The bride becomingly dressed in cream silk poplin with embroidered trimmings, entered the parlor, leaning on the arm of her father, to the strains of Lohengrins Wedding march nicely rendered by Miss Erna Boswall, sister of the bride. After the usual congratulations all repaired to the dining room where they did ample justice to the bountiful supper prepared by the hostess. The many useful and costly gifts, testify to the popularity of the young couple. The groom's gift to the bride was a gold wrist watch and her father's a substantial cheque. COMPULSORY SERVICE A SUCCESS

United States Favour Conscription in 1917 as in 1863.

The United States was not only following the example of Great Britain, France. Italy and Russia in adopting compulsory service. She was profiting by her own experience in the Civil War.

For the first two years of the Civil War, the North depended for her men on voluntary enlistment. In 1863 President Lincoln, without doubt one of the greatest statesmen this continent has produced, conscription became necessary if the North was to prevail. The law was passed and administered with firmness, even to the point of shooting a few who made determined resistance to the enforcement of the Act.

The success of compulsory service in the Civil War warranted its adoption by the United States in the present crisis, with exemplary success. Stern measures have been meted out to those who neglected to register.

Every confidence is felt by those in authority that the administration of Canada's Military Service Act will proceed smoothly and events to date are most encouraging. C-20.

IN MEMORIAM

HENRY F. BISSETT.

Henry F. Bissett died suddenly at Windsor, N. S., on Oct. 1st aged fifty-nine years. About six o'clock that morning he complained of oppression in the chest and his brother, Dr. Bissett, was sent for. When the doctor left, his brother was feeling quite well again, but later in the morning, shortly before noon, Mr. Bissett took another bad turn and Dr. Bissett again hurried to his brother's aid, but upon arrival found that death had ensued. Death was due to angina pectoris. It came as a great shock to the family as the deceased had never known what a sick day was.

He was born in River Bourgeois, Richmond county, Cape Breton, a son of George H. Bissett, who survives him and is in his ninety-first year. He leaves his wife and seven children, Ina, Mrs. Ralph Dimock, Blanche, Henrietta, and Elsie in Windsor; Amy, Mrs. Harry England, Montreal, Beatrice, who graduates today from Newport, Rhode Island Hospital, and Clarence at home. The eldest son, William, enlisted with the heavy artillery and died in the Military Hospital, Halifax, last November.

The late Dr. Bissett, M. P. P., was a brother of deceased. Six brothers and one sister survive, besides the father. The sister is engaged in newspaper work on one of the large New York dailies and is a clever writer.

The brothers are F. W. Bissett, Halifax; Alfred, R. W. A., and J. D. Bissett, in Vancouver; George E., St. Peters; Dr. E. E. Bissett, Windsor. He was a grandson of George E. Bissett who did business in Halifax, dying there in 1860. The deceased carried on business for three years in Cardigan, Prince Edward Island, but for the past thirty years has represented the Massey Harris Company for a time in P. E. Island and for many years in Western Nova Scotia. He was well known and highly esteemed citizen, whose death occasions the deepest regret. He was a member of St. John's Presbyterian church and one of its trustees, also a member of Windsor's School Board. The funeral will be held Wednesday afternoon. (Mr. Bissett was a brother-in-law to Mr. E. S. Norton of Brundenell, P.E.I.)

Mrs. (Dr.) J. S. Clark and three children are returning to their home in Brandon after spending the summer in P. E. Island. Mrs. Clark's mother, Mrs. C. E. Pratt accompanied them as far as Moncton.

ALL CHILDREN LOVE "SYRUP OF FIGS" FOR LIVER AND BOWELS

Give it when feverish, cross, bilious, for bad breath or sour stomach

Look at the tongue, Mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative;" they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.
