HOT WEATHER, NERVOUS WOMEN.

BLANCHE GREY.

MISS BLANCHE GREY, a prominent young society woman of Memphis, Tenn., in a recent letter from 174 Alabama street, says:

"To a society woman whose nervous force is often taxed to the utmost from lack of rest and irregular meals, I know of nothing which is of so much benefit as Peruna. I took it a few months ago when I felt my strength giving way, and it soon made itself manifest in giving me new strength and health."—Blanche Grey.

Peruna is without an equal as a nerve tonic and vital invigorator. Buy a bottle of Peruna. If you do not receive all the benefits from Peruna that you expected, write to Dr. Hartman, Columbus, O.

Among the horses shipped by the Princess yesterday were the celebrated trotter Parkland, 2:38, and a splendid bay horse by Walter Guy, which were purchased by Thomas Hay, St. John, from John A. McDonald of this town and a three year old filly by Parkside, dam Westlawn, one of the most promising fillies that ever left this province which was purchased by E. H. Harnett of Sussex, N. B. from Dan Steele.

The following are the officers of the Presbyterian Guild elected for the ensuing year: Pres., Dr. John Jardine; Vice Pres., Educational Department, D. C. Harvie; Vice Pres. If there is luck in finding a four-leaved clover, then would not a greater fortune favor the person who would pick up a clover with five or six leaves. Four-leaved clovers are not common, five-leaved clovers are more rare, while a clover with six leaves is something very seldom heard of. A Summerside citizen, who says he has often found clovers with four and five leaves and occasionally one with six leaves, yesterday showed The Guardian representative a seven-leaved clover which he picked up in a western section of the province the other day. All seven leaves are uniform in size, full grown and all branch out from the end of the stem. It is certainly a curiosity inasmuch as it is probably the first seven-leaved clover ever found in this province at least.

DO NOT MISS THE NOTRE DAME ENTERTAINMENT OPERA HOUSE

Wednesday, June 8th.

The beautiful and interesting drama "Dolores" will form one of its principal features. The pathetic and the humorous are so admirably blended in this pretty drama that it cannot fail to hold the attention of the audience from start to finish, especially as the youthful amateurs are being trained with the greatest care. The "Leap Year Comedy," by two of the tots, will be found intensely amusing.

Mr. Vinnicombe's Orchestra will be in attendance; and as Notre Dame counts among her pupils some of the brightest and most talented young ladies of Charlottetown, lovers of music, and song shall have an opportunity of listening to selections calculated to satisfy the most aesthetic taste. Music from the harp, violins, mandolins, guitars and banjos will form a harmonious accompaniment to the three pianos.

All the numbers on the program are unique in character. Do not miss the "Glimpse of Fairyland," which will follow the opening chorus.

Admission 25c; reserved seats 35 and 50 cents.

The plans for reserved seats shall be opened at Jameson's and Rankin's Drug Stores, on June 7th, at 10 a. m.
