 Were Great Sufferers From Kidney Disease and Pains in the Back—Now Unite in Praise of Dr. Chase's Kidney-Liver Pills  
 These who are best acquainted with the merits of Dr. Chase's Kidney-Liver Pills do not wonder at their immense popularity as a family medicine.  
 In thousands of cases they have cured where physicians and ordinary medicines have failed. This is the test by which they have been proven.  
 Here is a letter we have just received from Prince Edward Island.  
 Miss Kate Doyle, Lot 1, postoffice, P.E. I. states:—"About three years ago my father was seized with a severe form of kidney disease, which caused him much suffering, as well as anxiety least the ailment should become chronic or prove fatal. We immediately obtained Dr. Chase's Kidney-Liver Pills and he began at once to improve under this treatment, the symptoms gradually disappearing, until he became quite well again. Since then we always keep these pills in the house for use in the case of sickness of this kind."  
 "For some time I suffered from pains in the small of the back and accompanying ills, and though I was treated by a doctor at considerable expense, I could obtain no lasting benefit until I used Dr. Chase's Kidney-Liver Pills, which seemed to be exactly suited to my ailment. Father and I are greatly pleased with the excellent medicine and wish to recommend it to others."  
 Dr. Chase's Kidney-Liver Pills, one pill a dose, 25c a box, at all dealers, or Edmondson, Byles & Co., Toronto. To protect you against imitations, the portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.
