DOES THIS MEAN YOU?

Are you one of the many who are suffering with eczema, obstinate sores, ulcers or any other skin trouble? If so, lose no time in trying Zam-Buk, and you will be amazed at its curative powers. The healing power of any ointment is in proportion to its medicinal ingredients. Ordinary ointments being composed chiefly of animal fats, with only a small percentage of medicinal ingredients, have not sufficient healing power to overcome a bad case of skin trouble. Zam-Buk, on the contrary, is purely herbal, and is all medicine, which explains its superiority over other ointments, and its many marvellous cures.

Besides being best for eczema, ulcers, and skin diseases of all kinds, it is equally good for blood-poisoning, piles, burns, cuts, heat rashes, sore and blistered feet, insect bites and sunburn. 50c. box all drugists, or Zam-Buk Co., Toronto. Send 1c. stamp for postage on free trial box.
