

## Get Good Harness

Any goods put out by this firm and bearing our yellow ticket trade mark are guaranteed. The Imperial Brand Harness is well known as high grade, and the makers stand behind it. We have never adopted any make-shift methods to cheapen our product on account of the high cost of material, but stick to the good old standards of fifty-two years ago, when this house was established. If there is anything you need in harness, ask your dealer for the Imperial Brand, or write us direct for it. Ship same day order is received.

This is the dandiest harness for the price in Canada, strong and reliable, every inch of it. Price only \$35 Special. Ask your dealer or order from factory. Our Guarantee—If it does not satisfy you, return it at our expense.

## Sunshine Furnace Efficiency

The test of furnace efficiency is the volume of heat it conserves for actual use, from the heat generated in burning your fuel.

There is a fixed volume of heat in every kind of fuel, whether it is wood, soft coal or anthracite.

The business of your furnace is to extract all the heat, which all furnaces do—and to conserve the maximum of it for use—which the Sunshine furnace does.

The Sunshine semi-steel firepot is built with straight walls—not sloping to form and hold a non-conducting deposit of ashes. A very important point in furnace efficiency.

The grates of the Sunshine furnace are equal in area to the firepot, so that fresh oxygen—without which proper combustion is impossible—flows to every part of the fire all the time.

All air passages are exactly proportioned so that neither too much nor too little air passes over the radiator—there can be no superheated air, nor any under heated air, sent to the rooms above.

The doors, drafts and dampers are machined to fit snugly and to exclude heat-wasting air currents from the outside.

**Engineering Service Free.**

McCrary's own heating engineers are at your service when you buy a Sunshine Furnace, to give you free expert advice on your home-heating requirements. Write to the nearest McCrary Branch and ask for particulars about this service. A booklet, "Comfort in the Home," makes clear all the things you want to know about furnaces and it is sent free on request.

McCrary straight walled firepot—no ashes to absorb heat.

Usual sloping wall firepot. Binnet of ashes absorbing heat.

**MONDAY**

**DIED OF WOUNDS.**—The sad news reached the city on Saturday that Sergt. John Cornfoot son of Mr. Alex Cornfoot of this city had made the supreme sacrifice dying from wounds. Sergeant Cornfoot, who enlisted in Calgary was a young man of 35 years greatly admired and loved by his friends. He was a clever athlete and popular in all sports, was transferred on going overseas to the 36th Field Battery under Major D. A. McKinnon doing splendid work with his Battery. To his father and sister Mrs. William Brehaut deepest sympathy is extended.

**WORD FROM AFRICA.**—Mr. (Dr.) Beer, King Square received yesterday, indirectly, good news of her son Col. George Beer who has been in South Africa for several years past and who has taken an active part in the South African Campaign in the present war. The letter was from her friend, Mrs. De Castillo, formerly Miss Maud Bremner, who informed Mrs. Beer that Col. George is having matters comparatively easy at present, the trouble with the rebellious Boers being practically over. His wife, it is regretted is still in hospital but is gradually regaining her strength.

**RYAN-MCALEER.**—A very pretty wedding ceremony took place on Aug. 28, in the St. Josephs convent Ch Town when Miss Nellie McAleer, formerly of Hope River and late of Boston Mass., became the bride of Mr. Cornelius Ryan, a popular and prosperous farmer of Cardigan. The bride wore a beautiful gown of white satin, with veil caught up with orange blossom and wreath of same, and carried a bouquet of white sweet peas and maiden hair fern. She was attended by her cousin, Miss Winnifred Carr of Hope River, who was daintily attired in a gown of white over pale blue silk. The groom was supported by his brother Patrick, who performed his duties in a very capable and pleasing manner. The wedding ceremony was performed by Rev. J. A. Gaudet of Hope River, who then sang Mass, the nuns rendering some very appropriate hymns for the occasion. Wedding breakfast was served in the Convent, by the Sisters in the ever pleasing and up-to-date style. Among those present at the wedding breakfast were Rev. J. A. Goulet, the groom's mother, Mrs. P. Ryan and Mrs. John Kenny, St. Teresa's. After breakfast the wedding party motored out of the city, returning in time for a delicious dinner, served in the Victoria Hotel, with the bride's father, Mr. Joseph McAleer, Hope River, Mr. and Mrs. J. J. Hughes, Kinkora, present. The party went by motor to Cardigan, where a reception was given at the home of the groom's parents. A sumptuous supper was served in Mrs. Bryan's usual good style. Rev. Father Gillis honored the young couple, with his presence in the early evening. The "wee sma" hours found the assembled guests taking their departure, well pleased with the evening spent and leaving Mr. and Mrs. Ryan an all good wishes for a happy and prosperous wedded life. The numerous costly wedding presents testify to the high esteem in which Mr. and Mrs. Ryan are held in the circles they moved.

## SAVE THE CHILDREN

Mothers who keep a box of Baby's Own Tablets in the house may feel that the lives of their little ones are reasonably safe during the hot weather. Stomach troubles, cholera in infant and diarrhoea carry off thousands of little ones every summer. In most cases because the mother does not have a safe medicine at hand to give promptly. Baby's Own Tablets cure these troubles, or if given occasionally to the well child will prevent their coming on. The Tablets are guaranteed by a government analyst to be absolutely harmless even to the newborn babe. They are especially good in summer because they regulate the bowels and keep the stomach sweet and pure. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

## Fight Lice!

Lice must be conquered. They torture your fowls, cattle and other live stock, and kill your profits. In short, they sap your profits.

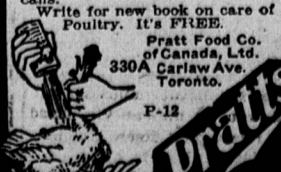

**Pratt's Powdered Lice Killer** kills lice, mites and insects on fowls, plants and animals. Does not irritate the skin or lungs of poultry. Harmless to use. Certain in results.

At your dealer's in after top cans.

P-12

**WOUNDED SECOND TIME.**—Mr. Edward Flynn, 126 King Street, has been notified that his son Private John Flynn infantry has been admitted to the 3rd Australian General Hospital, Abbeville, August 31st gunshot wound in left leg and ankle. This is the second time Private Flynn has been wounded this summer and it is hoped he will make a good recovery.

**ANOTHER ISLANDER WOUNDED.**—Mrs. Patrick Mahar yesterday received official intimation that her son, Private John Mahar was admitted to No 3 western general Hospital, Cardiff, gunshot wound left foot and knee. Pte Mahar enlisted with the 105th and has been a year in France. His many friends will hope for his speedy recovery. He has another brother, Herbert in France.

**WOUNDED.**—Mrs. Wm. McKay, 4 Upper Queen Street City, has been notified that Etc. Harry Ernest Chevrle, infantry is officially reported admitted to 56th General Hospital, Etaples, August 28th, gunshot wound left arm. Mr. Henry C. Lowe, 240 Hillsboro Street, has also received a telegram stating that his son Sergt. Thomas Watson Lowe, Mounted F. V. C. S. had been admitted to the 22nd General Hospital at Camiers with gunshot wound in right arm.

Mrs. A. A. Pomeroy of this city has received a letter from her son, Lieut. Clyde Auld, giving particulars of the death of his brother, Lieut. Ernest Auld, of the Black Watch, which occurred on the field, Aug. 7th.

Lieut. Auld and the commanding officer of his unit had gone forward to complete the signalling arrangements for their section of the battle front. They had left their car and gone some distance, about fifty yards along a little road, when they heard the whine of a chance shell, (things had been quiet all afternoon.) Instantly they both of them dived for cover. Lieut. Auld who was nearest the centre of the road pushed the Major into the ditch and was following him, when the shell landed directly in front. It is some slight comfort to know that Lieut. Auld was killed instantly and it was impossible for him to have felt any pain. The Major, shielded by his Lieutenant from the direct blast of the explosion, escaped with his life, but was very badly wounded. Lieut. Auld's promptness undoubtedly saved the Major's life. He died the most heroic of deaths, he had done his work superlatively well and he rests in God's keeping the loving Father whom he never forgot. He is buried in a quiet spot inside a great city and his fellow officers, who are heart broken over his death, have asked to be allowed to put up a cross and care for his grave.

Even in these days of almost universal sorrow, announcement of the death of Marianne Grantham (Mamie), daughter of Mr. and Mrs. Henry Smith of this city, which occurred Saturday night, was a shock to the whole community. A bright, talented, loving and lovable girl in her early twenties, her life more than ordinarily rich with promise and hope, a favourite in a large circle of friends and companions and the pride of her home, called out of what humanly seemed abundant life, her death is unspeakably sad and a sore blow to the home. She had been apparently in her usual health until Thursday when symptoms of appendicitis developed. She was taken to the Prince Edward Island Hospital on Thursday night. On Friday she was operated upon. From the first the case was seen to be hopeless, the disease having developed insidiously far beyond the stage indicated by the symptoms. All that medical skill could do was done but despite all she passed away at eleven o'clock Saturday night. Her death was as beautiful as her life had been and even from amidst the dark shadows of the valley she left loving messages of farewell to those whom she was so suddenly called upon to leave.

The late Miss Smith was a young lady of more than ordinary attractiveness. A talented musician and with a voice of rare sweetness her help, always cheerfully given, was a feature in church and musical circles. She was since young girlhood a member of the choir of the First Methodist Church and a willing and active helper in all the activities of the church. The place made vacant by her death both in the church and in the community will not soon be filled and eternity alone can fill the blank in the home.

There are left to mourn besides the father and mother, three sisters, Mrs. (Captain) Keith Rogers, Halifax; Miss Bertha in Vancouver, B. C. and Miss Helen at home, and one brother Harry, in Victoria, B. C. To these and the friends and relatives who mourn the Guardian tenders heartfelt sympathy.

Mrs. Rogers of Halifax, the only absent member of the family who can come, is expected to arrive tonight and the funeral will take place tomorrow, Tuesday, the services at the home beginning at 2.45. The funeral will leave at 3.15 to the Railway Station thence by train to Sherwood Cemetery.

You pay the same war tax on a pound of cheap, poor tea that you pay on Red Rose. In other words you pay 10¢ war tax on a cheap tea which will make perhaps 150 cups to the pound and you pay the same 10¢ tax on a pound of Red Rose which easily makes about 250 cups.

You will find today more value, more economy, more real satisfaction in Red Rose Tea than ever before.

It is truly a war time tea.

**TUESDAY**

**SAD NEWS.**—The sincere sympathy of her many friends will go out to Mrs. Casey, wife of Mr. F. J. Casey Collector of Inland Revenue, Charlottetown, in the death of her brother, Sergeant James McCarthy, who died of wounds in France on Wednesday last, Sept. 4. The first intimation of his being wounded reached Charlottetown about a week ago, when the telegram stated, he was dangerously ill. The late Sergeant McCarthy, who is a son of Mrs. Elizabeth McCarthy, St. John, N. B., enlisted shortly after the outbreak of the war with the 6th Canadian Mounted Rifles and proceeded quickly to France, where he has been in the thick of the fighting ever since. He was wounded earlier in the war, but recovered sufficiently to return to duty. For conspicuous bravery he was promoted on the field. Sergeant McCarthy was 23 years of age and was

have her instruct them in the kindly and understandable manner which always marked her teaching. A lady of unusual graciousness, the retiring teacher was an inspiration to her pupils and it was seldom necessary to exercise the disciplining measure to which teachers are so often forced to resort even with girls learning how

to cook and keep house properly. Miss Bartlett's resignation moves another factor that has helped make St. John conspicuous in the public school life of the dominion and Superintendent Bridges must certainly regret the loss as keenly as any. Miss Bartlett, is making her home in Hampton.
