Mrs. Lilian Taylor Tells How Cuticura Healed Her Baby

He could not sleep, and did nothing as though he might be disfigured for life. "I thought I would give Cuticura Soap and Ointment a trial. I found the free sample so good that I bought more and two tins of Cuticura Soap and a fifty cent box of Cuticura Ointment healed him." (Signed) Mrs. Lilian M. Taylor, Box 99, Brantford, Ontario, Dec. 30, '18. Cuticura Soap to cleanse and purify. Sage Tea Turns Gray Hair Dark It's Grandmother's Recipe to Bring Back Color and Lustre to Hair... That beautiful, even shade of dark glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundred fold. Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur compound. This can always be depended upon to bring back the natural color and lustre of your hair. Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.
