## Reporters and Correspondents Everywhere.

BAND at the rink this afternoon. Bright music and splendid ice.

THERE was crossing both ways at the Capes yesterday. The mails arrived in the city at half past three.

REV. A. F. Fisher, B. D., of Northport, N. S., will occupy the pulpit at both services in Zion Church, Sunday.

AN excellent program is being prepared for the entertainment in St. James' Hall Tuesday evening under the auspices of the Y. M. L. A.

OWING to the impassable state of the roads on Monday night last, the transport meeting in New Glasgow Hall was postponed till Monday 29th. A full house requested.

IN connection with a few week's visit of a gentleman from the other provinces to this city, it is understood that several of Charlottetown's young people are minus large sums of money because of their inferior skill at the card table. As a result of their losses it is said that a deputation waited upon the gentleman in question and asked him to refrain from further visitations to their rendezvous. Turning to his wife, who was present at the interview, he remarked "They say that I am not straight"—and the display of feminine wrath forthwith was sufficient to cause a hasty exit of the delegation.

THE M. P. A. A. A. skating championships were held Tuesday evening at the Queen's rink. The quarter-mile, half-mile one-mile and three-mile championship of the maritime provinces were all won by Fen Parker, of St. John; and in each, Fred Logan, of St. John was second. Time for the four events was respectively 40 4-5; 1.34 4-5; 3.18 2-5 and 11.08 3-5. At the time these races were going on another series was taking place in the Victoria rink, in the face of the refusal of sanction. Among the amateur skaters who thus defied the authorities was Price, of the favorite St. John skaters.

**This Weather Breeds Fever and Pneumonia**

Thousands of Sick People Seeking Admittance to Overcrowded Hospitals. Take Warning and Keep up Your Strength.

A tour of the hospitals in the large Canadian cities shows a surprising number suffering from different complaints brought on by the present unhealthy weather.
The winds are full of searching dampness and loaded with myriads of germs just waiting for a favorable opportunity to fly down your throat. If your vitality is low these germs are sure to break out in some malignant disease.
To avoid sickness you must keep up your strength. Increase your appetite. Get as much nourishment into the blood as possible. Store up a reserve of vigor.
How can it be done? Very easily with Ferrozone which revitalizes all the functions of the body, stimulates the formation of pure, rich blood, invigorates digestion and renews the endurance of the whole system.
You can ward off sickness and fight disease with Ferrozone because it is a food tonic that supplies building material for exhausted tissues. This assures firm, hard, flesh, strong sinew and muscle—in short Ferrozone builds up your system to such a vigorous, healthy state that sickness is almost impossible.
If you feel the need of a bracing tonic, something that will awaken your dormant energies and send a stream of strong healthy blood dancing through your veins, try Ferrozone and see how quickly you will improve and gain in weight, health and spirits.
Mrs. P. C. Spencer of Beverly, P. O., writes: "About a year ago I was greatly run down. I suffered from severe headaches and felt so completely worn out and depressed that I thought I must have walking typhoid. My appetite was poor and my color was pallid, indicating that my blood was too thin. I found Ferrozone just what I needed. It increased my appetite and made me stronger. The feeling of languidness disappeared. After using Ferrozone a few weeks I felt like a new woman. It made me as strong and healthy. No medicine did me so much good as Ferrozone."
Far better to take Ferrozone than let your health run down. Get it to-day. Look out for substitutes and insist on having nothing but Ferrozone. Price 50c per box or six boxes for $2.50, at all druggists or by mail, from N. C. Polson & Co., Kingston, Ont., and Hartford, Conn, U. S. A.
