Oh! My! That Smells Good!

And, madam, you should just smell the fragrance of *crushed* coffee after it is brewed. And the flavor of it! Well, you never tasted ground coffee with a flavor just like Red Rose Coffee. Coffee critics, those who have travelled far and wide and tasted coffees in various climes, tell us they have never tasted more delicious coffee. Some have even said—but we will refrain from printing such high praise. We prefer you to try Red Rose *Crushed* Coffee without revealing anything further as to its quality. We don't want to take all the edge off the surprise in store for you when you try it. And the same price it was three years ago.

FIRST SNOWFALL.— The first snow fall of the year (that is, a sufficient fall to let all know what was falling) visited the City yesterday morning and as a consequence the coal yards did a considerable business with those who put off cold weather preparations until winter is knocking at the door. In several sections of the City the younger element was out in force with sleds, coasting, which was particularly good sport in some of the inclined streets that are still bordered by wooden sidewalks.

SERBIAN LECTURE.— In order to place before the Canadian people the true and unvarnished picture of the Serbians, Prof. Roy Leith is giving a series of lectures one of which was given in Bonshaw on Saturday, Nov. 3rd. The lecture was augmented by a program of English and Serbian dances, violin duets and bagpipe airs by the celebrated piper, Malcolm McDonald, of Churchill, which were excellent, and greatly enjoyed by the audience. A choir of fourteen voices led by Miss B. Beaton and Miss A. Baise, in the Serbian language, a song by little Jack McManus, whose brother has fallen on "The Field of Honour," and the Sword Dance by Mr. Duncan McLean, were features of the evening. But the violin duets of Messrs McGauchey and McDonald won the greatest measure of applause, with the possible exception of the Serbian dances by Masters McPhail and MacRae in their pretty peasant costumes. Mr. John McManus made an agreeable and satisfactory chairman. The receipts were $29.35 and expenses $10.43. But the net receipts are really greater than appeared, as more than seven dollars went to costumes, which can be used at subsequent lectures. Thanks are due to so many splendid Bonshaw helpers, who made this concert a success, that any distinction would be invidious.

BERMUDA TRADE HANDICAPPED.— H. C. Outerbridge, of Bermuda, who has been coming to Halifax annually for over a quarter of a century, has left for Prince Edward Island for the purchase of produce, horses and cattle. Mr. Outerbridge says transportation from New York to Bermuda has been seriously handicapped by the fact that the steamer Bermudian, which plied between those two ports, had been requisitioned by the British government. Negotiations are now pending for the placing on the route in conjunction with the steamer Cascapedia, another ship, which it is hoped will relieve the situation says the Halifax Herald.

PRESBYTERY

(Continued from page four)

The final disposition of the Budget allocations was left in the hands of the Budget committee to report at the March quarterly, the allocations adopted May eighth of the present year to stand in the meantime.

On motion of Dr. Fullerton, duly seconded, Presbytery adopted the following:

In removing the name of Rev. John McColl from the Roll the Presbytery hereby place on record its deep sense of the loss sustained in his premature death after a brief term of service within the bounds. It would respectfully tender to the widow and family its deep sympathy in the irreparable loss whichthey have sustained, and would commend them to Him who has promised to be "a Father to the fatherless and a Husband to the widow." The Presbytery would also express its sympathy with the congregation in that loss.

On motion of Dr. Fullerton, Presbytery adopted the following:

With, regard to the changes made in our central fields last year, the Presbytery desire to place on record their sense of the excellent results secured thereby while at the same time they deeply appreciate the excellent spirit in which their efforts were met by all sections concerned. They trust that through the Divine Blessing the future may show yet more abundantly the good results of the changes made.

Mr. J. A. Greenlees brought to the attention of the court the fact that Dr. Fulleron was on the eve of completing a quarter of a century in the pastorate of St. James Church, Charlottetown and suggested that the Presbytery take steps to recognize his long and faithful services in the Presbytery, at its March meeting. Presbytery concurred and appointed Mr. James and Mrs. Greenlees a committee to take such steps as seemed advisable.

The report of the Chaplain of the P. E. Island Hospital was presented by the clerk. Presbytery approved of same, and ordered it to be sent to the H. M. Board.

Presbytery then adjourned to meet at the call of the Moderator and Clerk, of which public intimation was made and this serevunt closed with the benediction.

M. D. MacLEOD— Moderator,
T. C. JAMES— Clerk.

EAT WITHOUT FEAR OF INDIGESTION OR SOUR, ACID STOMACH

Instant relief— "Pape's Diapepsin" ends your stomach trouble forever.

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief in Pape's Diapepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

IN MEMORIAM

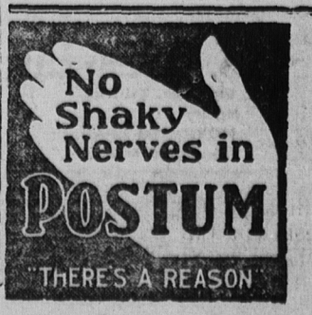
MT. ALLISON UNIVERSITY.

SACKVILLE, N. B. Nov. 7.— The Regents of Mount Allison convened in semi-annual session Tuesday afternoon with the following members present:— Dr. C. Jost. Bridgetown, N. S., chairman; N. T. Avard, Amherst, Secretary; Hon Josiah Wood, Sackville, treasurer; H. A. Powell K. C., Mayor R. T. Hayes, W. B. Tennant, Rev. George Steel, St. John; E. E. Hewson, Amherst; H. F. S. Paisley. James T. Buchell, Sydney, N. S.; George Hart, Rev. A. S. Rogers, Halifax, N. S.; Rev. George Bond D. D.; St. John's Newfoundland; Mrs. Josiah Wood, Mrs. C. W. Fawcett, Sackville; Mr. and Mrs. R. C. Tait, Shediac; Rev. Dr. Borden, Dr. J. M. Palmer, F. B. Black, Rev. H. E. Thomas. Rev. Hamilton, Wigle, C. C. Avard, Rev. A. D. Morton, Sackville; Rev. R. G. Fulton, Charlottetown, P. E. I.; Rev. G. W. F. Glendenning, Truro, N. S.

During the afternoon session the financial reports of Mount Allison University, Ladies' College and Academy were presented and carefully considered. Although the past year has been a most difficult one yet considering everything the showing was as good as might reasonably be expected. One of the institutions showed a small loss on the years operations while the other two had a small surplus. Hon. J. Wood present ed the report of the Endowment fund.

In the evening the question of increasing the endowment fund by a campaign of some sort was considered at some length. The necessity of paying the professors of the University higher salaries in view of the excessively high cost of living was urged and various schemes suggested with a view to meeting the exigencies of the strenuous time. It was decided to honor the memory of the founder of Mount Allison Institutions, the late Charles F. Allison, by holding a Founders' Day some time each year, with a view to arousing in the students a higher appreciation of the services rendered education in the Maritime Provinces by the late Charles F. Allison of Revered memory.

The matter of working out the details was left in the hands of a strong committee. The theological department of the University was under discussion for some time. Since the beginning of the war the attendance in this department has been small and the problem of keeping it going has been a very difficult one. The consideration of the whole department was referred to the Executive of the Board with instructions to report at the May meeting of the Regents. The treasurer of the Endowment Fund was authorized to purchase from $5000 to $10.000 worth of Victory bonds. An annuity was voted to Mrs. Smith wife of the late Dr. Alfred Smith, who for nearly half a century was professor of classics at Mount Allison. In supporting this resolution which was moved by Mrs. J. Wood and seconded by Mr. E. E. Hewson, Dr. H. A. Powell paid an eloquent and glowing tribute to the memory of the late Dr. Smith whose splendid scholarship and strong personality exercised such a wide influence over these Maritime Provinces.

RANK OF AMERICAN OFFICERS.


Stars and Stripes sends the following interesting explanation of the various badges of rank worn by American officers: The captain wears the oak-leaf; the major wears the poplar-leaf, because the poplar is higher than the oak; the eagle is a colonel's badge, because it soars above the poplar; while generals wears stars, which shine far above the eagle's flight.
