WOMAN AVOIDS OPERATION

Medicine Which Made Surgeon's Work Unnecessary.

Astoria, N. Y. — "For two years I was feeling ill and took all kinds of tonics. I was getting worse every day. I had chills and would ache. I was always tired. I could not walk straight because of the pain in my back and I had pains in my stomach. I went to a doctor and he said I must go under an operation, but I did not go. I read in the paper about Lydia E. Pinkham's Vegetable Compound and told my husband about it. I said 'I know nothing will help me but I will try this.' I found myself improving from the very first bottle, and in two weeks time I was able to sit down and eat a hearty breakfast with my husband, which I had not done for two years. I am now in the best of health and did not have the operation." — Mrs. JOHN A. KOENIG, 502 Flushing Avenue, Astoria, N. Y.

Every one dreads the surgeon's knife and the operating table. Sometimes nothing else will do; but many times doctors say they are necessary when they are not. Letter after letter comes to the Pinkham Laboratory, telling how operations were advised and were not performed; or, if performed, did no good, but Lydia E. Pinkham's Vegetable Compound was used and good health followed.

If you want advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

WARD 5 CANDIDATES.—Messrs. W. A. Stewart, of the firm of Moore & McLesell and J. J. McKinnon, the local "El King" have decided to contest ward five in the coming civic election. Their cards will appear in tomorrow's issue.

THE WEATHER.—A decidedly cold snap was experienced in the province yesterday when from 10 above the previous day the mercury fell to four below in the city and as low as seven below in rural districts. A fairly strong breeze added to the intensity of the freeze.

THE SIDEWALKS.—The sidewalks in some sections of the city are in a disgraceful condition. Snow is piled up in drifts nearly knee high in places and where the wind has been kind enough to clean the snow away from the walks of a few fortunate the clean space makes a better skating rink than a promenade. The civic bye law respecting the streets and sidewalks should be rigidly enforced now or there will be eventually a repetition of the streets of Naples' experienced in the last big rainstorm.

THE BAPTIST CHURCH.—The musical service at the Baptist Church last evening was of a very high order, the Church being filled to overflowing. The male quartette, "Re-member Me," sung by Messrs. Duffy, Bennett and Yeo, was delightfully rendered, and all hope to have the pleasure of hearing these singers again in the near future, as a
