Minard's Liniment Co., Limited.
Dear Sirs,—I had a Bleeding Tumor on my face for a long time and tried a number of remedies without any good results. I was advised to try MINARD'S LINIMENT, and after using several bottles it made a complete cure, and it healed all up and disappeared altogether.

THE DOG AND THE LOBSTER.
A Scotsman was strolling through the market place in Glasgow one day and close at his heels followed his faithful collie. Attracted by a fine display of shell and other fish, the Scot stopped to admire, perhaps to purchase. The dog stood by, gently wagging its tail, while its master engaged the fishmonger in conversation.
Unfortunately for the dog, its tail dangled for a moment over a big basketful of fine, live lobsters. Instantly one of the largest lobsters snapped its claws on the tail and the surprised collie dashed off through the market, yelping its pain, while the lobster hung on grimly, though dashed violently from side to side.
The fishmonger for a moment was speechless with indignation, then, turning to his prospective customer he bawled:
"Mon! mon! whistle to yer dog; whistle to yer dog!"
"Hoos, mon," returned the other complacently, "whistle to yer lobster!"

BLUE DAYS.
Belongs to those who are constipated, bilious or have sour, gassy, upset stomach, sick headaches, lame back or that tired-out way of going about the daily routine of life. FIG PILLS will make you feel fine, have a buoyant spirit and will ward off any attack of sickness usually caused by constipation and weak kidneys. FIG PILLS are a mild fruit tonic laxative and always do good. Refuse all substitutes. At all dealers in 25 and 50 cent boxes or by mail from The Fig Pill Co., St. Thomas, Ont. Sold at Geo. E. Hughes Drug Store.

CURED DISEASES of the Kidney AND IS DEPENDENT ON TO RIGHT STOMACH AND LIVER DISORDERS
Once Dr. Chase's Kidney-Liver Pills are introduced into the family and their efficiency becomes known they are usually found too valuable to do without. For everyday ills arising from liver and bowel disorders they bring relief promptly, and when complicated diseases of the kidneys and liver develop they often prove a successful cure after doctors have failed. As an illustration, you may read the following, which was received a few days ago:
Mrs. John Wright, 53 McGee street, Toronto, Ont., states: "We have used Dr. Chase's Kidney-Liver Pills for ten years, and would not be without them. My husband suffered from kidney trouble, and after taking treatment from several doctors without receiving any benefit, tried Dr. Chase's Kidney-Liver Pills, which worked a complete cure. Since that time we have used them for all stomach and liver disorders."
One pill a dose, 25 cents a box all dealers, or Edmanston, Bates & Co., Limited, Toronto.

"I thought perhaps," said Miss Innocence, "that you might be tired of me, because e'm so tired of you!"
At the end of an hour the little guest looked up suddenly and asked if her host wasn't very tired of her. "Tired of you, darling?" said the latter. "Not the least bit in the world. But what made you think I could be?"

MEXICAN WOMEN AS FIGHTERS

When the women of Mexico city recently assured President Huerta that in case of intervention by the United States they would volunteer for service in the army, it may have supplied fuel for the furnace of humorous newspaper paragraphs of the East, but it did not inspire laughter along the border nor among those who have lived in the stricken republic. They know the women will keep their word if the test ever comes and furthermore, judging from examples already given, they will not be the least effective of the forces opposed to the American troops.
As a matter of fact today there are at least 200 Mexican women fighting on one side or the other in the field. This does not mean the camp-followers, for there are thousands of such with several times as many children in the train of forces, but it means regular soldiers out with rifle and gun, accepting the lot of the victor, paying the penalty of the loser, enduring hardships and asking no quarter. Some even are officers of irregular forces, guerrillas attached, now to one side and now to the other, obeyed uncomplainingly by men who are apt to chafe at any discipline, respected always by those who are growing more and more to respect nothing.

In our present showing of gun metal boots you will see the most exclusive array of Women's Dressy Walking Boots that we have ever exhibited. The styles are new and natty, good comfort and perfect fit is assured—we know you will be pleased with the showing. Many grades all sizes \$3.50 to ... \$5.00 a pair
