in both the town and country and her many friends join in wishing her many years of happiness.

The impressive ceremony of the Sons of England was performed at the grave by Theodore Sentner, President, and Howard Ward, Chaplain.

The medal awarded by the City of Charlottetown for 25 years service in the Fire Department was on the case. This medal will be presented to Mrs. Hertz.

It is our sad duty to-day to record the death of Mrs. Charles McCormack at the age of 60 years which sad event occurred on Thursday the 24th inst at her home in Souris River.

Deceased had been in usual health up to Friday evening previous when he contracted pleuro pneumonia and not with standing the persistent efforts of Doctors Wood and MacDonald and that of Miss McDonald's nurse to stay the ravages of that dread disease passed peacefully away on the above date surrounded by her sorrowing husband and family.

Deceased was of very amiable and loving disposition, charitable to every one and in no instance did her charity shine forth more brilliantly than in her every day conversation as every word of hers seemed permeated with all that was good and loving.

Her death created a void in the family circle that can never be filled and her charitable and altruistic intercourse with her friends will always remain with them as a memento of a noble and virtuous life.

Her funeral which took place on Saturday morning was one of the largest seen in this parishes. upwards of eighty carriages, a High Mass of Requiem was sung by her beloved pastor, Rev. J. C. McLean, V. G. and the services

at the grave were conducted by the Rev. Father Monaghan. She leaves to mourn their loss her husband, two sons, Joseph and Peter, at home and two daughters, Mrs. Henry Mallord of Gowan Brae, and Laura at home, one brother Joseph of Souris River and one sister, Mrs. Bella McEachern of Boston, besides a large circle of friends.

Once again Charlottetown is called upon to mourn the passing of one of its most prominent and respected citizens, Mr. John A. Messervy.

The late Mr. Messervy had been in delicate health for some months past, but no serious outcome was looked for until a few weeks ago, when the heart condition from which he had suffered in the past became acute. On Saturday night, the end came peacefully, and he entered upon his eternal rest.

Mr. Messervy was born in St. Georges Bay, Newfoundland, on October 20th, 1861, a son of the late Captain Benjamin Messervy and his wife, Martha Julia Marat Bagge, of Dartmouth, N. S. He came to Charlottetown with his parents when eight years of age, and after receiving his early education at St. Peter's School, he entered the employ of Carvell Brothers as a junty clerk, where, after serving a few years he was admitted into the partnership.

Later he became a member of the firm of Carvell, Rattenbury and Messervy and afterwards a shareholder and director of the Hickey and Nicholson Tobacco Company.

Mr. Messervy was for a number of years an active figure in the Board of Trade, being for some time its president, and during the whole period of his connection earnestly engaged in promoting the best interests of the province commercial and industrial. He was one of the prime movers in the development of winter navigation, and did much to improve the service. It was due largely to his strenuous efforts that the "Stanley" and "Minto" ice bound for weeks in the strait, were finally released.

He was for many years a member and office bearer in the Masonic and Oddfellows societies in this city, having served as Grand Master of the Provincial Grand Lodge of the former order and filled the presidency in both the York and the Scotch Rite branches. He was also a member of the Prince Edward Freemasonry, and of the mystic shrine.

During the war, and ever since, Mr. Messervy interested himself in the welfare of the soldiers, and did everything possible in their behalf. In the war time election of 1917, he was appointed as Scrutinizer and was appointed to that capacity. He succeeded in getting to the front, where he spent two days visiting the Artillery and other units from the Island.

In 1925, he was nominated one of the candidates for the House of Commons and was elected as the sole conservative representative for Queens, a position which he held until the dissolution of Parliament. He again contested this seat, but unsuccessfully.

He married, in 1888, Carrie Augusta Wade, daughter of the late Robert Wade, of this city. His widow and four children, Harold, Grace, Mrs. R. Bruce Marr, of Kitchener, Ontario, Robert and Ethel survive him. Two daughters, Adela and Carrie died in infancy. Of the surviving children all are now at home, with the exception of Robert, who is pursuing his studies at Oxford, England. The latter visited his father in March last. Besides these, he leaves to mourn one sister, Mrs. Daniel Gordon, of this city, and two brothers, Benjamin F. in Seattle and William in New York City.

In every capacity, whether in politics or private life, Mr. Messervy aimed at the betterment of his province and his country. He was a genial and companionable citizen, ever looking on the bright side of things, and ever ready to aid any good cause.

He was an active and helpful member of St. Paul's Church in this city, and in his death that congregation sustained a heavy loss. He was well and favorably known throughout the province, and many will sincerely mourn his passing.

The funeral will be held tomorrow (Tuesday) from his residence at 82 Fitzroy Street, to St. Paul's Church, where the service will be held at 2.30, thence to the Peoples Cemetery.

To the bereaved family and friends, the Guardian tenderly sympathizes in the loss of a kind and considerate husband and father.

WEDNESDAY FIRE YESTERDAY.—The fire department were called out yesterday at 4.35 p. m. to fight a bad blaze in the residence of Mr. Cantwell, Great George Street. The fire evidently had its origin in a rug which was laid on a half-hour struggle before it was finally quenched. There was considerable damage from water.

ON FISHING TRIP.—Hon. L. P. D. Tiley, K. C., President of the Executive Council of New Brunswick, with Col. Beverley C. Armstrong, R. F. Wright, F. F. Blanchet, Walter Myler of the city Monday afternoon en route to Prince Edward Island on a ten days' fishing trip. —Moncton Transcript.

A. Messervy which was held yesterday afternoon from his late residence to St. Paul's Church and thence to the People's Cemetery was attended by a large number of citizens, a number of people from outside Charlottetown also being present to pay their last tributes of respect.

A short service at the home was conducted by Rev. H. D. Raymond, who also officiated at the church and grave.

The active pall bearers were: Noel DeBois, S. F. Doyle, Col. D. A. MacKinnon, Ray Macdonald, Robert Nicholson and Louis Macdonald.

Two men were apprehended last evening at Ram Island in Richmond Bay by Officer Biggar of Charlottetown Police Force on the charge of stealing foxes from the ranch of Mr. George L. Sims, French River. It appears that for over a year ranches in that part of Prince County have been suffering from such depredations, but the matter was not brought to a head until recently. Immediately following this robbery Mr. Sims phoned the Acting Attorney-General who called in the aid of the Charlottetown Police Force and the Officer Biggar on Monday night and in the morning Chief Birdwistle and Officer Biggar proceeded to French River. The Chief was obliged to return to the city, but Officer Biggar acting on certain clues went to Ram Island where he found two men with six young foxes. They surrendered and are now in the lock-up at Summerside awaiting a preliminary hearing before Magistrate Campbell this morning.

The citizens of Charlottetown and surrounding districts, were greatly shocked on Saturday, May 19th, 1928 to learn of the death of John Edward Ford, which occurred at his home 93 Elm Avenue.

The late Mr. Ford was a man of sterling qualities and beloved by all who had the pleasure of knowing him.

He always enjoyed robust health until a year ago when he was stricken with paralysis from which he never recovered. His death came as a severe shock to everybody. He had been attending during his illness by his wife and family, who did all possible to stay the hand of death, but all to no avail and his spirit left to God who gave it.

He was a loving husband and father, charitable in thought and hand to ready to extend a helping hand to those in need. He was 7 months removed of 58 years and his memory will long be cherished by his family. He leaves to mourn, besides his grief stricken mother and wife, three sisters; three sons and two daughters, James and Archie residing in the city, Ernest, Louise and Leona at home. The sisters, Mrs. Daniel McCallum, Mrs. Charles Williams, Mrs. Herbert Johnston all of this city.

Never were the people of Farmington more shocked than on May 8th, when it became known that the Angel of Death had visited their midst, one of the best known and most highly respected residents of that place in the person of Richard MacDonald, aged 56 years.

The deceased had not been in the best of health for some months previous to his death, but no one would know by his happy personality that the end was so near, but all that medical skill and loving hands could do, was of no avail, for God willed otherwise and his gentle soul had taken its flight.

The late Mr. MacDonald was well known and liked throughout that district, and in fact any one who knew him liked him. He had moved to that part of the country some few years ago, and by his straight business dealings and his kind disposition had made him many friends, for both young and old affectionally called him "Dick". That he was very well liked and known was very much in evidence by the very large number of people from all parts of the Island who attended his funeral; he was attended in his last illness by his beloved pastor, Rev. Father Callaghan, who also officiated at his funeral on the 10th all the more mortal of a kind and loving husband and father was laid to rest in the Roman Catholic Cemetery at St. Charles, there to await its resurrection.

Some parties returning from a wedding noticed that his house was on fire and attempted to rescue him, but the flames had gained such headway that it was impossible to enter the house or do anything to save the doomed man. The house was burned to the ground and nothing but a few charred bones of the unfortunate man recovered.
