has successfully coped with this most dangerous disease, and cured to stay cured.

Miss A. Knott, of Beachville, Ont., writes "If we had only known of Japanese Catarrh Cure years ago, my father would have been saved from spending hundreds of dollars, and I would have been free from the constant pain and annoyance of this most disgusting disease. I have had catarrh for years. My head was stuffed up so that I could not breathe through my nostrils. My breath was very impure. I had almost a constant pain in my head and over my eyes. Nothing I could get gave me any permanent relief, until using Japanese Catarrh Cure. From the very first it gave me relief, and in a short time had removed the accumulation so that I could breathe freely through the nostrils. The pain left my head and eyes. Its effect upon my breath was truly wonderful, purifying and removing every vestige of the unpleasant odor, and during the past year since using this remedy have not felt the least sign of my former trouble. I can highly recommend it, and know of several others in our neighborhood whom it has cured."
